

September 27, 1985

141 - Lower Middle Fork: That portion of Flathead County lying within the following described boundary: Beginning on the Continental Divide at the junction of Lodgepole Creek

260 - Bitterroot-Clark Fork Archery District: Those portions of Missoula and Ravalli Counties lying within the following-described boundary: Beginning at Lolo, then north on U. S. Highway 93 to the Big Flat Road (Missoula County Route 30), then northerly along said road to

NOTE: Gallatin closed area boundary description on page 8.

2 Bear, Deer, Elk, Lion (continued)

311 - Lower Gallatin: Those portions of Madison, Gallatin, Jefferson and Broadwater Counties lying within the following-described boundary: Beginning at the intersection of Trail Creek with the Montana Power Canyon Road in the Bearpaw Canyon, then northerly along said road to the Missouri River, then northerly along the east shore of the Madison River to the mouth of the Bearpaw Canyon and Highway Route 289, then westerly along said route to its intersection with U. S. Highway 287 at Norris, then northerly along said highway to U. S. Highway 10 (Sappington Junction), then easterly along said highway to the Jefferson River Bridge near Three Forks Junction, then northeasterly down the Jefferson River to the Missouri River, then southeasterly up the Gallatin River to U. S. Highway 10 near Central Park, then southeasterly along said highway to U. S. Highway 191 at Bozeman, then southeasterly along said highway to its intersection with the Dudley Creek-West Fork Gallatin divide near the Big Sky Junction (U. S. 191 and Highway Route 64), then northerly along said divide to Wilson Peak, then northerly along the Hellroaring Creek-West Fork Gallatin-Spanish Creek divide, then along the Madison-Gallatin Rivers divide and the Madison-Cherry Creek divide to Red Knob Mountain, then westerly down Trail Creek to the intersection with the Montana Power Canyon Road in the Bearpaw Canyon, the point of beginning.

NOTE: Manhattan Game Preserve closed to hunting. Boundary description on page 8.

Note: Jefferson River Closed Area boundary description on page 8.

312 - West Bridger: Those portions of Gallatin County lying within the following-described boundary: Beginning at the junction of Sixteen Mile Creek and the Missouri River, then southerly up said river to the Gallatin River, then southeasterly up the Gallatin and the West Gallatin Rivers to U. S. Highway 10 near Central Park, then southeasterly along said highway to its junction with State Highway 86 at Bozeman, then easterly and northerly along said highway to its junction with the Flathead Pass Road, then westerly along said road to Flathead Pass and the Bridger Range divide, then northerly and westerly along said divide to Blacktail Mountain, then westerly down Olie Canyon to the Rocky Mountain Road, then northerly along the Rocky Mountain Road to the Blacktail Divide Road, then one mile westerly along said road to the Brammer Creek Road, then northerly along the Brammer Creek Road to the Dry Creek Road, then northerly along said road to Maudlow, then easterly along the Maudlow-Ringling Road to the bridge over Sixteen Mile Creek, then westerly down Sixteen Mile Creek to the Missouri River, the point of beginning.

313 - Gardiner: That portion of Park County lying within the following-described boundary: Beginning at the Yellowstone National Park boundary at its intersection with the Yellowstone River, then east along said boundary to the divide between Crevic and Cottonwood Creeks and Hellroaring Creek, then northerly along said divide to Ash Mountain, then northwest along the Hellroaring-Mill-Bear Creek Divide to Monitor Peak, then down the north Fork of Sixmile Creek to Sixmile Creek, then down Sixmile Creek to its intersection with the Yellowstone River, then south along said river to Mol Heron Creek, then westerly up the Yellowstone River to the Yellowstone National Park boundary, then east along said boundary to the Yellowstone River, then down the Yellowstone River to its junction with Little Trail Creek, then up Little Trail Creek to its intersection with U. S. Highway 89, then south on U. S. Highway 89 to its intersection with the Yellowstone River, then south up said river to its point of beginning.

314 - Upper Yellowstone West: Those portions of Gallatin and Park Counties lying within the following-described boundary: Beginning at the junction of the Yellowstone River and Interstate 90, then westerly along Interstate 90 to the Gallatin-Yellowstone Rivers Divide at Bozeman Pass, then southerly along said divide to the Yellowstone National Park Boundary, then easterly along said boundary to Mol Heron Creek, then northerly down Mol Heron Creek to the Yellowstone River, then north along said river to Interstate 90, the point of beginning.

315 - West Slope Crazy Mountains: Those portions of Meagher, Park and Sweet Grass Counties lying within the following-described boundary: Beginning at U. S. Highway 89 and the Yellowstone River east of Livingston, then northerly along said highway to Sixteen Mile Creek, then easterly up said creek to the Mountain Divide, then southerly along said divide to the West Fork of Duck Creek near Fairview Peak, then easterly down the West Fork of Duck Creek to Duck Creek, then southerly down said creek to the Yellowstone River, then westerly up said river to U. S. Highway 89, the point of beginning.

316 - Absarokee: Those portions of Carbon, Sweet Grass and Park Counties lying within the following-described boundary: Beginning at the junction of the Montana-Wyoming State Line and the Custer-Gallatin National Forest Boundary southeast of Albino Lake, then northerly and westerly along said boundary to the Park County Line, then north and west along said county line to the Custer-Gallatin National Forest Boundary near Timberline Mountain, then northerly along said boundary to the Slough Creek-Boulder River Divide near Columbine Pass, then southerly along the Boulder River-Slough Creek Divide and northerly along the Boulder River-Buffalo Fork Divide and the Hellroaring Creek-Boulder River Divide to the Hellroaring-Mill Creeks Divide near Crow Mountain, then southerly along the Mill-Hellroaring Creeks Divide to the Bear-Hellroaring Creeks Divide to Ash Mountain, then southerly along the Crevic-Hellroaring Creeks Divide to the Crevic-Cottonwood Creeks Divide, then southerly along the Crevic-Cottonwood Creeks Divide to the Yellowstone National Park Boundary, then easterly and southerly along said boundary to the Montana-Wyoming State Line, then easterly along said line to the Custer-Gallatin National Forest Boundary southeast of Albino Lake, the point of beginning.

317 - Upper Yellowstone East: That portion of Park County lying within the following-described boundary: Beginning at the junction of the Yellowstone River and Interstate 90, then south along said river to the mouth of Sixmile Creek, then southerly up Sixmile Creek to the North Fork of Sixmile Creek, then southerly up said fork to the Sixmile-Cedar Mill Creeks Divide near Monitor Peak, then easterly and northerly along the Mill-Hellroaring Creeks and Mill Creek-Boulder River Divides to Mount Cowen, then northerly along the Yellowstone River-West Boulder River Divide to Elephant Head Mountain, then northerly down Mission Creek to the Yellowstone River, then westerly up said river to Interstate 90, the point of beginning.

318 - Butte-Basin: Those portions of Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Butte, then northeasterly along U. S. Highway 91 to the Boulder-Bridgely-Pear Divide north of the Town of Boulder, then southerly along said divide to the Boulder River-Ten Mile Divide, then westerly along said divide to the Jefferson County Line, then southerly along said county line to the Silver Bow County Line, then westerly and southerly along said county line to U. S. Highway 10, then easterly along said highway to Butte, the point of beginning.

319 - Fleeceer: Those portions of Silver Bow and Deer Lodge Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 91 and State Highway 43, then westerly along State Highway 43, to a point directly opposite the confluence of Pintler Creek with the Big Hole River (Deer Lodge-Beaverhead County line), northerly along the Deer Lodge-Beaverhead County line to the Continental Divide at West Pintler Peak then northeasterly along the Continental Divide to State Route 274, then southerly along said route to American Creek, then southeasterly up said creek to the Continental Divide, then easterly along said divide to Fleeceer Ridge at Burnt Mountain, then southerly along Fleeceer Ridge to U. S. F. S. Route 96 (Divide Creek Road) then easterly along said route to U. S. Highway 91, then southerly along said highway to its junction with State Highway 43, the point of beginning.

320 - South Tobacco Root Mountains: Those portions of Madison and Silverbow Counties lying within the following-described boundary: Beginning at the junction of State Highway 287 and South Meadow Creek near McAllister, then southerly on said highway to Ennis, then westerly along said highway to Twin Bridges, then northerly along said highway to the intersection with the Waterloo Parson's Bridge Road, then southerly along said highway to the intersection with the Bearpaw Canyon Road, then easterly on the said road and the Mill Canyon Trail (F.S. Trail No. 89) to the South Boulder-Jefferson River Divide, then southerly and easterly along said divide and the South Boulder-Ruby Divide and the Madison-Ruby Divide to Ramshorn Mountain, then easterly down South Meadow Creek to the junction of State Route 287, the point of beginning.

321 - West Big Hole: That portion of Beaverhead County lying within the following-described boundary: Beginning at Wisdom and Route 287, then southerly along said route to the Jackson-Skinner Meadows Road, then southerly along said road to the Big Hole-Bloody Dick Divide, then westerly along said divide to the Montana-Idaho State Line and Continental Divide, then northerly and northeasterly along said Continental Divide to the Beaverhead-Deer Lodge County line at West Pintler Peak, then southeasterly along said route to a point on State Route 287 directly opposite the confluence of Pintler Creek with the Big Hole River, then southerly along State Route 43 to State Route 287 at Wisdom, the point of beginning.

NOTE: Big Hole National Monument closed under federal law.

322 - Lower Ruby: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at the junction of State Route 41 and the Stone-Cottonwood Creek Road, then easterly along said road to the Ruby River Road, then southerly along said road to the Ruby River-Long Creek Road, then southerly along said road to State Route 41 at Twin Bridges, then southerly along said route to the junction of the Stone Creek Road, the point of beginning.

323 - Wall Creek: That portion of Madison County lying within the following-described boundary: Beginning at the junction of the Madison River and the West Fork of the Madison River, then southerly up the West Fork of the Madison River to Elk River, then northeasterly up said river to the Gravelly Range Road, then northerly along said road to the Johnny Ridge-Talc Mine Road, then easterly along said road to the east bank of the Madison River, then southerly up the east bank of said river to the West Fork of the Madison River, the point of beginning.

324 - Snowcrest-Lower Ruby: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at the junction of the Rock-Robb-Ledford Road and the Ruby River Road, then southerly along the Ruby River Road to the Warm Springs Road, then easterly along said road to the Gravelly Range Road, then southerly along said road to the Ruby River-Long Creek Road, then southerly along the Long Creek Road to the Clover-Blacktail Road, then northerly along said road to the Rock Creek-Robb-Ledford Road, then easterly northeasterly along said road to the junction of the Ruby River Road, the point of beginning.

325 - Blacktail Ridge-Sage Creek: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at Monida and U. S. Interstate Highway 15 (U. S. Highway 91), then northerly along said highway to the junction of the Blacktail Road, then southeasterly along said road and the Clover Creek Road to the north side Centennial Road, then easterly and southerly along said road to the Price Lane, then southerly along said lane to the Monida-Lakeview Road, then westerly along said road to U. S. Interstate Highway 15 (U. S. Highway 91) at Monida, the point of beginning.

326 - Sweetwater: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at the junction of State Route 41 and the Stone-Cottonwood Creek Road, then easterly along said road to the Ruby River Road, then southerly along said road to the Ruby River-Long Creek Road, then southerly along said road to the Blacktail Road, then northerly along said road to its junction with U. S. Highway 91, then northerly along said highway to State Route 41, then northeasterly along said route to its junction with the Stone Creek Road, the point of beginning.

327 - West Fork Madison-Centennial: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at Monida and the Monida-Lakeview Road, then easterly along said road to Price Lane, then northerly along said lane to the Ruby River-Long Creek Road, then northerly along said road to the Gravelly Range Road, then northerly along said road to Elk River, then southeasterly down said river to the West Fork of the Madison River, then northeasterly down said river to the Madison River, then southerly up said river to State Route 87, then southerly along said route to the Montana-Idaho State Line, then westerly along said state line to Interstate Highway 15, then northerly along said highway to the Monida Interchange Road, then easterly along said road to the Monida-Lakeview Road at Monida, the point of beginning.

328 - Medicine Lodge-Nicholls: That portion of Beaverhead County lying within the following-described boundary: Beginning at the Montana-Idaho State Line at Lemhi Pass, then easterly along the Lemhi Pass Road to State Highway 324, then easterly along said highway to the Medicine Lodge-Big Sheep Road, then southerly along said road to the Nicholls

Deadmen Road (Forest Development Road 951), then southeasterly along said road to the Montana-Idaho State Line at Old Bennack Pass (Medicine Lodge Pass), then southerly and northerly along said state line to Lemhi Pass, the point of beginning.

329 - Horse Prairie-Bennack: That portion of Beaverhead County lying within the following-described boundary: Beginning at the junction of State Highway 324 and Interstate 15, then westerly along State Highway 324 to the Lemhi Pass Road, then westerly along said road to the Montana-Idaho State Line at Lemhi Pass, then northerly along said state line to the Bloody Dick-Big Hole Divide, then easterly along said divide to the Skinner Meadows-Jackson Road, then northerly along said road to State Highway 278 near Jackson, then easterly along said highway to U. S. Highway 91 (Interstate 15), then southerly along said highway to State Highway 324, the point of beginning.

330 - Greenhorn Range: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at the junction of State Route 287 and the Ruby River Road at Alder, then southerly along said road to the Warm Springs-Gravelly Range-Johnny Ridge-Sierra Talc Mine Road, then easterly along said road to the east bank of the Madison River, then northerly along the east bank of said river to State Route 287 at Ennis, then westerly along said route to the junction of the Ruby River Road at Alder, the point of beginning.

331 - Pioneer Mountains: Those portions of Beaverhead, Silver Bow and Madison Counties lying within the following-described boundary: Beginning at the junction of the Grasshopper-Wise River Road and State Highway 278, then northerly along the Grasshopper-Wise River Road to State Highway 43 at Wise River, then easterly along said highway to Interstate 15 at Divide, then southerly along said Interstate to State Highway 278, then westerly along said highway to the Grasshopper-Wise River Road, the point of beginning.

332 - East Big Hole: Those portions of Beaverhead, Silver Bow and Deer Lodge Counties lying within the following-described boundary: Beginning at Wise River, then southerly on the Wise River-Grasshopper County Road to Route 278, then westerly on Route 278 to State Route 43 at Wisdom, then northerly and easterly along State Route 43 to Wise River, the point of beginning.

333 - North Tobacco Root Mountains: Those portions of Madison, Gallatin and Jefferson Counties lying within the following-described boundary: Beginning at Whitehall, then southerly along Highway Route 55 to its intersection with the Waterloo Parson's Bridge Road (also known as Guy George Bridge), then southerly along said road to the Mill Canyon Road, then easterly on the said road and the Mill Canyon Trail (F.S. Trail No. 89) to the South Boulder-Jefferson River Divide, then southerly and easterly along said divide and the South Boulder-Ruby River Divide and the Madison-Ruby River Divide to Ramshorn Mountain, then easterly down South Meadow Creek to its junction with State Route 287, then southerly along said highway to McAllister and its intersection with the North Shore County Road, then easterly along said county road to the mouth of Bearpaw Canyon, then southerly along said road to the Madison River, then northerly along the east shore of said river to the mouth of Bearpaw Canyon and Highway Route 289 (Norris Road), then westerly along said highway to its intersection with State Highway 287 at Norris, then northerly along said highway to the junction of U. S. Highway 10, then westerly along said highway to Whitehall and Highway Route 55, the point of beginning.

340 - Highlands: Those portions of Beaverhead, Madison, Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Dillon, then northerly along State Route 41 to State Route 287 at Twin Bridges, then northerly along said route to U. S. Highway 10, then northerly along said highway to Interstate 90 at Butte, then westerly along said Interstate to its junction with Interstate 15 near Rocker, then southerly along Interstate 15 to Dillon, the point of beginning.

341 - High Rye: Those portions of Silver Bow and Deer Lodge Counties lying within the following-described boundary: Beginning at the junction of Interstate 90 and U. S. Highway 91 near Rocker, then southerly along U. S. Highway 91 to its junction with U. S. Forest Service Route 96 (Divide Creek Road), then southerly along said route to Fleeceer Ridge, then northerly along said route to the Continental Divide at Burnt Mountain, then westerly along said divide to the head of American Creek, then northerly down said creek to State Route 274, then northerly along said route to U. S. 10A, then easterly along said highway to Interstate 90, then easterly along said highway to U. S. Highway 91, the point of beginning.

350 - Whitetail: Those portions of Silver Bow and Jefferson Counties lying within the following-described boundary: Beginning at Butte, then southeasterly along U. S. Highway 10 to Whitehall, then northerly along the Whitetail-Boulder Road to U. S. Highway 91 at Boulder, then southerly along said highway to Butte, the point of beginning.

360 - North Madison: That portion of Madison and Gallatin Counties lying within the following-described boundary: Beginning at the intersection of Indian Creek and the Madison River, then following the east bank of said river to the bridge at Ennis on State Highway 287, then northerly along said highway to its intersection with the North Shore County Road at McAllister, then easterly along said county road to the mouth of Bearpaw Canyon and the Shoshone Ridge (mountain), then northerly along said road to Trail Creek, then up Trail Creek in an easterly direction to Red Knob Mountain and the Madison-Cherry Creek divide, then southerly along said divide and the Madison-Gallatin Rivers divide to the Spanish Creek-West Fork Gallatin-Hellroaring Creek divide, then easterly along said divide to Wilson Peak, then southeasterly down the Dudley Creek-West Fork Gallatin divide to the Gallatin River, then southerly up said river to the intersection with Buck Creek, then up Buck Creek in a westerly direction to the Madison-Gallatin Rivers Divide, then southerly along said divide to the Shoshone Ridge (mountain), then southeasterly along the toe of Shoshone Ridge to Indian Creek, then westerly down Indian Creek to its intersection with the Madison River, the point of beginning.

361 - Heben-Upper Madison: Those portions of Madison and Gallatin Counties lying within the following-described boundary: Beginning where the western boundary of Yellowstone National Park intersects the Montana-Idaho line, then northerly along the Yellowstone National Park Boundary to its intersection with U. S. Highway 191, then southerly along said highway to its junction with U. S. Highway 287 at the Duck Creek Y, then westerly to Rock Creek, then southerly down Rock Creek to Oake Lake, then westerly along the north shore of Oake Lake and the Madison River to State Route 87, then southerly along said highway to the Montana-Idaho line, then southeasterly along said state line to the intersection of the Yellowstone National Park Boundary, the point of beginning.

362 - South Madison: Those portions of Madison and Gallatin Counties lying within the following-described boundary: Beginning at the mouth of Indian Creek and the east bank of the Madison River, then southerly along the east bank of said river and Oake Lake to the mouth of Rock Creek, then northerly up Rock Creek to U. S. Highway 287, then easterly along said highway to its junction with U. S. Highway 191 at the Duck Creek Y, then northerly along U. S. Highway 191 to its intersection with the Yellowstone National Park boundary, then in a northerly direction along the Yellowstone National Park boundary to its intersection with the Madison-Gallatin River Divide, then westerly and northerly along said divide through Sentinel and Imp Peak to Shoshone Ridge, then northerly along said divide to the toe of Shoshone Ridge in a northerly direction to Indian Creek, then down Indian Creek in a westerly direction to the point where the mouth of Indian Creek and the east bank of the Madison River meet, the point of beginning.

370 - Bull Mountains: That portion of Jefferson County lying within the following-described boundary: Beginning at Whitehall, then easterly along U. S. Highway 10 to Route 281, then northerly along said route to the Whitetail-Boulder Road, then southerly along said road to Whitehall, the point of beginning.

NOTE: The Jefferson River Closed Area shall be closed to Big Game hunting except as designated under hunting regulations. Boundary description on page 8.

380 - Redersburg: Those portions of Jefferson, Broadwater, and Lewis and Clark Counties lying within the following-described boundary: Beginning at Boulder, then southerly along State Route 281 to U. S. Highway 10, then easterly along said route to the Jefferson River Bridge near Three Forks Junction, then northeasterly down said river to the Missouri River, then northerly down the east bank of said river to the intersection with U. S. Highway 287 near Toston, then northerly down the east bank of said river to its intersection with U. S. Highways 12 and 287, then southerly along said route to the intersection of U. S. Highways 12 and U. S. Highway 287, then easterly along U. S. Highway 12 to the junction of State Route 284, then northerly along said route to Duck Creek, then westerly along said creek to the east shore of Canyon Ferry Reservoir, then northerly down the east shoreline of said reservoir to the Canyon Ferry Dam and Route 284, then southerly along said route to U. S. Highway 287-12, then westerly along said highway to U. S. Highway 91, then southerly along said highway to Boulder the point of beginning.

NOTE: Canyon Ferry Game Management closed to big game hunting except as designated under hunting regulations. Area description on page 8.

390 - Sixteenmile Creek: Those portions of Broadwater, Gallatin and Meagher Counties lying within the following-described boundary: Beginning at the mouth of Sixteenmile Creek and the east bank of the Missouri River, then northerly along the east bank of said river to the mouth of Greyson Creek, then easterly up said creek to its junction with the Ridge Road, then southerly along said road to the junction of the Dry Creek Road and the Broadwater County Line, then southerly along said line to the Meagher-Gallatin County line, then east along said line to Sixteenmile Creek, then northeasterly along said creek to Ringling, then southerly and westerly along the Ringling-Maulow Road to its junction with the Dry Creek Road and Sixteen-Mile Creek at Maulow, then westerly along said creek to the east bank of the Missouri River, the point of beginning.

391 - Dry Creek-Duck Creek: Those portions of Broadwater and Meagher Counties lying within the following-described boundary: Beginning at the intersection of the Missouri River and U. S. Highways 12 and 287, then southerly along said highways to Townsend and the intersection of U. S. Highway 12 and U. S. Highway 287, then easterly along U. S. Highway 12 to State Route 284, then northerly along said route to Duck Creek Road, then easterly up Duck Creek Road to the Broadwater-Meagher County line, then southeasterly along said line to Edith Lake Trail 152 (near Edith Mountain), then southerly along said trail to its junction with the East Fork Cabin Gulch Road (U. S. F. S. Road 423), then southerly and westerly along said road to U. S. Highway 12, then northeasterly along said highway to U. S. Highway 89, then southerly along said highway to Sixteen-Mile Creek (near Ringling), then southerly along said creek to the Gallatin-Meagher County line, then northerly along said line to the Broadwater-Meagher County line, then northerly along said line to the Dry Creek Road, then westerly along said road to its junction with the Ridge Road, then northerly and westerly along said road to Greyson Creek, then westerly along said creek to the east bank of the Missouri River, then northerly and easterly along the east bank of said river to its junction with U. S. Highway 12 and 287, the point of beginning.

392 - Southwest Big Belts: Those portions of Broadwater and Lewis and Clark Counties lying within the following-described boundary: Beginning at the mouth of Beaver Creek and the Missouri River, then northerly up said creek to the Beaver Creek Road, then southerly and easterly along said county and the Lewis and Clark County line, then southerly and easterly along said county and the Lewis and Clark County line, then southerly along said line to the Duck Creek Road, then westerly along said road to State Route 284, then northerly along said route to Duck Creek, then westerly along said creek to the east shore of Canyon Ferry Reservoir, then northerly along said shore and the east bank of the Missouri River to the mouth of Beaver Creek, the point of beginning.

393 - East Bridger: Those portions of Park, Gallatin and Meagher Counties lying within the following-described boundary: Beginning at the junction of Interstate Highway 90 and the Yellowstone River at Livingston, then easterly down said river to its junction with U. S. Highway 89, then northerly along said highway to Ringling, then southerly and westerly along the Ringling-Maulow Road to the Brammer Creek Road at Maulow, then southerly along the Brammer Creek Road to the Blacktail Divide Road, then easterly along Blacktail Divide Road to Rocky Mountain Road, then southerly along said road to Olie Canyon, then easterly up Olie Canyon to Blacktail Mountain, then easterly and southerly along the Bridger Range divide to Flathead Pass, then easterly along the Flathead Pass Road to its junction with State Highway 86, then southerly and westerly along said highway to Bozeman, then easterly along Interstate Highway 90 to the Yellowstone River at Livingston, the point of beginning.

NOTE: McLean Game Preserve closed to hunting. Boundary description on page 8.

400 - Lower Marias River: Those portions of Toole, Pondera, Liberty and Chouteau Counties lying within the following-described boundary: Beginning at Shelby, then east along U. S. Highway 2 to Montana Route 223 at Chester, then southerly along Route 223 to the Marias River, then east and south down the Marias River to the Missouri River, then southerly up the Missouri River to Montana Route 80 at Fort Benton, then northerly along Montana Route 80 to Montana Route 223, then northerly along Montana Route 223 to its intersection with Montana Route 365, then north and west along Montana Route 365 to Interstate 15 at Brady, then northerly along Interstate 15 to U. S. Highway 2 at Shelby, the point of beginning.

NOTE: Brinkmen Game Preserve closed to all hunting except as designated under hunting regulations. Boundary description on page 8.

401 - Sweetgrass Hills: Those portions of Toole and Liberty Counties lying within the following-described boundary: Beginning on the Canadian Border one-half mile north of the Jay Clark residence on West Butte, then west and then southeasterly on the road immediately adjacent to the west and south side of West Butte to the road junction in Township 36 North, Range 2 East, Section 10, then south on the road to F.A.S. 343, then east to the road junction in Township 35 North, Range 4 East, southeast corner of Section 32, then three miles north on the road to F.A.S. 409, then east along road to the junction east of Snosue Coulee, then north to the Bear Den Road junction four miles south and east of Blackjack Butte, then east along road to the junction in Township 36 North, Range 6 East, southeast corner Section 9, then approximately four miles north and west to the road junction, then north to the Canadian Border at Township 37 North, Range 6 East, northeast corner of Section 5, then west on the Canadian Border to the point of beginning.

402 - Shelby-Chester: Those portions of Toole and Liberty Counties lying within the following-described boundary: Beginning at Sweetgrass on the Canadian Border, then east on border to a point one-half mile north of the Jay Clark residence on West Butte, then west and then southeasterly on the road immediately adjacent to the west and south side of West Butte to the road junction in Township 36 North, Range 2 East, Section 10, then south on the road to F.A.S. 343, then east to the road junction in Township 35 North, Range 4 East, southeast corner of Section 32, then three miles north on the road to F.A.S. 409, then east along road to the junction east of Snosue Coulee, then north to the Bear Den Road junction four miles south and east of Blackjack Butte, then east along road to the junction in Township 36 North, Range 6 East, southeast corner Section 9, then approximately four miles north and west to the road junction, then north to the Canadian Border at Township 37 North, Range 6 East, northeast corner of Section 5, then east on the border to the County Road west of the Missouri River, then southerly along said county road to Highway 2, then west to Shelby, then north on Highway 91 to the point of beginning.

403 - Cut Bank: Those portions of Glacier and Toole Counties lying within the following-described boundary: Beginning on the Canadian Border, then southerly along U. S. Highway 15 to Shelby, then west on U. S. Highway 2 to Cut Bank, then north along eastern boundary of the Blackfoot Indian Reservation to the Canadian Border, then east along the border to Sweetgrass, the point of beginning.

404 - Lower Teton River: Those portions of Teton, Pondera, Chouteau, and Cascade Counties lying within the following-described boundary: Beginning at the intersection of U. S. Highway 89 and Montana Route 219 at Pendroy, then northeasterly along Montana Route 219 to its intersection with Interstate 15 at Conrad, then southeasterly along Interstate 15 to Montana Route 365 at Brady, then southeasterly along Montana Route 365 to Montana Route 223, then south along Montana Route 223 to U. S. Highway 87 at Fort Benton, then southerly along U. S. Highway 87 to U. S. Interstate 15 at Great Falls, then southerly along said highway to the interchange at the town of Cascade, then north along the county road to Simms, then northerly along the county road to junction of U. S. 89, then westerly into Fairfield and Choteau to Montana Route 219 at Pendroy, the point of beginning.

NOTE: Teton Spring Creek Preserve closed to hunting except as designated under hunting regulations. Boundary description on page 8.

405 - Carter: Those portions of Cascade and Chouteau Counties lying within the following-described boundary: Beginning at Fort Benton, then northerly along Montana Route 366 to U. S. Highway 87, then southerly along U. S. Highway 87 to Great Falls, then southerly along U. S. Highway 87 and 89 to Belt Creek, then northerly down Belt Creek to the Milwaukee Railroad, then northerly and easterly along said railroad right-of-way to State Route 80 at Geraldine, then northerly along State Route 80 to Fort Benton, the point of beginning.

406 - Upper Marias - Dupuyer: Those portions of Glacier, Toole, Pondera, and Teton Counties lying within the following-described boundary: Beginning at Shelby, then south along Interstate 15 to Conrad, then southerly along Montana Route 219 to U. S. Highway 89 west of Pendroy, then southerly along U. S. Highway 89 to Teton, then southerly along U. S. Highway 89 to Choteau, then west 13 miles on said road to the junction in T25N, R7W, S28, then 3 1/4 miles north and west to the junction in T25N, RBW, S39, then three miles north and west to the junction in T25N, RBW, S14, then north and east to the junction 1 1/2 miles northeast of the Ostle Ranch Building in T26N, RBW, S23, then north 1 1/2 miles to the junction in T26N, RBW, S14, then 1 1/2 miles northwest to Blackfoot Canyon-South Fork Dupuyer Creek Road junction in T26N, RBW, S9, then northwest to the South Fork of Dupuyer Creek in T27N, RBW, S36, then southerly along said creek to its junction with the county road sign four miles east of Dupuyer Creek at confluence of Scofield and Dupuyer Creeks in T28N, RBW, S32, then 2 1/2 miles due north along the section line between Sections 33, 32, 28, 29, 20 and 21, T28N, RBW to Swift Reservoir Road (1/4 mile southeast of Scofield Butte Road junction), then westerly on Swift Reservoir Road to Swift Reservoir Dam, then northeast along Birch Creek to Cut Bank Creek, then northerly along Cut Bank Creek to U. S. Highway 2 at Cut Bank, then east along said Highway to Shelby, the point of beginning.

NOTE: McLean Game Preserve closed to hunting. Boundary description on page 8.

410 - Missouri River Breaks: Those portions of Fergus and Petroleum Counties known as the breakoff of the Missouri and Musselshell Rivers lying within the following-described boundary: Beginning at Winnett, then northerly along the Valentine Road to Valentine, then northeasterly along the Dovetail Road to the town of Valentine, then southerly along the Horse Camp Trail to the junction of Musselshell Trail, then westerly on Musselshell Trail to the junction with U. S. Highway 191, then south on U. S. Highway 191 approximately 4 miles to the southern boundary of T20N, then west along the township boundary approximately 23 miles to the western edge of R20E, then north 6 miles along the western boundary of R20E to the southern boundary of T21N, then east 6 miles along the southern boundary of T20N to the eastern boundary of R20E, then north 18 miles along the eastern boundary of R20E to the Missouri River, then southerly along said river to the mouth of the Musselshell River, then up the Musselshell River to State Route 200, then west along State Route 200 to Winnett, the point of beginning.

411 - Snowy Mountains: Those portions of Golden Valley, Fergus and Judith Basin Counties lying within the following-described boundary: Beginning at Lewistown, then east on U. S. Highway 87 to Grass Range, then southerly on U. S. Highway 87 to Flatwillow Creek, then westerly up Flatwillow Creek to Durfee Creek, then westerly along Durfee Creek to the Snowy Mountains Divide, then westerly along the Snowy Mountains Divide to the head of Meadow Creek, then westerly down Meadow Creek to U. S. Highway 191, then northerly along U. S. Highway 191 to U. S. Highway 87, then westerly along U. S. Highway 87 to the west rim of the Judith River, then northerly along said rim to the Kollin-Hanover Road (State Route 505), then easterly along said road to U. S. Highway 191, then southerly to Lewistown, the point of beginning.

412 - Judith and Moccasin Mountains: That portion of Fergus County lying within the following-described boundary: Beginning at Lewistown, then easterly along U. S. Highway 87 to Cheadle, then northeasterly along the Cheadle to Roy County Road to Roy, then westerly along U. S. Highway 191 to Hilger, then northerly along Montana Route 236 approximately 3 miles, then northerly along the county road to Box Elder Creek, then westerly along the county road to Plum Creek, then southerly along Plum Creek to the county road to State Route 235, then southerly along said highway to the west rim of the Judith River, then southerly along said rim to the Kollin-Hanover Road (State Route 505), then easterly along said road to U. S. Highway 191, then southerly to Lewistown, the point of beginning.

413 - Deep Creek Park: Those portions of Cascade and Meagher Counties lying within the following-described boundary: Beginning at the junction of the Lewis and Clark National Forest northern boundary and the Smith River, then east along the U. S. Forest boundary to Lick Creek Road, then southeasterly along said road to the Logging Creek Road, then southerly and easterly along said road past the Monument Peak turnoff to the junction with the Williams Park-Harley Creek Road, then southerly and westerly along the Williams Park Road to its junction with the main county road leading southerly to Eagle-Sheep Creek area, then southerly and westerly on said county road to its intersection with Eagle Creek, then westerly along Eagle Creek to the Smith River, then down the Smith River to the northern boundary of the Lewis and Clark National Forest, the point of beginning.

414 - Cascade-Riceville: That portion of Cascade County lying within the following-described boundary: Beginning at Cascade at Interstate 15 interchange, then northerly along Interstate 15 to U. S. Highway 87 and 89 at Great Falls, then southeast along said highway to U. S. Highway 89, then south along said highway to the Logging Creek Road, then west along said road to the Lick Creek Road, then westerly along said road to the Lewis and Clark National Forest Boundary, then west along said boundary to the Smith River, then down said river to F.A.S. 330, then along said road to Cascade, the point of beginning.

415 - Summit-North Fork Birch Creek: Those portions of Pondera and Glacier Counties lying within the following-described boundary: Beginning at Summit, then northeast along the Glacier Park Boundary to the Blackfeet Indian Reservation Boundary, then southeasterly along said reservation boundary to North Fork of Birch Creek Trail 121, then westerly along said trail to Badger Pass, then northerly along the Continental Divide to Summit, the point of beginning.

416 - Little Belt Mountains-Northwest: Those portions of Cascade and Meagher Counties lying within the following-described boundary: Beginning at White Sulphur Springs, then northwest along the Fort Logan-Milegan Road to Rock Creek, then down Rock Creek to Smith River, then up the Smith River to Eagle Creek; then east on Eagle Creek to the main county road; then north and east on said road to the junction with the Williams Park-Harley Park Road, then easterly on said road to the junction with the Harley Creek Road, then down the Harley Creek Road to U. S. Highway 89, then south on the said highway to White Sulphur Springs, the point of beginning.

417 - War Horse: Those portions of Fergus and Petroleum Counties lying within the following-described boundary: Beginning at Grass Range, then southerly along U. S. Highway 87 to Flatwillow Creek, then easterly down said creek to Highway F.A.S. 244, then northerly along said highway to Winnett, then northerly along the Valentine Road to Valentine, then northerly along Dovetail Road to Horse Camp Trail, then northerly along Horse Camp Trail to the Musselshell Trail, then westerly along Musselshell Trail to U. S. Highway 191, then southerly about 4 miles to the south boundary of T20N, then west approximately 23 miles along said boundary to the eastern boundary of R19E, then north 1 mile to the road leading east from Suffolk, then west along said road to Suffolk, then south along State Route 236 to Hilger, then northerly along U. S. Highway 191 to the Kollin-Hanover Road, then southerly along said road to Cheadle County Road to Cheadle, then easterly along U. S. Highway 87 to Grass Range, the point of beginning.

418 - Judith Basin: Those portions of Judith Basin and Fergus Counties lying within the following-described boundary: Beginning at Stanford, then easterly along U. S. Highway 87 to its junction with U. S. Highway 91, then southerly along U. S. Highway 91 to the Wheatland County line, then west along said county line to the Lewis and Clark National Forest boundary, then northerly along said boundary to its junction with the Judith River Road, then northerly along said road to Utica, then northerly along the Windham - Utica Road to its junction with the Sage Creek Road, then southerly along said road to the Lewis and Clark National Forest Boundary, then northerly along said boundary (not including those National Forest lands within The Blacktail Hills) to the Dry Wolf Creek Road, then northerly down said road to Stanford, the point of beginning.

Bear, Deer, Elk, Lion (continued)

419 - Stenford: Those portions of Judith Basin and Fergus Counties lying within the following-described boundary: Beginning at Geyser, then north on the Geyser-Geraldine Road, then down Arrow Creek to State Route 80, then south along said road to State Route 81, then easterly along said route to the west rim of the Judith River, then southwesterly up the west rim of the Judith River to U. S. Highway 87, then northwesterly along said highway to Geyser, the point of beginning.

420 - Judith River Wildlife Management Area - Sage Creek: That portion of Judith Basin County lying within the following-described boundary: Beginning at the junction of the Judith River Road and the bridge over the Middle Fork of the Judith River, then westerly along said Middle Fork of the Judith River to its confluence with Yogo Creek, then northwesterly along said creek to the Bear Gulch Road, then up said road and trail to Bear Park, then north-easterly and easterly along the Bear Park Road to the Sege Creek Road, then easterly along said road to its junction with the Windhem-Utica Road, then easterly along said road to Utica, then along the Judith River Road to the junction of said road and the Middle Fork of the Judith River, the point of beginning.

421 - Birdtail Hills: Those portions of Cascade and Lewis and Clark Counties lying within the following-described boundary: Beginning at Cascade, then west along the Missouri River to Little Prickly Pear Creek, then west along said creek to town of Wolf Creek, then north-erly along U. S. Highway 287 to State Route 200 at Bowman's Corner, then east along said route to Simms, then south along the county road to Cascade, the point of beginning.

422 - North Dearborn: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at Dry Creek and U. S. Highway 287 approximately 5.5 miles southeast of Augusta, then southeasterly along U. S. Highway 287 to State Route 200 at Bowman's Corner, then southwest along State Route 200 to the Continental Divide, then northwesterly along said divide to the head of the South Fork of the Sun River, then northwesterly down said river to Forest Service Trail 248, then easterly along said trail to U. S. Forest Service Trail 232, then southwesterly along said trail to the Crown Creek Trail (Trail 232), then easterly along said trail to Trail 244, then southeasterly along said trail to the Smith Creek trail, then north-easterly along said trail to the Smith Creek Road, then easterly along said road to F. A. S. 434, then northeasterly along said road to Augusta and U.S. Highway 287, then along said highway through Augusta and north to the Sun River, then down said river to Dry Creek, then south and west up said Creek to U. S. Highway 287, the point of beginning.

423 - South Dearborn: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at the intersection of U. S. Highway 287 and State Route 200 at Bowman's Corner, then southerly along U. S. Highway 287 to town of Wolf Creek, then south on U. S. Interstate Highway 15 to Lyons Creek, then up Lyons Creek to the Continental Divide, then northwesterly along said divide to State Route 200, then northwesterly along State Route 200 to its intersection with U. S. Highway 287, the point of beginning.

424 - Benchmark: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at the junction of Cedar Creek and Lime Reef, then south-erly and westerly along the divide between Beaver Creek and Willow Creek to Fairview Mountain, then north-erly and westerly along the divide to Renshaw Mountain, then southerly and westerly along Benchmark Creek to Straight Creek, then down Straight Creek to the South Fork of the Sun River, then southerly up the South Fork of the Sun River to U. S. Forest Service Trail 248, then easterly along said trail to U. S. Forest Service Trail 212, then southerly down said trail to U. S. Forest Service Trail 232, then easterly along said trail to U. S. Forest Service Trail 244, then easterly along said trail to the Smith Creek trail, then north-erly along said trail to the Smith Creek Road, then northwesterly along said road to F. A. S. 434, then north-erly to Augusta, then westerly along the Willow Creek Road to the U. S. Forest Service Boundary, then along said boundary to Willow Creek, then north-erly along the summit of Lime Reef to Cutrock Creek, the point of beginning.

425 - Sun River Wildlife Management Area: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at Augusta, then north and east along U. S. Highway 287 to the Sun River, then westerly along the Sun River to the U. S. Forest Service Boundary, then southerly along said boundary to Sawtooth Mountain, then along the Summit of Sawtooth Mountain to Cutrock Creek, then westerly up Cutrock Creek to Lime Reef, then south along Lime Reef to Willow Creek and the Forest Service Boundary, then along said boundary to the Willow Creek Road, then easterly along said road to Augusta, the point of beginning.

426 - Winifred: Those portions of Fergus and Judith Basin Counties lying within the following-described boundary: Beginning at Suffolk, then easterly approximately six miles to the eastern boundary of R19E, then north approximately five miles to the southern boundary of T21N, then east six miles along said boundary to the western boundary of R21E, then north 18 miles along said boundary to the Missouri River, then up said river to the mouth of Arrow Creek, then up Arrow Creek to State Route 80, then south on said route to State Route 80, then easterly along said highway to the Plum Creek County Road, then north-erly along said county road to Plum Creek, then easterly along the county road to Box Elder Creek, then southeasterly along the county road meeting Route 236 approximately three miles north of Hilger, then north along said road to Suffolk, the point of beginning.

427 - Elk Hill: Those portions of Teton County lying within the following-described boundary: Beginning at the main trail up the North Fork of the Sun River (U. S. Forest Service Trail No. 201) as it crosses Reclamation Flats, then north-erly along said trail to Arsenic Creek, then north-erly as posted to Sheep Reef, then north along the Summit of Sheep Reef to Circle Creek and the Circle Creek Trail (U. S. Forest Service Trail No. 231) within the boundary of the Bob Marshall Wilderness, then northwesterly along said trail to Cabin Creek, then down Cabin Creek to the North Fork of the Sun River, then southerly down the east bank of the North Fork of the Sun River (the eastern boundary of the Sun River Game Preserve) to its confluence with the South Fork of the Sun River, then easterly along the north bank of Gibson Lake to the main trail up the North Fork of the Sun River across Reclamation Flats, the point of beginning.

428 - Windfall Creek: Those portions of Lewis and Clark County lying within the following-described boundary: Beginning at the mouth of Straight Creek and the South Fork of the Sun River, then north-erly along the east bank of the South Fork of the Sun River to the divide immediately south and west of Windfall Creek, then easterly along said divide to the divide between Lange Creek and Bighead-Benchmark creeks, then southerly along said divide to U. S. Forest Service Trail No. 256, then southerly along said trail to Benchmark Creek, then down said trail to Straight Creek, then down Straight Creek to the South Fork of the Sun River, the point of beginning.

429 - Pilgrim Creek: Those portions of Cascade and Meagher Counties lying within the following-described boundary: Beginning at Monarch, then south on U. S. Highway 89 to the junction with Harley Creek Road, then west on Harley Creek Road to Williams Park Road, then along said road to the junction with the Logging Creek Road, then northwest along said road past the Monument Peak turnoff, then northeast and easterly along said road to U. S. Highway 89, then south along said highway to Monarch, the point of beginning.

432 - Otter Creek: Those portions of Cascade and Judith Basin counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 89 and U. S. Highway 87 at Arlingston, then southerly along U. S. Highway 89 to the Junction of Forest Service Road 437 at King's Hill, then southerly along F.S. Road 487 to Memorial Way Junction, then northwesterly along Forest Service Road 251 to the Wolf Creek Road, then northwesterly down the Dry Wolf Creek Road to U. S. Highway 87 at Stenford, then westerly along said highway to the Armington Junction, the point of beginning.

435 - Helena-South: Those portions of Lewis and Clark and Jefferson Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 12 and Interstate 15 east of Helena, then south along Interstate 15 to the Little Prickly Pear Creek and Lime Reef Divide, then westerly along said divide and the Tenmile Creek-Boulder River Divide to the Continental Divide, then north-erly along the Continental Divide to U. S. Highway 12, then east along said highway through Helena to the junction of U. S. Highway 12 and Interstate 15, the point of beginning.

439 - Sleben - East Helena: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at Wolf Creek, then easterly down Little Prickly Pear Creek to the Missouri River, then southerly up the Missouri River to the Canyon Ferry Road (State Route 284), then southwest on said road to Claysoil, then west along U. S. Highway 12 to Interstate 15, then north along Interstate 15 to State Highway 279, then northwesterly along State Highway 279 to Fleisher Pass, then north-erly along the Continental Divide to the North Fork Lyons Creek, then down said creek to Little Prickly Pear Creek, then down said creek to Wolf Creek, the point of beginning.

NOTE: Gates of the Mountains Game Preserve closed to hunting. Description on page 8.

441 - North Fork Birch Creek - Teton: Those portions of Pondera and Teton Counties lying within the following-described boundary: Beginning at Swift Reservoir Dam on the Clark's Fork Yellowstone River, then westerly along the North Fork of Birch Creek Trail 121 to Badger Pass, then southerly along the Continental Divide to Teton Pass, then southerly and easterly along the Teton Trail 114 to the Teton River Road at the West Fork Forest Service Station, then southeasterly along said road to the junction in T25N, R7W, S29, (13 miles west of junction of said road with U. S. Highway 89 on northside of Teton River), then 3 1/4 miles north and west to the junction in T25N, R8W, S14, then 3 miles north and west to the junction in T25N, R8W, S9, then north and west to the junction in T25N, R8W, S14, then northwesterly along said road to the junction in T25N, R8W, S23, then north 1 1/2 miles to the junction in T26N, R8W, S14, then 1 1/2 miles north-west to Blackfoot Canyon - South Fork of Dupuyer Creek Road Junction in T26N, R8W, S9, then north-west to the south fork of Dupuyer Creek in T27N, R9W, S36, then northeast along said creek to bridge on the county road (on southside of Dupuyer Creek at confluence of Scofield and Dupuyer Creeks) in T28N, R8W, S32, then 2 1/2 miles due north along section line between Sections 33, 32, 28, 29, 20 and 21, T28N, R8W to Swift Reservoir Road (1/4 mile southeast of Scofield Butte Road junction), then westerly on Swift Reservoir Road to Swift Reservoir Dam, the point of beginning.

442 - Sun River: Those portions of Lewis and Clark and Teton Counties lying within the following-described boundary: Beginning at the intersection of the Sun River and the Forest Service boundary below Diversion Dam, then southerly along said boundary to Sawtooth Mountain, then southerly along the summit of said mountain to Cutrock Creek, then westerly up Cutrock Creek to Lime Reef and the divide between Beaver Creek and Willow Creek, then southerly and westerly along said divide to Fairview Mountain, then north-erly and westerly along the divide to Renshaw Mountain, then north-erly along the divide between Lange Creek Drainage and the Bighead-Benchmark Creek drainages to the divide between Bighead Creek and Windfall Creek, then southerly along said divide to the east bank of the South Fork of the Sun River (the eastern border of the Sun River Game Preserve) to its confluence with the North Fork of the Sun River, then east along the north bank of Gibson Lake to the main trail up the North Fork of the Sun River (U. S. Forest Service Trail No. 201), then north-erly along said trail to Arsenic Creek, then as posted to Sheep Reef, then north-erly along the summit of Sheep Reef to Circle Creek and the Circle Creek Trail (U. S. Forest Service Trail No. 231), then northwesterly along said trail to Cabin Creek, then down Cabin Creek to the North Fork of the Sun River, then up the North Fork of the Sun River to the Forest Service Boundary, then north-erly along the Continental Divide to Teton Pass, then southerly along the West Fork of the Teton Trail (U. S. Forest Service Trail No. 114) to the Teton River Road, then southeasterly along the Teton River Road to the Ear Mountain Road turnoff, then southerly along said road to the Belview Road, then easterly along the Bellview Road to the Deep Creek Road, then southerly along the Deep Creek Road to Deep Creek, then up Battle Creek Road to the first road turning in a southerly and easterly direction to the bridge on the Pishkun Supply Canal, (two miles east of the Pishkun Reservoir), then in a westerly direction along the Pishkun Supply Canal Road to the bridge over the Sun River below Diversion Dam, then along the Sun River to the U. S. Forest Service boundary, the point of beginning.

443 - Helena-North: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at Fleisher Pass, then southerly along State Highway 279 to Interstate 15, then southerly along Interstate 15 to U. S. Highway 12, then west along U. S. Highway 12 to the Continental Divide, then north-erly along the Continental Divide to Fleisher Pass, the point of beginning.

NOTE: Green Meadow Game Preserve closed to hunting. Description on page 8.

444 - Lower Sun River: Those portions of Cascade, Lewis and Clark and Teton Counties lying within the following-described boundary: Beginning at Simms, Montana, then north along the county road to U. S. Highway 89, then westerly along said highway to Choteau and State Route 287, then southerly along said route to the Sun River, then down said river to Dry Creek, then south and west up Dry Creek to State Route 287, then southerly along said route to Bowman's Corner and State Route 200, then easterly along said route to Simms, the point of beginning.

NOTE: Augusta Game Preserve closed to hunting except as designated under hunting regulations. See page 8 for boundary description.

445 - Hound Creek: Those portions of Cascade, Lewis and Clark, and Meagher Counties lying within the following-described boundary: Beginning at Cascade, then easterly along F.A.S. 330 to the Smith River, then southerly up said river to Rock Creek, then up said creek to the Millegan-Fort Logan Road, then north-erly on said road to Freeman Creek, then westerly on said creek to the forks, then westerly on the North Fork of Freeman Creek to the Beaver-Hound Creek Divide, then westerly on said divide to the head of Beaver Creek, then southwesterly down said creek to the Marten-Hump Cabin Road, then north-erly along said road to the Beartooth Wildlife Management Area boundary fence, then north and west along said fence to Holter Lake, then down Holter Lake and the Missouri River to Cascade, the point of beginning.

446 - Big Belts-Northeast: Those portions of Cascade, Meagher and Broadwater Counties lying within the following-described boundary: Beginning at White Sulphur Springs, then southerly on U. S. Highway 12 and 89 to the junction of said highways, then westerly on U. S. Highway 12 to the East Fork Cabin Gulch Road (U.S.F.S. Road 423), then north-erly and easterly along said road to the Edith Lake Trail 152, then up said trail to the Broadwater-Meagher County line (Big Belt Divide), then north-erly along said line to the Lewis and Clark County line, then along the Lewis and Clark-Meagher County line to the Beaver Creek-Hound Creek Divide, then easterly along said divide to the North Fork of Freeman Creek, then down said creek to the forks, then down the main Freeman Creek to the Millegan-Fort Logan Road, then southerly and easterly on said road to White Sulphur Springs, the point of beginning.

447 - Belt-Square Butte: Those portions of Cascade, Chouteau and Judith Basin Counties lying within the following-described boundary: Beginning at Geyser, then northwesterly along U. S. Highway 87 to Belt Creek, then north-erly down Belt Creek to the Milwaukee Railroad right-of-way, then north-erly and easterly along said right-of-way to State Route 80 at Geraldine, then southeasterly along said route to Arrow Creek, then southwesterly up Arrow Creek to the Geyser-Geraldine Road, then south along said road to Geyser, the point of beginning.

448 - Little Belt Mountains-East Central: Those portions of Cascade, Judith Basin and Meagher Counties lying within the following-described boundary: Beginning at Kings Hill on U. S. Highway 89, then southerly on said highway to the Deadman Creek-Hoover Springs-South Fork Judith River Road, then southeasterly on said road to its junction with the Spring Creek-Whitetail Cabin-South Fork Judith River Road (at mouth of Corral Creek), then southerly on said road to its intersection with the Willow Park Road, then easterly along said road to its intersection with Forest Service Trail 603, then easterly along said trail to the Mount High Lookout Tower, then easterly along the Mount High-Jellison Guard Station Road to a permanent boundary marker on the Mount High Lookout Tower, then north-erly along said road to the Lewis and Clark-Meagher County line, then north-erly along the Wheatland-Judith Basin County line to the Lewis and Clark National Forest boundary, then northwesterly along said boundary to its junction with the Judith River Road, then north-erly along said road to the bridge over the Middle Fork Judith River, then westerly along said Middle Fork Judith River to its confluence with Yogo Creek, then northwesterly along said creek to the Bear Gulch Road, then along said road and trail to Bear Park, then northwesterly along the Bear Park Road to the Sage Creek Road, then easterly along said road to its junction with the Lewis and Clark National Forest boundary, then north-erly along said boundary (including those National Forest lands within the Blacktail Hills) to its junction with the Dry Wolf Creek Road and Forest Service Road 251, then southwesterly along Forest Service Road 251 to Memorial Way Junction, then northwesterly along Forest Service Road 437 to U. S. Highway 89 at Kings Hill, the point of beginning.

449 - Castle Mountains-East: That portion of Meagher County lying within the following-described boundary: Beginning at the intersection of U. S. Highway 12 and Route 294 north of Martinsdale, then southwesterly along said route to its junction with the Four Mile-Castle Town Road, near Lennep, then northwesterly along said road to its junction with U. S. Highway 12, then easterly along said highway to its intersection with Route 294, the point of beginning.

450 - Choteau: That portion of Teton County lying within the following-described boundary: Beginning at Choteau then westerly along U. S. Highway 89 to its junction with the Teton River, then southerly along said road to its junction with the Bellview School Road, then southerly along said road to the Deep Creek Road, then southerly along said road to Deep Creek and the old Battle Creek Road, then southwesterly along said road to Battle Creek, then southeasterly to the bridge across the Pishkun Canal, two miles west of Pishkun Reservoir, then westerly along the Canal Road to the bridge over the Sun River, then down the Sun River to the bridge on U. S. Highway 287, then north-erly on U. S. Highway 287, to Choteau, the point of beginning.

452 - Castle Mounleine-West: That portion of Meagher County lying within the following-described boundary: Beginning at the intersection of U. S. Highways 89 and 12 northeast of White Sulphur Springs, then easterly on U. S. Highway 12 to its intersection with the Four Mile-Castle Town Road, then southeasterly on said road to its junction with Route 284 near Lennep, then southwesterly along said route to its intersection with U. S. Highway 89 north of Ringling, then north-erly along said highway through White Sulphur Springs to its intersection with U. S. Highway 12, the point of beginning.

454 - Little Belt Mountains-Southeast: Those portions of Meagher and Judith Basin Counties lying within the following-described boundary: Beginning at the junction of U. S. Highways 89 and 12 east of White Sulphur Springs, then east along U. S. Highway 12 to the Spring Creek-Whitetail Cabin Road, then north-erly along said road to the junction with the South Fork of the Judith River-Hoover Springs-Deadman Creek Road, then northwesterly along said road to U. S. Highway 89, then southerly on said highway to the U. S. Highways 89 and 12 junction, the point of beginning.

455 - Beartooth Wildlife Management Area-Gates of the Mountains Wilderness Area: Those portions of Cascade and Lewis and Clark Counties lying within the following-described boundary: Beginning at the mouth of Beaver Creek, then north-erly up said creek to the Marten-Hump Cabin Road, then north-erly along said road to the Beartooth Game Range boundary fence, then north and west along said boundary fence to Holter Lake, then southerly up Holter Lake and the Missouri River to the mouth of Beaver Creek, the point of beginning.

NOTE: Gates of the Mountains Game Preserve closed to hunting. Boundary description on page 8.

471 - Geraldine: Those portions of Chouteau and Fergus Counties lying within the following-described boundary: Beginning at the Missouri River at Fort Benton, then north-erly and easterly down the Missouri river to the mouth of Arrow Creek, then southerly and westerly up Arrow creek to State Route 80, then northwesterly along said route to the Missouri River at Fort Benton, the point of beginning.

500 - Helistone - Pelind Robe: Those portions of Golden Valley, Stillwater, Sweet Grass, Wheatland and Yellowstone Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 306 to Rappelle, then west approximately 18 miles on the Gibson Road to its junction with the South Shawmut Road, also signed as 12E116S, then north along the South Shawmut Road to Shawmut, then east along Highway 12 to Lavina, then south along Highway 30 to Billings, then west along Interstate 90 to Columbus, the point of beginning.

502 - Crow Line: Those portions of Carbon and Yellowstone Counties lying within the following-described boundary: Beginning at Billings, then southeasterly along the Old Hardin Road (old Highway 87) to the Crow Reservation Boundary, then southwesterly along said boundary to Bowler-Sage Creek Road, then westerly and southerly along said road to the Bowler-Bridger Road, then northwesterly along said road to its junction with Highway 310, then northwesterly along said highway to its junction with the Dry Lodge south of Bridger, then southerly along said road to the Mile Road, then westerly along Route 308 to Red Lodge, then north-erly and easterly along U. S. Highway 212 to Laurel, then easterly along Interstate 90 to Billings, the point of beginning.

510 - Pryor Mountains: That portion of Carbon County lying within the following-described boundary: Beginning at Beltry, then south along Highway 72 to its junction with the Clark's Fork Yellowstone River, then south along the east bank of said river to the Wyoming State Line, then east along the state line to Big Horn Lake (Yellowtail Reservoir), then northeast along the west shore of Big Horn Lake to the Carbon County - Big Horn County line, then west along said county line to the Bowler - Sage Creek Road, then west and south along said road to the Bowler - Bridger Road, then west and north along said road to Highway 310, then north-erly along Highway 310 to Highway 72 south of Bridger, then south along Highway 72 to Beltry, the point of beginning.

511 - South Big Snowy Mountains: Those portions of Wheatland, Fergus, and Golden Valley Counties lying within the following-described boundary: Beginning at Harlowton, then north-erly along U. S. Highway 191 to its junction with Meadow Creek near Garnell, then northeast-erly along Meadow Creek to the Snowy Mountain Divide, then easterly along said divide to its intersection with the Red Hill Road, then southerly along said road to Ryegate and Highway 12, then westerly along Highway 12 to Harlowton, the point of beginning.

520 - Beertooth Face: Those portions of Carbon, Stillwater and Sweet Grass Counties lying within the following-described boundary: Beginning at the mouth of Spring Creek, then west up Spring Creek to the Spring Creek-Bridger Creek Divide, then west along the Bridger Creek Divide to the Gallatin-Custer National Forest Boundary, then south along said boundary to the Park County Line, then east along the Park County Line to a point one-half mile north of Grenite Peak, then south to Grenite Peak on the Gallatin-Custer Forest Boundary, then south along said boundary to the Montana-Wyoming State Line, then east along the state line to the east bank of the Clark's Fork Yellowstone River, then north along Highway 306 to Red Lodge, then north-west along Highway 78 to the Fishtail-West Rosebud Road, then southwest along said road to the Fiddler Creek (Bedford School) Road, then west along the Bedford School Road to Highway 419, then west along Highway 419 to the Main Stem Stillwater River, then northeast down the Stillwater River to the mouth of Spring Creek, the point of beginning.

530 - Little Snowies - Flatwallow Creek: Those portions of Fergus, Golden Valley, Musselshell and Petroleum Counties lying within the following-described boundary: Beginning at Ryegate, then north along the Ryegate - Red Hill Road to the Snowy Mountain Divide, then Creek, then east along said divide to the head of Durfee Creek, then down Durfee Creek to Flatwallow Winnett, then east along Highway 200 to the Musselshell River, then south along the Musselshell river to Highway 12, then west along Highway 12 to Ryegate, the point of beginning.

540 - South Little Belt Mountains: Those portions of Meagher and Wheatland Counties lying within the following-described boundary: Beginning at Harlowton, then westerly along U. S. Highway 12 to Spring Creek-Whitetail Cabin Road, then north-erly along said road to its intersection with the Willow Park Road, then easterly along said road to its intersection with Forest Service Trail 603, then easterly along said trail to the Mt. High Lookout Tower, then easterly along the Mt. High Lookout-Jellison Guard Station Road to a permanent boundary marker on the Mt. High Lookout-Jellison Guard Station Road, then northeasterly along the Wheatland County line to U. S. Highway 191, then southerly along said highway to Harlowton, the point of beginning.

560 - Boulder River - Deer Creeks: Those portions of Park and Sweet Grass Counties lying within the following-described boundary: Beginning at Big Timber, then east along Interstate 90 to the Bridger - Spring Creek Road, then south along said road to the Bridger Creek - Spring Creek Divide, then southwest along said divide to the Gallatin - Custer National Forest Boundary, then east along said divide to the Slough Creek - East Fork Boulder Divide near Columbine Pass, then southwest along said divide and northwest along the Boulder River - Buffalo Fork Divide through Boulder Pass, then northwest along the Boulder River - Hellroaring Creek Divide past Crow Mountain, then north and west along the Boulder River - Mill Creek Divide to Mt. Cowan, then north along the Yellowstone River - West Boulder River Divide to Elephant Head Mountain, then north down Mission Creek to the Yellowstone River,

then east down said river to Highway 191, then south along Highway 191 to Interstate 90 at Big Timber, the point of beginning.

570 - Sweet Grass: Those portions of Golden Valley, Stillwater, Sweet Grass and Wheatland Counties, lying within the following-described boundary: Beginning at Harlowton, then east along Highway 12 to Shawmut, then south along the South Shawmut Road, also signed as 12E116S, to the Gibson Road, then east along the Gibson Road (approximately 18 miles) to Rappelle, then south along Highway 306 to Columbus, then east along Interstate 90 to Big Timber, then north along Highway 191 to Harlowton, the point of beginning.

575 - Absereke: Those portions of Carbon, Stillwater, Sweet Grass and Yellowstone Counties lying within the following-described boundary: Beginning at Laurel, then south along Highway 212 to Red Lodge, then north-west along Highway 78 to the Fishtail - West Rosebud Road, then southwest along said road to the Fiddler Creek (Bedford School) Road, then west along the Bedford School Road to Highway 419, then west along Highway 419 to the Main Stem Stillwater River, then northeast down the Stillwater River to the mouth of Spring Creek - Bridger Creek Divide, then north along said divide to the Bridger Creek - Spring Creek Road, then north along said road to Interstate 90, then east along Interstate 90 to Laurel, the point of beginning.

580 - East Slope Crazy Mountains: Those portions of Meagher, Park, Sweetgrass and Wheatland Counties lying within the following-described boundary: Beginning at the junction of Sixteenmile Creek and Highway 89 at Ringling, then north along Highway 89 to Highway 294, then east along Highway 294 to Highway 12, then east along Highway 12 to Harlowton, then south along Highway 191 to the north bank of the Yellowstone River, then west up the north bank of the Yellowstone River to Duck Creek, then north up Duck Creek to the West Fork of Duck Creek, then north-west up said creek to the Crazy Mountain Divide near Fairview Peak, then north and west along said divide to the head of Sixteenmile Creek, then west along Sixteenmile Creek to Highway 89, the point of beginning.

590 - Bull Mountains - Pine Ridge: Those portions of Big Horn, Golden Valley, Musselshell and Yellowstone Counties lying within the following-described boundary: Beginning at Billings then north along Highway 3 to Lavina, then east along Highway 12 to Melstone, then east along the Meigs said highway to the Milk River Bridge at the Fort Belknap Indian Agency, then south along Highway 47 to Interstate 90 at Hardin, then east along Interstate 90 to the Crow Indian Reservation Boundary, then west along the Crow Reservation boundary to the Old Hardin Road (Old Highway 87) at the northwest corner of the reservation, then northwest along the Old Hardin Road to Billings, the point of beginning.

600 - North Hill-North Blaine: Those portions of Hill and Blaine Counties lying within the following-described boundary: Beginning at a point where the Harlem-Turner Road (Route 241) joins the Canadian line, then westerly along said line to State Route 233, then southerly along said route to Highway 2 at Havre, then easterly along said highway to Route 241 at Harlem, then north-erly along said route to the Canadian line, the point of beginning.

610 - Hill-Chouteau-Liberty: Those portions of Hill, Choteau and Liberty Counties lying within the following-described boundary: Beginning at Chester, then south along Route 223 to the Marias River, then east and south along said river to U. S. Highway 87 at Loma, then northeast along said highway to U. S. Highway 2, then west along said highway to Chester, the point of beginning.

NOTE: Brinkman Game Preserve closed to hunting except by permit. See H.D. 400 - Special Deer Regulations. Boundary description on page 8.

611 - North Phillips: Those portions of Blaine and Phillips Counties lying within the following-described boundary: Beginning at a point where the Harlem-Turner Road (Route 241) joins the Canadian Line, then south along said boundary to U. S. Highway 2 at Harlem, then east and south along said route to the Milk River Bridge at the Fort Belknap Indian Agency, then east down the Milk River to the Milk River Bridge on U. S. Highway 2 west of Dodson, then east along said highway to the town of Dodson, then south of Dodson to the South Dodson-Wagner Road, then in an easterly direction along said road to U. S. Highway 191 south of Malta, then in a north-erly direction along said highway to its intersection with U. S. Highway 2 at Malta, then east along said highway to the Milk River Bridge east of Hinsdale, then up the Milk River to Whitewater Creek, then up Whitewater Creek and the west fork of Whitewater Creek to the point where the Malta-Loring road crosses said creek, then north along said road to the Canadian Line, then west along said line to the Harlem-Turner Road, the point of beginning.

NOTE: A portion of the Milk River Game Management Area, as posted, may be open to the hunting of deer as designated under hunting regulations.

612 - North Hill: Those portions of Hill and Liberty Counties lying within the following-described boundary: Beginning on a point where State Route 233 joins the Canadian Line (near Port of William Creek), then westerly along said line to the county road west of the Hill-Liberty County Line, then southerly along said county road to Highway 2 at Joplin, then easterly along said highway to State Route 233 at Havre, then north-erly along said highway to the Canadian Line, the point of beginning.

NOTE: The Rookery Recreation Area, as posted, may be open to the hunting of deer as designated under hunting regulations.

620 - South Phillips: Those portions of Phillips County lying within the following-described boundary: Beginning at a point west of Dodson where U. S. Highway 2 crosses the east boundary of the Fort Belknap Indian Reservation, then in a southerly direction along said boundary to the southeast corner of the Belknap Reservation, then westerly along the south boundary of said reservation to U. S. Highway 191, then southerly along said highway to the Dry Fork Road, then easterly along said road to the Second Creek School, then north and easterly to First Creek Hall, then southeasterly to the Sun Prairie Road, then north-erly along said road to the Content Road, then north-erly along said road to State Road 2028 (as posted), then easterly along said road to the old Thurman Ranch Road (as posted), then north-erly along said road to Road 2053 (as posted), then northwesterly along said road to the Beaver Creek Road, then north-erly along said road to the Bowdoin Road, then north-erly along said road to U. S. Highway 2, then westerly along said highway to its intersection with U. S. Highway 191 at Melte, then southerly along said highway to the South Dodson-Wagner Road, then westerly along said road to U. S. Highway 2 at Dodson, then westerly along said highway to the Fort Belknap Indian Reservation boundary the point of beginning.

NOTE: Bowdoin National Wildlife Refuge closed to big game hunting. Milk River Wildlife Management Area open to hunting with shotguns or bow and arrow only as described under current hunting regulations.

621 - Upper Missouri Breaks-West: That portion of Phillips County lying within the following-described boundary: Beginning where the U. S. Highway 191 and the Manning Corral-Nichols Coulee Roads intersect, then southerly along the Manning Corral-Nichols Coulee Road to the diversion of the two roads, then down the Manning Corral Road to the C.M.R. Boundary and the continuation of the Manning Corral Road to the C.M.R. Road 202, then southeasterly along said road to the intersection of C.M.R. Road 203, then southeasterly along said road (C.M.R. 203) to its intersection with 201, then southeasterly along said road to Sevenmile Creek, then southerly to the Fort Peck Reservoir and the Missouri River, then westerly along said reservoir and river to the C.M.R. Boundary, then easterly along said boundary to U. S. Highway 191, then north-erly along said highway to State Road 376, then easterly along Highway 376 to the Fort Belknap Indian Reservation boundary, then easterly along said boundary to Highway 191, then southwest along said highway to its intersection with the Manning Corral-Nichols Coulee Road, the point of beginning.

NOTE: Closed to all hunting, the following-described area: Slippery Ann Station, Section 36, Township 22 North, Range 24 East and Section 31, Township 22 North, Range 25 East, as posted.

622 - Middle Missouri Breaks: Those portions of Valley and Phillips Counties lying within the following-described boundary: Beginning at the mouth of Timber Creek on Fort Peck Reservoir, then north up Timber Creek to the Bill Anderson Ranch, then north along the Saco-Bill Anderson Road to the Larb Creek-Content Road, then northwesterly along said road to the Content Road, then southerly along said road to the Sun Prairie Road, then southerly along said road to First Creek Hall Road, then northwesterly along said road to First Creek Hall, then westerly along said road to the Mile Road, then southerly along said road to the C.M.R. Boundary Road 212, easterly along Road 212 to Road 201, then southerly along said road to Road 219, then southwesterly along said road to Fort Peck Reservoir, then easterly along said reservoir to the mouth of Timber Creek, the point of beginning.

623 - Upper Missouri Breaks-East: That portion of Phillips County lying within the following-described boundary: Beginning where the Dry Fork Road intersects U. S. Highway 191, then easterly along the Dry Fork Road to the Midale Road, then south along said road to the U. L. Bend Access Road, C.M.R. 212, then southeasterly along said road to Road 201, then easterly to Road 219, then southwesterly along said road to the Fort Peck Reservoir, then westerly along said reservoir to the mouth of Sevenmile Creek, then north-erly up said creek to the C.M.R. Road 201, then northwesterly along said road (C.M.R. 201), to its junction with C.M.R. Road 203, then northwesterly along said road (C.M.R. 203) to its intersection with C.M.R. Road 202, then northwesterly along said road to the C.M.R. Boundary and its continuation into the Manning Corral-Nichols Coulee Road, then north-erly along said road to the intersection of U. S. Highway 191 and the Dry Fork Road, the point of beginning.

629 - Larb Creek-West: Those portions of Phillips and Valley Counties lying within the following-described boundary: Beginning at the junction of the Bowdoin Road and U. S. Highway 2, then in a southerly direction along said road to the Beaver Creek Road, then southerly along said road to Road 2053 (as posted), then southeasterly along said road to the old Thurman Ranch Road (as posted), then southerly along said road to Road 2028 (as posted), then westerly along said road to the Content Road, then southerly along said road to the Content-Larb Creek Road and easterly along said road to the Larb Creek Road, then north-erly along said road to U. S. Highway 2 at Loma, then westerly along said road to the junction with the Bowdoin Road, the point of beginning.

630 - South Valley: Those portions of Valley County lying within the following-described boundary: Beginning where Montana Highway 2 and Petroleum Creek intersect, then south along Porcupine Creek to the Milk River, then southerly along the Milk River to the Missouri River, then southwesterly along the Missouri River to Fort Peck Dam and Montana Route 24, then northwesterly along Route 24 to its intersection with the Willow Creek Road, then southwesterly along said road to the Ridge Road (the county road connecting the Willow Creek Road with the Triple Crossing Road), then north along said road to the Triple Crossing Road, then east approximately one mile along said road to the Bureau of Land Management Road (Ridge Road) that connects the Triple Crossing Road to the Bentonite Road, then northeast-erly along said road to the Bentonite Plant-Hinsdale Road, then north-erly along said road to Hinsdale on Montana Highway 2, then southeasterly along Highway 2 to its intersection with Porcupine Creek, the point of beginning.

631 - Lower Missouri Breaks-West: That portion of Valley County lying within the following-described boundary: Beginning at the junction of the Triple Crossing-Saco-Bill Anderson Road,

Bear, Deer, Elk, Lion (continued)

633 - Lerb Creek East: Those portions of Valley and Phillips Counties lying within the following-described boundary: Beginning at Saco on Montana Highway 2, then easterly along Highway 2 to Hinsdale, then southerly along the Hinsdale-Bentonite Road to the Bentonite Plant, then southerly along the Bureau of Land Management Road (Ridge Road) that connects the Bentonite Road to the Triple Crossing Road intersection with the Triple Crossing Road, then southerly along the Triple Crossing Road to the Lerb Creek Road, then northerly along said road to Saco and Montana Highway 2, the point of beginning.

640 - North Valley-Daniels-Sheridan: Those portions of Valley, Daniels and Sheridan Counties lying within the following-described boundary: Beginning at a point where Montana Highway 24 joins the Canadian Border, then south along said highway to the Fort Peck Indian Reservation boundary, then east along said boundary to the Big Muddy Creek, then southerly along said boundary to the town of Reserve and F.A.S. 258, then easterly along said highway to the North Dakota border, then north along said border to the Canadian border, then westerly along said border to Route 247, the point of beginning.

641 - Sheridan-Roosevelt: Those portions of Sheridan and Roosevelt Counties lying within the following-described boundary: Beginning at the town of Reserve on Big Muddy Creek, then southerly along said creek to the Missouri River, then east along said river to State Route 16, then north along said route to U.S. Highway 2 at Culbertson, then east along said highway to the North Dakota border, then north along said border to F.A.S. 258, then west along said highway to Reserve, the point of beginning.

650 - McCone: Those portions of McCone and Garfield Counties lying within the following-described boundary: Beginning at Circle, then northerly along State Route 13 to the south boundary of the Fort Peck Indian Reservation, then westerly along said boundary to the mouth of the Milk River, then westerly along the Missouri River to the Fort Peck Dam, then southerly along the east shore of Fort Peck Reservoir to Big Dry Creek, then southerly along said creek to Little Dry Creek, then southerly along said creek to State Route 200, then easterly along said route to Circle, the point of beginning.

NOTE: That portion of the C. M. Russell National Wildlife Refuge lying between the Fort Peck Powerhouse and the spillway shall be closed as posted to the hunting of big game

651 - Redwater: Those portions of Dawson, McCone, Richland and Roosevelt Counties lying within the following-described boundary: Beginning at the junction of State Route 200 and State Route 13 near Circle, then north along State Route 13 to the Missouri River Bridge near Wolf Point, then east down the Missouri River to the Missouri River Bridge on State Route 16 near Culbertson, then north on State Route 16 to U.S. Highway 2, then east along Highway 2 to the Montana-North Dakota state line, then south along the state line to State Highway 200 at Fairview, then southwest and westerly along State Route 200 to State Route 13 near Circle, the point of beginning.

670 - Buggy-Cherry Creeks: Those portions of Valley County lying within the following-described boundary: Beginning at a point where Montana Highway 2 and Porcupine Creek near Nashua intersect, then northerly up Porcupine Creek to the west fork of said creek, then up the west fork of Porcupine Creek to the northwest corner of the Fort Peck Indian Reservation, then easterly along the boundary to Montana Highway 24, then north approximately two miles along said highway to the Theo Beck-Bob Westland Road, then westerly along said road to the Westland Camp, then southerly along the Bureau of Land Management Road that passes the following reservoirs (Impulse Reservoir, Trapper Reservoir, VR-47 Reservoir) to the U.S. Highway 2-Britton Road, then southerly along said road to Montana Highway 2, then easterly along Montana Highway 2 to its intersection with Porcupine Creek, the point of beginning.

215 - East Deer Lodge: That portion of Powell County lying within the following-described boundary: Beginning at Deer Lodge, then easterly along Cottonwood Creek to the Continental Divide, then southerly along the Continental Divide to the Powell County line intersection; then westerly along said county line to the Clark Fork River, then northerly along said river to Deer Lodge, the point of beginning.

300 - Medicine Lodge-Upper Horse Prairie: That portion of Beaverhead County lying within the following-described boundary: Beginning at Clark Canyon Dam, then westerly along Route 324 to the Trail Creek-Lemhi Pass Road, then westerly along said road to the Montana-Idaho State Line, then southerly and easterly along said state line to the Pine Creek-W.F. Little Sheep Creek Divide northeast of Bannack Pass (Medicine Lodge Pass), then northerly down said divide to the head end of Four Eyes Canyon, then northerly down said canyon to its junction with the Big Sheep Creek County Road, then easterly and northerly along said road to U.S. Highway 91 (U.S. Interstate 15), then northerly along said highway to Clark Canyon Dam, the point of beginning.

301 - Lime Peaks: That portion of Beaverhead County lying within the following-described boundary: Beginning at Dell, then southeasterly along U.S. Highway 91 (U.S. Interstate Highway 15) to the Montana-Idaho State Line, then southerly and westerly along said state line to the Pine Creek-W.F. Little Sheep Creek Divide northwest of Bannack Pass (Medicine Lodge Pass), then northerly down said divide to the head end of Four Eyes Canyon, then northerly down said canyon to its junction with the Big Sheep Creek County Road, then easterly and northerly along said road to U.S. Highway 91 (U.S. Interstate Highway 15) at Dell, the point of beginning.

310 - Pioneers: Those portions of Beaverhead, Silver Bow and Madison Counties lying within the following-described boundary: Beginning at the junction of the Grasshopper-Wise River Road with Route 278, then southerly along said road to State Route 43, then easterly along said route to Interstate 15, then southerly along said highway to the point directly opposite the confluence of Grasshopper Creek with the Beaverhead River, then westerly along Grasshopper Creek to the Bannack-Grant Road, then northerly along said road to Route 278, then westerly along said route to the junction of the Grasshopper-Wise River Road, the point of beginning.

311 - Lower Gallatin-Madison-Horseshoe Hills: Those portions of Madison, Park, Gallatin, Jefferson, and Broadwater Counties lying within the following-described boundary: Beginning at the mouth of Sixteenmile Creek, then easterly up said creek to the Middle Fork of Sixteenmile Creek, then easterly up said Middle Fork to the South Fork of Sixteenmile Creek, then southerly up said South Fork to the Bridger Mountain Divide near Flathead Pass, then southerly along said divide to Ross Peak, then easterly and southerly along the Yellowstone-Gallatin Divide including Bangtail Ridge, Bozeman Pass and Hyalite Peak to Eaglehead Mountain, then in a westerly and northerly direction along the Portal-Porcupine and Levisville-Porcupine Creeks Divide to the West Gallatin River near the mouth of West Fork, then south up the Gallatin to Buck Creek, then up Buck Creek to the Madison-Gallatin Divide, then northerly along said divide and the Madison-Cherry Creek Divide to the head of Trail Creek near Red Knob Mountain, then down Trail Creek to the Madison River, then northerly down said river to Route 285, then southerly along said route to U.S. Highway 287, then southerly along said highway to North Meadow Creek, then westerly up said creek to Mount Bradley and the Madison-Ruby Divide, then northerly along said divide and the Jefferson-Ruby Divide to Noble Peak and the head of the South Boulder River, then northerly and easterly down the South Boulder River to Route 359, then northerly along said route to U.S. Highway 10, then easterly along said highway to the Jefferson River near Three Forks Junction, then northerly and easterly down said river to the Missouri River, then northerly down said river to Sixteenmile Creek, the point of beginning.

Jefferson River Closed Area: Closed to antelope hunting. Boundary description on page 8.

318 - Big Hole: Those portions of Beaverhead and Deer Lodge Counties lying within the following-described boundary: Beginning at the town of Wise River, then southerly along the Wise River-Grasshopper Creek Road to its junction with State Route 278, then westerly and northerly along said highway to its junction with State Route 43 at Wisdom, then westerly along said highway to the Continental Divide at the Big Horn Mountains, then northerly along said divide to its junction with Route 274, then southerly along said route to its junction with State Route 43, then easterly along said route to Wise River, the point of beginning.

319 - Fleece-High Eye: Those portions of Silver Bow and Deer Lodge Counties lying within the following-described boundary: Beginning at the junction of U.S. Highway 10 and 91 west of Butte, then southerly along said U.S. Highway 91 to State Route 43, then westerly along said route to Route 274, then northerly along said route to U.S. Highway 10A, then easterly along said highway to U.S. Highway 10, then easterly along said highway to U.S. Highway 91, the point of beginning.

320 - Tobacco Roots: Those portions of Madison, Jefferson, and Silver Bow Counties lying within the following-described boundary: Beginning at Virginia City, then northerly along State Route 287 to U.S. Highway 10, then easterly along said highway to State Route 359, then southerly along said route to the South Boulder River, then westerly up said river to Noble Peak and the Jefferson-Ruby Divide, then southerly along said divide and the Madison-Ruby Divide to State Route 287, then westerly along said route to Virginia City, the point of beginning.

321 - Ruby-Blacktail: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at Dillon and State Route 41, then northerly along said route to Route 287, then southeasterly along said route to Virginia City and Alder Gulch, then southerly up said gulch to Baldy Mountain and the Ruby-Madison Divide, then southeasterly along said divide to the Gravelly Range Road, then southerly along said road and the Eureka Basin-Ruby Road to the Centennial-Ruby Divide, then westerly along said divide and continuing northerly along the Centennial-Blacktail and Sage Creek Blacktail Divides to the head of Clark Canyon, then westerly down said canyon to Interstate Highway 15 (U.S. Highway 91), then northerly along said highway to State Route 41 at Dillon, the point of beginning.

329 - Bachelor Mountain: Those portions of Beaverhead County lying within the following-described boundary: Beginning at Clark Canyon Dam, then westerly along Route 324 to the Trail Creek-Lemhi Pass Road, then westerly along said road to the Montana-Idaho State Line, then northerly along said state line to the Bloody Dick-Big Hole Divide then easterly along said divide to the Skinner Meadows-Jackson Road, then northerly along said road to Route 278, then easterly along said route to the Bannack-Grant Road, then southerly along said road to Grasshopper Creek, then easterly along said creek to U.S. Highway 91 (U.S. Interstate Highway 15), then southerly along said highway to Clark Canyon Dam, the point of beginning.

330 - Centennial-Sage-Missouri-Flets: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at the Madison-Gallatin County Line on the south shore of Quake Lake, then southerly along said county line to the Montana-Idaho State Line, then southerly and westerly along said state line to U.S. Interstate Highway 15 (U.S. Highway 91), then northerly along said highway to Clark Canyon, then easterly up said canyon to the Sage Creek-Blacktail Divide, then southeasterly along said divide and continuing easterly along the Centennial-Blacktail and Centennial-Ruby Divides to the head of the West Fork of the Madison River, then easterly and northerly down said West Fork to the Madison River, then easterly up said river to the South shore of Quake Lake and the Madison-Gallatin County Line, the point of beginning.

NOTE: The Red Rock Lakes National Wildlife Refuge is not closed to antelope hunting by the Montana Fish and Game Commission, however, portions of the refuge may be closed to trespass by the Fish and Wildlife Service, U.S. Department of Interior. Hunters are asked to check with the Refuge Manager before hunting on the refuge.

671 - Frenchman-Whitewater Creeks: Those portions of Valley and Phillips Counties lying within the following-described boundary: Beginning where Montana Route 242 and the U.S.-Canadian Line intersect, then easterly along the U.S.-Canadian boundary to where the Thoeny-Bergtoll Ranch Road, west of Rock Creek, intersects the U.S.-Canadian Line, then south along said road to its intersection with the Ophelm-Thoeny Road, then southerly along said road to the Snake Creek School and the Hinsdale-North Road, then south along the Hinsdale-North Road to the Milk River, then northerly along the Milk River to its intersection with Whitewater Creek, then northerly along Whitewater Creek to its intersection with Montana Route 242, then north along Route 242 to the U.S.-Canadian Line, the point of beginning.

672 - Rock Creek: Those portions of Valley County lying within the following-described boundary: Beginning where the U.S.-Canadian Line and Montana Highway 24 intersect north of Ophelm, then southerly along Montana Highway 24 to the Theo Beck-Bob Westland Road approximately two miles north of the Fort Peck Indian Reservation, then westerly along said road to the Westland Camp, then southerly along the Bureau of Land Management Road that passes the following reservoirs (Impulse Reservoir, Trapper Reservoir, VR-47 Reservoir) to the Montana Highway 2-Britton Road, then southerly along said road to Montana Highway 2, then westerly along Montana Highway 2 to Hinsdale, then north along the Hinsdale North Road to the Snake Creek School, then northerly along the Thoeny-Ophelm Road to Thoeny, then north along the Thoeny-Bergtoll Ranch Road on the westside of Rock Creek to the U.S.-Canadian Line, then easterly along the U.S.-Canadian Line to Montana Highway 24, the point of beginning.

680 - Chouteau-Blaine-Phillips: Those portions of Chouteau, Blaine and Phillips Counties lying within the following-described boundary: Beginning at U.S. Highway 87 and the Marias River at Loma, then east along said river to the Missouri River, then east along said river to the Charles M. Russell National Wildlife Refuge boundary, then east along the northern boundary to U.S. Highway 191, then northerly along said route to Highway 376, then north along said highway to the Fort Belknap Indian Reservation, then west and north along said boundary to Little Suction Creek, then north west along said creek to Suction Creek, then west along said creek to Cow Creek, then northwest along said creek to the Lloyd Road, then south along said road to the Cow Island Trail, then northwest along said trail to Route 236, then north on said route to U.S. Highway 87 at Big Sandy, then southwest along said highway to the Marias River at Loma, the point of beginning.

690 - Hill-Blaine-Chouteau: Those portions of Hill, Blaine and Chouteau Counties lying within the following-described boundary: Beginning at Havre, then west along U.S. Highway 2 to the junction with U.S. Highway 87, then southwest along said highway to the junction with Route 236 at Big Sandy, then southeast along said route to Highway 376, then north along said highway to the Fort Belknap Indian Reservation, then west and north along said boundary to Little Suction Creek, then northeast along said creek to Little Suction Creek, then east along said creek to the Fort Belknap Indian Reservation boundary, then north along said boundary to the Milk River, then east along said river to U.S. Highway 2 at Belknap Indian Agency, then north and west along said highway to Havre, the point of beginning.

700 - Missouri Brecks-Prairie: Those portions of Garfield and McCone Counties lying within the following-described boundary: Beginning at the Musselshell River Bridge near Mosby on State Route 200, then north down the Musselshell River to the Missouri River, then east end north down the Missouri River to the Fort Peck Powerhouse, then south along the east shore of the Fort Peck Reservoir to Big Dry Creek, then south up Big Dry Creek to Little Dry Creek, then up Little Dry Creek to State Route 200, then west along State Route 200 to the Musselshell River Bridge, the point of beginning.

701 - Sagebrush Prairie: Those portions of Prairie, Custer, Rosebud, Treasure, Yellowstone, Musselshell, Garfield and McCone Counties lying within the following-described boundary: Beginning at the junction of U.S. Interstate 94 and State Route 253 at Terry, then west along U.S. Interstate 94 to its junction with the Custer-Melstone Road at Custer, then north along said

road to its junction with Highway 12 at Melstone, then east on Highway 12 to the Musselshell River, then north down the Musselshell River to its intersection with State Route 200 near Mosby, then east on Route 200 to Brockway, then southeast on Route 253 to Terry, the point of beginning.

702 - Yellowstone Pine Hills: Those portions of Treasure, Big Horn, Rosebud and Custer Counties lying within the following-described boundary: Beginning at the Bighorn River Bridge on U.S. Interstate 90 near Hardin, then northwesterly along U.S. Interstate 90 to State Route 47, then north along State Route 47 to its intersection with U.S. Interstate 94, then northeast along U.S. Interstate 94 to its intersection with State Route 59 near Miles City, then south along State Route 59 to Route 332, then south along said road to the Northern Cheyenne Reservation boundary, then west along said Reservation boundary to the Crow Reservation boundary, then north and west along said Reservation boundary to the Bighorn River, then north down the Bighorn River to its intersection with U.S. Interstate 90, the point of beginning.

703 - Grassland-Agriculture: Those portions of Prairie, McCone, Dawson, Richland, Wibaux, Fallon and Custer Counties lying within the following-described boundary: Beginning at the intersection of Route 253 and U.S. Interstate 94 at Terry, then north along route 253 to its intersection with State Route 200 at Brockway, then northerly along State Route 200 through Sidney to the Montana-North Dakota state line, then south along the state line to its intersection with Highway 12 east of Baker, then west along Highway 12 to its intersection with O'Fallon Creek, then northwest down O'Fallon Creek to its intersection with U.S. Interstate 94, then west along U.S. Interstate 94 to its intersection with Route 253 at Terry, the point of beginning.

704 - Powder Pine Hills: Those portions of Big Horn, Custer, Fallon, Powder River, Prairie and Rosebud Counties lying within the following-described boundary: Beginning at the junction of the Montana-Wyoming state line and the east boundary of the Crow Reservation, then north along said Reservation boundary to the Northern Cheyenne Reservation boundary, then east along Northern Cheyenne Reservation boundary to the Tongue River, then north down the Tongue River to the northeast corner of the Northern Cheyenne Reservation boundary, then west along said Reservation boundary to Route 332, then north on said road to State Route 59, then north on State Route 59 to its junction with U.S. Interstate 94, then northeast along U.S. Interstate 94 to O'Fallon Creek, then southeast up O'Fallon Creek to U.S. Highway 12, then west along Highway 12 to its junction with the Powder River Road at its south end, then south on Powder River Road to its junction with Highway 212 at Broadus, then west on U.S. Highway 212 to its intersection with the Sonnette-Sayle Road, then south on the Sonnette-Sayle Road to its intersection with the Bloom Creek Road, then southeast along the Bloom Creek Road to its intersection with the Broadus-Moorhead Road, then south along the Broadus-Moorhead Road to the Montana-Wyoming state line, then west along the Montana-Wyoming state line to its intersection with the Crow Reservation east boundary, the point of beginning.

705 - Prairie-Pine - Juniper Brecks: Those portions of Carter, Custer, Powder River and Fallon Counties lying within the following-described boundary: Beginning at the intersection of the Montana-Wyoming state line and the east boundary of the Crow Reservation, then north along said road to its intersection with the Bloom Creek Road, then northwest on Bloom Creek Road to its intersection with the Sonnette-Sayle Road, then north on the Sonnette-Sayle Road to its intersection with U.S. Highway 212, then east on U.S. Highway 212 to its intersection with the Broadus-Powderville Road at Broadus, then northeast on the Broadus-Powderville Road on the west side of the Powder River to Powderville, continuing to its intersection with U.S. Highway 12 at Locale, then east along U.S. Highway 12 to the Montana-North Dakota state line, then south along the Montana-North Dakota state line to its intersection with the Montana-South Dakota-Wyoming state line junction, then west along the Montana-Wyoming state line to its intersection with the Broadus-Moorhead Road, the point of beginning.

ANTELOPE

338 - Shields River North: Those portions of Gallatin, Meagher and Park Counties lying within the following-described boundary: Beginning at the confluence of Sixteenmile and Middle Fork of Sixteenmile creeks, then easterly up said Middle Fork to the South Fork of Sixteenmile Creek, then southerly up said South Fork to the Bridger Mountain Divide near Flathead Pass, then southerly along said divide to Ross Peak, then easterly and southerly along the Yellowstone-Gallatin Divide, including Bangtail Ridge to Bozeman Pass and U.S. Highway 10, then easterly along said highway to the bridge over the Yellowstone River at Livingston, then northerly down the Yellowstone to the bridge on U.S. Highway 89, then northerly along U.S. Highway 89 to its intersection with Cottonwood Creek near Clyde Park, then easterly and northerly up said creek to the Crazy Mountain Divide, then northerly along said divide to Sixteenmile Creek, then southerly down said creek to the Middle Fork of Sixteenmile Creek, the point of beginning.

339 - Shields River South: Those portions of Park and Sweet Grass Counties lying within the following-described boundary: Beginning at the bridge on the Yellowstone River on U.S. Highway 89 just north of the intersection of U.S. Highway 89 with U.S. Highway 10, east of Livingston, then northerly along U.S. Highway 89 to its intersection with Cottonwood Creek near Clyde Park, then easterly and northerly up said creek to the Crazy Mountain Divide, then southerly along said divide to Fairview Peak, then southerly to the head of the West Fork of Duck Creek, then southeasterly down said creek to the Yellowstone River, then westerly up said river to the bridge on U.S. Highway 89, the point of beginning.

340 - West Boulder: Those portions of Park and Sweet Grass Counties lying within the following-described boundary: Beginning at the mouth of the Boulder River at Big Timber, then southerly along said river to the Gallatin National Forest boundary, then westerly, northerly, easterly and southerly along said boundary to Suez Creek, then westerly along Suez Creek to the Yellowstone River, then northerly and easterly along said river to the mouth of the Boulder River, the point of beginning.

341 - Highlands: Those portions of Beaverhead, Madison, Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Dillon, then northerly along State Route 41 to Route 287 at Twin Bridges, then northerly along said highway to Highway 10, then northwesterly along said highway to Interstate 90, then westerly along said Interstate to Interstate 15, then southerly along said highway to Dillon, the point of beginning.

350 - Whitetail: Those portions of Silver Bow and Jefferson Counties lying within the following-described boundary: Beginning at Butte, then northerly along U.S. Highway 91 to Boulder, then southerly along the Boulder-Whitetail Road to the Boulder-Whitetail Divide, then southerly along said divide to U.S. Highway 10, then westerly along said highway to Butte, the point of beginning.

360 - Madison: Those portions of Madison and Beaverhead Counties lying within the following-described boundary: Beginning at Norris, then easterly along Route 289 to the Madison River, then up the Madison River to Trail Creek, then up said creek to the Madison-Cherry Creek Divide, then southerly along said divide to the Madison-Cherry Creek Divide, then southerly along said divide to the Beaverhead-Gallatin National Forest boundary, then southerly along said boundary to Rock Creek, then southeasterly down Rock Creek to the north shore of Quake Lake, then westerly and northerly along said shore edison River, then southerly and westerly up said West Fork to the Gravelly Range Road, then northerly along said road and the Madison-Ruby Divide to Baldy Mountain and the head of Alder Gulch, then northerly down said gulch to Virginia City, then easterly along State Route 287 to the Madison-Ruby Divide, then northerly along said divide to Mount Bradley and the head of North Meadow Creek, then easterly down said creek to U.S. Highway 287, then northerly along said highway to Norris, the point of beginning.

370 - Boulder Valley: Those portions of Jefferson County lying within the following-described boundary: Beginning at Boulder, then southerly along the Boulder-Whitetail Road to the Boulder-Whitetail Divide, then southerly along said divide to U.S. Highway 10, then easterly along said highway to the Jefferson-Broadwater County line, then northerly along said county line to the South Crow Creek, then westerly up said creek to the Boulder-Missouri along said divide to U.S. Highway 91, then southerly along said highway to Boulder, the point of beginning.

371 - Radersburg: Those portions of Broadwater County lying within the following-described boundary: Beginning at the Jefferson River Bridge at Three Forks Junction, then northerly down the Jefferson River to the Missouri River, then northerly down the Missouri River to the Missouri River Bridge north of Townsend, then westerly on the Indian Creek Road to Hassel, then westerly on Forest Service Road 403 to Forest Service Road 424, then southerly to South Crow Creek, then southerly along said creek to its junction with the Broadwater-Jefferson County line, then southerly and easterly along said county line to U.S. Highway 10, then easterly along said highway to the Jefferson River Bridge at Three Forks Junction, the point of beginning.

380 - Winston Flats: Those portions of Broadwater, Lewis and Clark and Jefferson Counties lying within the following-described boundary: Beginning at the Missouri River bridge north of Townsend, then westerly on the Indian Creek Road to Hassel, then westerly on Forest Service Road 4031 to Forest Service Road 424, then southerly to South Crow Creek, then westerly up South Crow Creek to the Boulder-Missouri Divide near Crow Peak, then westerly along said divide to U.S. Highway 91, then northerly along said highway to U.S. Highway 287, then easterly along said highway to State Highway 284, then northerly along said highway to Canyon Ferry Dam, then southerly along the east shore of Canyon Ferry Reservoir and the Missouri River to the Missouri River bridge at Townsend, the point of beginning.

390 - South Belts: Those portions of Broadwater, Lewis and Clark and Gallatin Counties lying within the following-described boundary: Beginning at the mouth of Cave Gulch at Cave Bay, then northerly up Cave Gulch to Hedges Mountain, then northerly along the Trout Creek-Magpie Creek Divide to the Lewis and Clark-Broadwater County Line, then northerly and easterly along said county line to the Meagher-Broadwater County Line, then southeasterly along said county line to Sixteenmile Creek, then westerly down said creek to the Missouri River, then northerly down said river and the east shore of Canyon Ferry Reservoir to the mouth of Cave Gulch at Cave Bay, the point of beginning.

400 - Teton-Marías: Those portions of Glacier, Toole, Pondera, Teton, Cascade, Liberty, Chouteau and Hill Counties lying within the following-described boundary: Beginning at Chouteau, then northerly along U.S. Highway 89 to the Blackfeet Indian Reservation boundary (Birch Creek), then east and north along said boundary to Cut Bank, then easterly along U.S. Highway 2 through Shelby to Route 223 at Chester, then southerly along Route 223 to the Marias River, then east and south down the Marias River to the Missouri River, then southerly up the Missouri River to Great Falls, then westerly along U.S. Highway 89 through Fairfield to Chouteau, the point of beginning.

NOTE: Brinkman Game Preserve closed to hunting. Boundary description on page 8.

401 - Sweetgrass Hills: Those portions of Liberty, Toole and Glacier Counties lying within the following-described boundary: Beginning at Joplin, then northerly along F.A.S. Route (one mile west of the Hill-Liberty County Line) to the Canadian Line, then along the Canadian Line to the Blackfeet Indian Reservation boundary, then south along this line to U.S. Highway 2 near Cut Bank, then east along said highway to Joplin, the point of beginning.

410 - Sand Coulee: That portion of Cascade County lying within the following-described boundary: Beginning at Great Falls, then southwest along U.S. Highway 87 to Armington Junction, then south along U.S. Highway 89 to King's Hill, then westward along the Cascade-Meagher County Line to the Smith River, then north down the Smith River to the Missouri River, then eastward down the Missouri River to Great Falls, the point of beginning.

420 - South Fergus: Those portions of Golden Valley, Fergus, Petroleum, and Musselshell Counties lying within the following-described boundary: Beginning at Lewistown, then easterly along State Route 200 to Winnet, then southerly along Route 244 to U.S. Highway 87, then northerly along said highway to Flatwillow Creek, then westerly along said creek to Durfee Creek, then westerly along Durfee Creek to the Snowy Mountains Divide, then westerly along said divide to the Fergus County Line, then west and south along the Fergus-Golden Valley and Wheatland County Line to U.S. Highway 191, then north and east along said highway to Lewistown, the point of beginning.

430 - Buffalo: Those portions of Judith Basin, Fergus and Cascade Counties lying within the following-described boundary: Beginning at Stenford, then southeast along U.S. Highway 87 to U.S. Highway 191, then south along said highway to the Judith-Musselshell River Divide, then west along said divide and the Judith-Smith River Divide to Kings Hill, then northwesterly along U.S. Highway 89 to Armington Junction, then east along U.S. Highway 87 to Stenford, the point of beginning.

440 - Birdtail Hills: Those portions of Lewis and Clark and Cascade Counties lying within the following-described boundary: Beginning at the Continental Divide at the summit of Rogers Pass on State Route 200, then southerly along said route to Lyons Creek, then easterly down Lyons Creek to Little Prickley Pear Creek, then down said creek to the Missouri River, then down the Missouri River to Great Falls, then northerly along Interstate 15 to its junction with U.S. Highway 89, then east along said highway to its junction with State Route 200, then south and west along said route to Rogers Pass and the Continental Divide, the point of beginning.

444 - Augusta: Those portions of Lewis and Clark, Teton and Cascade Counties lying within the following-described boundary: Beginning at the Continental Divide on State Route 200 at the summit of Rogers Pass, then northerly along said divide to its intersection with the Forest Boundary approximately one quarter mile north of Cadotte Pass, then northerly along said boundary to the Teton Canyon Road, then easterly along said road to U.S. Highway 89, then southeasterly along said highway to its junction with State Route 200, then south and west along said route to the summit of Rogers Pass and the Continental Divide, the point of beginning.

450 - Hound Creek: Those portions of Cascade and Meagher Counties lying within the following-described boundary: Beginning at the mouth of the Smith River, then south up said river to Rock Creek, then up Rock Creek to the Meagher-Lewis and Clark County Line, then northward along said county line to the Cascade-Lewis and Clark County Line, then west and north along said county line to the Missouri River, then northerly down said river to the mouth of the Smith River, the point of beginning.

455 - Ming Ber: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at the junction of the Cascade County and Lewis and Clark County lines and the Missouri River, then southerly along the Missouri River to Holter Lake, then southerly along the east shoreline of Holter Lake to the mouth of Willow (Elkhorn) Creek, then north and east up said creek to the Cascade County-Lewis and Clark County line, then north and west along said line to its junction with the Missouri River, the point of beginning.

460 - Helene: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at Wolf Creek, then northerly along the Recreation Road to the Missouri River, then up the Missouri River to Hauser Dam, then southerly along the Black Sandy Beach Road to Route 453, then west along said route to Interstate 15, then northerly along said Interstate to Wolf Creek, the point of beginning.

470 - Square Butte: Those portions of Cascade, Chouteau, Judith Basin and Fergus Counties lying within the following-described boundary: Beginning at Great Falls, then down the Missouri River to Belt Creek, then up Belt Creek to the Milwaukee Railroad tracks, then easterly along said tracks to Arrow Creek, then southeasterly along said road to Arrow Creek to the Geyser-Gardline Road, then southerly along said road to U.S. Highway 87, then northwesterly along said highway to Great Falls, the point of beginning.

471 - Denton: Those portions of Fergus and Judith Basin Counties lying within the following-described boundary: Beginning at Geyser, then north on the Geyser-Gardline Road to Arrow Creek, then down Arrow Creek to the Missouri River, then down the Missouri River to the mouth of the Judith River, then southerly up the Judith River to U.S. Highway 87, then northwesterly along said highway to Geyser, the point of beginning.

473 - Geraldine: That portion of Chouteau County lying within the following-described boundary: Beginning at the junction of Belt Creek and the Missouri River, then down the Missouri River to Arrow Creek, then up Arrow Creek to the Milwaukee Railroad tracks, then westerly along said tracks to Belt Creek, then down Belt Creek to the Missouri River, the point of beginning.

480 - North Fergus: That portion of Fergus County lying within the following-described boundary: Beginning at Lewistown, then westerly on U.S. Highway 87 to the Judith River, then northerly down said river to the Missouri River, then easterly down said river to the Robinson Bridge, then southerly along U.S. Highway 191, to State Route 19 at Bohemian Junction, then southerly along said route to State Route 200 near Grass Range, then westerly along said route to Lewistown, the point of beginning.

481 - Petroleum: Those portions of Fergus, Judith Basin and Petroleum Counties lying within the following-described boundary: Beginning at Mosby, then westerly along State Route 200 to State Route 19 near Grass Range, then northerly along said route to U.S. Highway 191 at Bohemian Junction, then northerly along said highway to the Robinson Bridge, then easterly down the Missouri River to the Musselshell River, then southerly up said river to Mosby, the point of beginning.

490 - West Meagher: That portion of Meagher County lying within the following-described boundary: Beginning at King's Hill, then south along U.S. Highway 89 to Sixteenmile Creek, then down said creek to the Brölline, then northwesterly along said county line to Rock Creek, then down Rock Creek to the Smith River, then down the Smith River to the Cascade County line, then eastward along said county line to King's Hill, the point of beginning.

491 - East Meagher: That portion of Meagher County lying within the following-described boundary: Beginning at King's Hill, then southeast along the Meagher-Judith Basin County line to the Whitetail-Spring Creek Road, then southward along said road to U.S. Highway 12, then easterly along said highway to the South Fork of the Musselshell River, then up the South Fork to Cottonwood Creek, then up said creek to the Shields River Divide, then westerly to the Middle Fork of Sixteenmile Creek, then down said fork and Sixteenmile Creek to U.S. Highway 89, then north along said highway to King's Hill, the point of beginning.

500 - West Wheatland: Those portions of Wheatland and Meagher Counties lying within the following-described boundary: Beginning at Harlowton, then westerly along U.S. Highway 12 to the Spring Creek Road, then northerly along said road to the Little Belt Mountain Divide, then easterly along said divide to the Wheatland County Line, then easterly along said line to Highway 191, then southerly along said highway to Harlowton, the point of beginning.

501 - East Wheatland: Those portions of Wheatland and Golden Valley Counties lying within the following-described boundary: Beginning at Harlowton, then north along Highway 191 to its intersection with the Wheatland County line, then easterly along said county line to the Golden Valley County line, then north and east along said county line to the Swimming Woman Creek, then southerly along said creek to Careless Creek, then southerly along Careless Creek to U.S. Highway 12, then westerly along U.S. Highway 12 to Harlowton, the point of beginning.

Antelope (continued)

510 - Big Timber: Those portions of Sweet Grass and Park Counties lying within the following described boundary: Beginning at the Yellowstone River at Big Timber, then westerly along said river to Duck Creek, then northerly along said creek to the West Fork of Duck Creek, then northerly along said fork to Crazy Mountain Divide, then northerly along said divide to Sweet Grass Creek, then easterly and southerly along said creek to the Yellowstone River, then westerly along the Yellowstone River to Big Timber, the point of beginning.

511 - Hardin: Those portions of Big Horn and Yellowstone Counties lying within the following-described boundary: Beginning at the Yellowstone River Bridge at Custer, then southwest up the Yellowstone River to Highway 87 at Billings, then east on Highway 87 to Old Highway 87 (Old Hardin Road), then southeast along said road to the Crow Indian Reservation boundary, then east along said boundary to Interstate 90 near Hardin, then west along Interstate 90 to Highway 47, then north along Highway 47 to Interstate 94, then west along Interstate 94 to Custer, then north on the Custer-Melstone Road to the Yellowstone River Bridge, the point of beginning.

512 - Stillwater: Those portions of Carbon, Stillwater and Sweet Grass Counties lying within the following-described boundary: Beginning at the Yellowstone River Bridge at Columbus, then southwesterly along Route 78 to Absarokee, then westerly along F.A.S. 420 to first bridge crossing the Stillwater River, then north and easterly along said river to the mouth of Trout Creek, then up said drainage in a northwesterly direction to the headwaters of said drainage at the Gallatin-Custer National Forest Boundary, then westerly and southerly along said boundary to the headwaters of the Dry Fork of the East Boulder River, then northwesterly along the Dry Fork to its junction with the East Boulder River, then northerly and westerly along said river to its junction with the Main Boulder River, then northerly and easterly along said river to its junction with the Yellowstone River, then easterly and southerly along said river to the Yellowstone River Bridge at Columbus, the point of beginning.

513 - Willow Creek: Those portions of Golden Valley, Musselshell, Fergus and Petroleum Counties lying within the following-described boundary: Beginning at Roundup, then westerly along U. S. Highway 12 to the Careless Creek Bridge, then northwesterly along Careless Creek to Swimming Woman Creek, then northerly along said creek to the Snowy Mountain Divide, then easterly along said divide to Durfee Creek, then easterly along Durfee Creek to Flatwillow Creek, then easterly along Flatwillow Creek to U. S. Highway 87, then southerly along said highway to Roundup, the point of beginning.

514 - Rock Creek: Those portions of Carbon, Stillwater and Yellowstone Counties lying within the following described boundary: Beginning at the Yellowstone River Bridge at Columbus, then east down said river to Highway 87 at Billings, then east on Highway 87 to Old Highway 87 (Old Hardin Road), then south along said road to the Crow Indian Reservation Boundary, then southwest along said boundary to the Bowler-Bridge Road, then west along said road to Highway 310, then north on Highway 310 to Highway 72, then south on Highway 72 to the Montana-Wyoming state line, then west along the state line to Highway 212, then north on Highway 212 to Bad River, then west and north along Highway 78 to the Yellowstone River Bridge at Columbus, the point of beginning.

530 - Flatwillow-Willow Creek: Those portions of Musselshell and Petroleum Counties lying within the following described boundary: Beginning at Roundup, then northerly along U. S. Highway 87 to Route 244, then northeasterly along said route to State Route 200, then easterly along said route to the Musselshell River Bridge at Mosby, then southerly on the Musselshell River to U. S. Highway 12, then westerly on U. S. Highway 12 to Roundup, the point of beginning.

540 - Bull Mountains: Those portions of Musselshell and Yellowstone Counties lying within the following-described boundary: Beginning at Billings, then northerly along U. S. Highway 87 to U. S. Highway 12, then easterly on said highway to Melstone, then in a southerly direction along the Melstone-Custer Road to the Yellowstone River, then westerly along said river to Billings, the point of beginning.

550 - Billings: Those portions of Golden Valley, Musselshell and Yellowstone Counties lying within the following described boundary: Beginning at Billings, then northwesterly along State Route 3 (Billings-Lavina Road) to U. S. Highway 87, then easterly on said highway to U. S. Highway 87, then southerly along said highway to Billings, the point of beginning.

560 - Molt-Broadview: Those portions of Golden Valley, Stillwater and Yellowstone Counties lying within the following-described boundary: Beginning at Billings, then westerly along the Yellowstone River to the Yellowstone River Bridge at Columbus, then westerly to the Columbus-Rapelje-Ryegate Road, then northerly along said road to U. S. Highway 12 at Ryegate, then easterly along said highway to State Route 3 (Billings-Lavina Road), then southeasterly along said road to Billings, the point of beginning.

570 - Fish Creek: Those portions of Golden Valley, Sweet Grass, and Wheatland Counties lying within the following described boundary: Beginning at Harlowton then east on Highway 12 to Shawmut then south on the South Shawmut Road, also signed as 12E116S to the Gibson-Tincan Hill Road, then southwesterly along said road to Sweet Grass Creek, then northwesterly on Sweet Grass Creek to Highway 191, then north on Highway 191 to Harlowton, the point of beginning.

571 - Big Coulee: Those portions of Golden Valley, Stillwater, Sweet Grass and Wheatland Counties lying within the following-described boundary: Beginning at Shawmut then south on the South Shawmut Road, also signed as 12E116S to the Gibson Road, then east along the Gibson Road to Rapelje, then north along the Rapelje-Ryegate Road to Ryegate, then west along Highway 12 to Shawmut, the point of beginning.

572 - White Beaver Creek: Those portions of Stillwater and Sweet Grass Counties lying within the following-described boundary: Beginning at the Yellowstone River bridge at Columbus, then westerly along the Yellowstone River to Sweet Grass Creek, then northerly along said creek to the bridge where the Tincan Hill-Gibson Road crosses Sweet Grass Creek, then northerly and easterly along said road to Rapelje, then southerly along the Rapelje-Columbus Road (F.A.S. 306) to Columbus and the Yellowstone River bridge, the point of beginning.

590 - Twodot: Those portions of Wheatland, Sweet Grass, Meagher and Park Counties lying within the following-described boundary: Beginning at Harlowton, then southerly along State Route 191 to Sweet Grass Creek, then westerly along said creek to the Crazy Mountain Divide, then northerly along said divide to Cottonwood Creek, then northerly along said creek to the South Fork of the Musselshell River, then northwesterly along the South Fork of the Musselshell River to the Musselshell River, then northwesterly along said river to U. S. Highway 12, then easterly along said highway to Harlowton, the point of beginning.

600 - North Hill North Blaine: Those portions of Hill and Blaine Counties lying within the following-described boundary: Beginning at a point where the Harlem Turner Road (Route 241) joins the Canadian line, then westerly along said line to State Route 233, then southerly along said route to Highway 2 at Havre, then easterly along said Route 241 to Harlem, then northerly along said route to the Canadian line, the point of beginning.

810 - Hill-Chouteau-Liberty: Those portions of Hill, Chouteau and Liberty Counties lying within the following described boundary: Beginning at a point where U. S. Highway 87 and U. S. Highway 2 meet, then west along Highway 2 to Route 223 near Chester, then south along said route to the Marias River, then southerly down said river to the Missouri River, then down said river to the mouth of Birch Creek, then in a northerly direction up said creek to the Cow Island Trail, then westerly along said trail to the junction of Cow Island and Eagleton Road, then southwesterly along said road to Route 236, then northerly along said route to U. S. Highway 87 to Big Sandy, then northerly along said highway to Highway 2, the point of beginning.

NOTE: Brinkman Game Preserve closed to hunting. Boundary description on page 8.

611 - North Phillips: Those portions of Blaine and Phillips Counties lying within the following described boundary: Beginning at the Harlem Turner Road (Route 241) joins the Canadian Line, then south along said road to U. S. Highway 2 at Havre, then east and south along said highway to the Milk River Bridge at the Fort Belknap Indian Agency, then east down the Milk River to the Milk River Bridge on U. S. Highway 2 west of Dodson,

then east along said highway to the town of Dodson, then south of Dodson to the South Dodson-Wagner Road, then in an easterly direction along said road to U. S. Highway 191 south of Malta, then in a northerly direction along said highway to U. S. Highway 2 at Malta, then east along said highway to the Milk River Bridge east of Hinsdale, then up the Milk River to Whitewater Creek, then up Whitewater Creek and the West Fork of Whitewater Creek to the point where Route 242 crosses said creek, then north along said road to the Canadian Line, then west along said line to the Harlem Turner Road, the point of beginning.

612 - North Hill: Those portions of Hill and Liberty Counties lying within the following-described boundary: Beginning at a point where State Route 233 joins the Canadian line, (near Port of Willow Creek), then westerly along said line to the county road west of the Hill-Liberty County line, then southerly along said county road to Highway 2 at Joplin, then easterly along said highway to State Route 233 at Havre, then northerly along said highway to the Canadian line, the point of beginning.

620 - South Phillips: Those portions of Phillips and Valley Counties lying within the following-described boundary: Beginning at a point west of Dodson where U. S. Highway 2 crosses the east boundary of the Belknap Indian Reservation, then in a southerly direction along said boundary to the southeast corner of the Belknap Reservation, then in a westerly direction along the south boundary of said reservation to Route 376, then southerly along said route to U. S. Highway 191, then southwesterly along said highway to the C. M. Russell National Wildlife Refuge Boundary, then in a westerly direction along said boundary, as posted, to the Missouri River, then east along said river to Timber Creek, then in a northerly direction up Timber Creek to the Saco Road at the Bill Anderson Ranch, then north along said road to U. S. Highway 2 at Saco, then westerly along said highway to Malta, then south along U. S. Highway 191 to the Wagner-South Dodson Road, then westerly along said road to Dodson, then in a westerly direction along U. S. Highway 2 to the east boundary of the Fort Belknap Indian Reservation, the point of beginning.

NOTE: Closed to all hunting, the following described area - Slippery Ann Station, Section 36, Township 22 North, Range 24 East and Section 31, Township 22 North, Range 25 East, as posted.

NOTE: Lake Bowdoin Migratory Waterfowl Refuge is closed to antelope hunting.

630 - South Valley: Those portions of Phillips and Valley Counties lying within the following-described boundary: Beginning at a point where the Saco-Bill Anderson Road joins U. S. Highway 2 at Saco, then south along said road to Timber Creek at the Anderson Ranch, then south along said creek to the Missouri River, then down the Missouri River to the Milk River, then north along said river to Porcupine Creek, then north up Porcupine Creek to U. S. Highway 2, then west along U. S. Highway 2 to Saco, the point of beginning.

NOTE: That portion of the C. M. Russell National Wildlife Refuge in Valley County lying east of the road leading to the Duck Creek Recreational Area shall be closed to big game hunting as posted.

NOTE: That portion of the C. M. Russell National Wildlife Refuge known as the Pines Recreation Area will be closed to all big game hunting, as posted.

640 - Northeast Montana: Those portions of Valley, Daniels, Sheridan and Roosevelt Counties lying within the following described boundary: Beginning at a point where Route 247 joins the Canadian Border, then south along said route to the Fort Peck Indian Reservation boundary, then east along said boundary to the Big Muddy Creek, then south along said creek to the Missouri River, then east along said river to State Route 16, then north along said route to U. S. Highway 2 at Culbertson, then east along said highway to the North Dakota border, then north along said border to the Canadian border, then west along said border to Route 247, the point of beginning.

650 - McCone: Those portions of McCone and Garfield Counties lying within the following-described boundary: Beginning at the Fort Peck Powerhouse on the Missouri River, then easterly along said river to State Route 13, then south along said route to State Route 200 at Circle, then west along said route to Little Dry Creek, then north down said creek to Big Dry Creek, then north down said creek to the Fort Peck Reservoir, then northerly along the east shore of said reservoir to the Fort Peck Powerhouse, the point of beginning.

NOTE: That portion of the C. M. Russell National Wildlife Refuge in McCone County lying between the Fort Peck Powerhouse and the spillway shall be closed to big game hunting as posted.

651 - Redwater: Those portions of Dawson, McCone, Richland and Roosevelt Counties lying within the following-described boundary: Beginning at the junction of State Route 200 and State Route 13 near Circle, then north along State Route 13 to the Missouri River bridge near Wolf Point, then east down the Missouri River to the Missouri River bridge on State Route 16 near Culbertson, then north on State Route 16 to U. S. Highway 2, then east along Highway 2 to the Montana-North Dakota state line, then south along the state line to State Highway 200 at Fairview, then southwest and westerly along State Route 200 to State Route 13 near Circle, the point of beginning.

670 - North Valley North Phillips: Those portions of North Valley and North Phillips Counties lying within the following-described boundary: Beginning at a point where Route 242 meets the Canadian Line near Morgan, then easterly along said line to Route 242, then southerly along said route to the Fort Peck Indian Reservation Boundary, then westerly along said boundary to the West Fork of Porcupine Creek, then southerly along said creek to Porcupine Creek, then southerly along said creek to U. S. Highway 2 near Nashua, then northwesterly along said highway to the Milk River Bridge east of Hinsdale, then up the Milk River to Whitewater Creek, then up said creek and the West Fork of Whitewater to the point where Route 242 crosses said creek, then northerly along said route to the Canadian Line, the point of beginning.

680 - Chouteau-Blaine Phillips: Those portions of Chouteau, Blaine and Phillips Counties lying within the following-described boundary: Beginning at the mouth of Birch Creek on the Missouri River, then northerly up said creek to the Cow Island Trail, then easterly along said trail to the Hays Trail, then easterly along said trail to the Fort Belknap Indian Reservation Boundary, then southeasterly along said boundary to Route 376, then southerly along said route to U. S. Highway 191, then southwesterly along said highway to the C. M. Russell National Wildlife Refuge Boundary, then in a westerly direction along said boundary, as posted, to the Missouri River, then northwesterly along said river to the mouth of Birch Creek, the point of beginning.

690 - Hill-Blaine-Chouteau: Those portions of Hill, Blaine and Chouteau Counties lying within the following-described boundary: Beginning at a point where U. S. Highway 2 and U. S. Highway 87 meet, then southwest along U. S. Highway 87 to Big Sandy, then southeast along Route 236 to the Eagleton Road, then easterly along said road to the Cow Island Trail, then east along said trail to the Hays Trail, then easterly along Hays Trail to the Fort Belknap Indian Reservation Boundary, then north along the west boundary of said reservation to the Milk River, then east down the Milk River to the U. S. Highway 2 Bridge at Fort Belknap Indian Agency, then north and west along said highway to Havre and the junction of U. S. Highway 2 and U. S. Highway 87, the point of beginning.

NOTE: Rocky Boy Indian Reservation closed to the hunting of big game.

707 - North Garfield: Those portions of Garfield and McCone Counties lying within the following-described boundary: Beginning at the Musselshell River Bridge near Mosby on State Route 200, then north down the Musselshell River to the Missouri River, then east and north down the Missouri River to the Fort Peck Powerhouse, then south along the east shore of the Fort Peck Reservoir to Big Dry Creek, then south up Big Dry Creek to Little Dry Creek, then south up Little Dry Creek to State Route 200, then west along State Route 200 to Musselshell River Bridge, the point of beginning.

708 - Bloomfield: Those portions of McCone, Dawson, Richland and Wibaux Counties lying within the following-described boundary: Beginning at State Route 200 at Circle, then north east along State Route 200 through Sidney to the Montana-North Dakota border, then south along the Montana-North Dakota border to Interstate 94, then east along Interstate 94 to the junction of State Route 200 at Glendive, then northwest along State Route 200 South to State Route 200 at Circle, the point of beginning.

MOOSE

100 - West Yaak: That portion of Lincoln County lying within the following-described boundary: Beginning where the Kootenai River meets the Idaho State Line, then northerly along said state line to the Canadian Border, then easterly along said border to the North Fork Yaak River, then southerly along said river to Yaak River Road 92, then southerly along said road to its junction with Road 88, then south along said road to State Highway 37, then southwest along said highway to the south shore of the Kootenai River, then northwesterly along that shoreline to the Idaho State Line, the point of beginning.

101 - Purcell: That portion of Lincoln County lying within the following described boundary: Beginning near the city of Libby where the south shoreline of the Kootenai River meets State Highway 37, then northerly along said highway to Pipe Creek Road 68, then northerly along said road to Yaak River Road 92, then northerly along said road to the North Fork Yaak River, then northerly along said river to the Canadian Border, then easterly along said border to the east shore of Lake Kootenai, then southerly along said shore to Libby Dam and the east shore of the Kootenai River, then southerly and westerly along that shore of the Kootenai River to State Highway 37 near the city of Libby, the point of beginning.

102 - Eureke: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning near Kootenai Marina where Grapple Horse Creek Road 835 meets the east shore of Lake Kootenai, then northerly along said shore to the Canadian Border, then easterly along that border to U. S. Highway 93, then southerly along said highway to the Kootenai Flathead Forest boundary at the Spring Creek Campground, then southwesterly along said Forest boundary to Forest Service Road 3507 near Bowen Lake, then westerly along said road to Forest Service Road 36, then south along said road to Forest Service Road 835, then westerly along said road to the east shore of Lake Kootenai, the point of beginning.

103 - Ten Lakes: That portion of Lincoln County lying within the following described boundary: Beginning at the junction of the Stillwater River Road 900 and U. S. Highway 93, then northerly along said highway to the Canadian Border, then easterly along said border to the Lincoln-Flathead County Line, then southerly along said line to the Russky Creek Road 379, then southerly along said road to the Stillwater River Road 900, then southwesterly along said road to U. S. Highway 93, the point of beginning.

104 - West Cabinet Mountains: That portion of Lincoln County lying within the following-described boundary: Beginning near the south end of Bull Lake where State Highway 56 intersects the Lincoln-Sanders County Line, from that point southwesterly along said county line to the Montana-Idaho Border, then northerly along said border to the south shore of the Kootenai River, then southeasterly along said shore to a point just north of the junction of U. S. Highway 2 and State Route 56, then south along State Route 56 to the Lincoln-Sanders County Line, the point of beginning.

105 - East Cabinet Mountains: That portion of Lincoln County lying within the following-described boundary: Beginning where the Lincoln-Sanders County Line intersects State Route 56 just south of Bull Lake, then north along State Route 56 to a point along the south shore of the Kootenai River just north of the junction of U. S. Highway 2 and State Route 56, then southeasterly along the south shore of the Kootenai River to State Route 37 near Libby, then south on State Route 37 to U. S. Highway 2, then southeasterly along said highway to the Lincoln-Sanders County Line near Lower Thompson Lake, then westerly along said county line to State Route 56, the point of beginning.

MOOSE

106 - Fisher River: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning near Libby at the Junction of U. S. Highway 2 and State Route 37, then northeasterly along State Route 37 to the south shore of the Kootenai River, then northeasterly along that shore to the Grapple Horse Creek Road 835, then easterly along said road to the Wolf Creek Road 36, then north along Road 36 to Kootenai Forest Road 3507, then easterly along said road to the Kootenai-Flathead National Forest boundary, then southeasterly along said boundary to the Elbow Creek Road 6799, then south along said road to the Little Bitterroot Lake Road 543, then southeasterly along said road to U. S. Highway 2, then northwesterly along U. S. Highway 2 to the junction with State Route 37, the point of beginning.

110 - North Fork: Those portions of Flathead and Lincoln Counties lying within the following-described boundary: Beginning at the mouth of the North Fork of the Flathead River, then northerly up the river to the Canadian Border, then westerly along said border to the divide between Weasel Creek and the North Fork of the Flathead River, then southerly along said divide to the Russky Creek Road, then westerly along said road to the Stillwater River Road, then southerly along said road to U. S. Highway 93 at Stryker, then southerly along said highway to State Route 40, then easterly along said route and U. S. Highway 2 to the Flathead River, then northerly along said river to the mouth of the North Fork of the Flathead River, the point of beginning.

111 - Tally Lake: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning on the Flathead National Forest Boundary at the Spring Creek Campground on U. S. Highway 93, then in a southerly and westerly direction along said boundary to the divide between Sunday and Marys Creeks, then in a southerly direction along said divide to Elk Mountain, Teepee Mountain, Sanders Mountain, Grubb Mountain, and Elbow Creek Road 8799, then southerly along said road to the Pleasant Valley Road, then easterly along said road to the Little Bitterroot Lake Road, then southerly along said road to U. S. Highway 2, then easterly along said road and State Route 35 to the Flathead River, then up said river to U. S. Highway 2, then westerly on said highway and State Route 40 to U. S. Highway 93, then northerly on said highway to the Flathead Forest Boundary, the point of beginning.

NOTE: Stillwater Game Preserve closed to hunting.

112 - Blacktail: Those portions of Flathead and Lake Counties lying within the following-described boundary: Beginning where the Thompson River County Road meets U. S. Highway 2, then southerly along the Thompson River Road to Shroder Creek Road and U. S. F. Trail 137, then easterly along said road and trail to Trail No. 132, then southeasterly to Trail 290, then along said trail to the Flathead Indian Reservation Boundary, then easterly along said boundary to Flathead Lake, then northerly and easterly along the shore of said lake to the Flathead River, then northerly along said river to State Route 35, then westerly along said route and U. S. Highway 2 to the Thompson River County Road, the point of beginning.

121 - West Clark Fork: That portion of Sanders County lying within the following-described boundary: Beginning on the Lincoln-Sanders County Line meets the Idaho State Line, then easterly along said county line to the Vermillion River-Fishtrap Creek Divide, then southerly along said divide and the Graves Creek-Fishtrap Creek Divide to Mt. Headley, then southerly along Trail 450 to Trail 437, then southeasterly along said trail and Forest Road 7671 to the West Fork Thompson River Road, then down said road to the Thompson River Road, then

Dept. of Fish, Wildlife & Parks

709 - Little Beaver: Those portions of Carter, Custer, Fallon, Prairie, Richland and Wibaux Counties lying within the following-described boundary: Beginning at the Powderville Bridge at Powderville, then north down the Powder River to its intersection with U. S. Highway 12 at Locate, then west on U. S. Highway 12 to its junction with U. S. Interstate 94, then northeast along U. S. Interstate 94 to its junction with the Montana-North Dakota state line, then south along the Montana-North Dakota state line to its intersection with the Tie Creek Road, then west along the Tie Creek Road to its intersection with Route 323 at Belltower Hall, then north on said road to its junction with the Powderville-Ekalaka Cut-off Road at Ekalaka, then west on the Powderville-Ekalaka Cut-off Road to the Powderville Bridge, the point of beginning.

710 - Ingomar: Those portions of Rosebud, Treasure, Yellowstone, Musselshell and Garfield Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 12 and U. S. Interstate 94 at Forsyth, then west along U. S. Interstate 94 to the Custer-Melstone Road at Custer, then northwest along the Melstone-Custer Road to U. S. Highway 12 at Melstone, then east along U. S. Highway 12 to the Musselshell River, then north down the Musselshell River to State Route 200 near Mosby, then northeast along State Route 200 to the Edwards-Ingomar Road, then south along the Edwards-Ingomar Road to U. S. Highway 12, then southeast along U. S. Highway 12 to U. S. Interstate 94 to Forsyth, the point of beginning.

711 - Big Dry: Those portions of Rosebud, Garfield, McCone, Prairie and Custer Counties lying within the following-described boundary: Beginning at the junction of Little Porcupine Road and U. S. Highway 12 near Forsyth, then northwest along U. S. Highway 12 to the Ingomar-Edwards Road near Ingomar, then north along the Ingomar-Edwards Road to State Route 200, then east along State Route 200 to its junction with the U-AI Road, then south on the U-AI Road to State Route 22 at Rock Springs, then south on Route 22 to the Angela Road at Angela, then west along the Angela Road to the Little Porcupine Road, then south along the Little Porcupine Road to U. S. Highway 12 near Forsyth, the point of beginning.

712 - Wolf Mountain: Those portions of Treasure, Big Horn, Rosebud and Custer Counties lying within the following-described boundary: Beginning at the Bighorn River Bridge on U. S. Interstate 90 near Hardin, then northwest along U. S. Interstate 90 to State Route 47, then north along State Route 47 to U. S. Interstate 94, then northeast along U. S. Interstate 94 to the junction of U. S. Interstate 94 and the Tongue River near Miles City, then southeast along the Tongue River to the Northern Cheyenne Reservation boundary, then west along said Reservation boundary to the Crow Reservation boundary, then north and west along said Reservation boundary to the Bighorn River, then south up the Bighorn River to the bridge on U. S. Interstate 90, the point of beginning.

713 - Sunday Creek: Those portions of Custer and Rosebud Counties lying within the following-described boundary: Beginning at the junction of State Route 59 and Interstate 94 at Miles City, then west along Interstate 94 to U. S. Highway 12 at Forsyth, then northwest along U. S. Highway 12 to the Little Porcupine Road, then north along the Little Porcupine Road to the Angela Road, then east along the Angela Road to State Route 22, then southeast along State Route 22 to Interstate 94, the point of beginning.

714 - Sheep Mountain: Those portions of Custer, Rosebud, Garfield, Prairie, McCone, and Dawson Counties lying within the following-described boundary: Beginning at the intersection of Interstate 94 and State Route 59 at Miles City, then north along U. S. Highway 312 to State Route 22, then northwest along State Route 22 to the U-AI Road at Rock Springs, then north along the U-AI Road to State Route 200, then northeast along State Route 200 to Circle and the intersection of State Route 200 South, then southeast along State Route 200 South to the intersection of Interstate 94 at Glendive, then southwest along Interstate 94 to State Route 59 at Miles City, the point of beginning.

715 - Camp's Pass: Those portions of Bighorn, Carter, Custer, Powder River and Rosebud Counties lying within the following-described boundary: Beginning at the junction of the Montana-Wyoming state line and the Crow Reservation boundary, then north along the Montana-Wyoming state line to the Northern Cheyenne Reservation boundary, then east along the Northern Cheyenne Reservation boundary to the Tongue River, then north down the Tongue River to its intersection with U. S. Interstate 94 near Miles City, then northeast along U. S. Interstate 94 to its junction with U. S. Highway 12, then east on U. S. Highway 12 to the junction with the Powder River at Locate, then south up the Powder River to the Powderville Bridge, then south on the Hammond-Powderville Road to the junction with U. S. Highway 212 at Hammond, then west on U. S. Highway 212 to the Powder River Bridge at Broadus, then south up the Powder River to the Montana-Wyoming state line, then west along the Montana Wyoming state line to the Crow Reservation boundary, the point of beginning.

716 - Big Gumbo: Those portions of Carter and Powder River Counties lying within the following-described boundary: Beginning at the intersection of Route 323 and the Ekalaka-Chalk Buttes Road in Ekalaka, then south along Route 323 to the Hammond-Ridgeway Road, then southwest along the Hammond-Ridgeway Road to U. S. Highway 212, then northwest along U. S. Highway 212 to the Hammond-Powderville Road at Hammond, then north along the Hammond-Powderville Road to the Powderville-Ekalaka Road, then east along the Powderville-Ekalaka Road to the Ekalaka-Chalk Buttes Road, then north along the Ekalaka-Chalk Buttes Road to Route 323 in Ekalaka, the point of beginning.

717 - Little Powder-Little Missouri: Those portions of Carter and Powder River Counties lying within the following-described boundary: Beginning at the junction of Route 323 and the Tie Creek Road at Bell Tower Hall, then southeast along the Tie Creek Road to the Montana-South Dakota state line, then south along the Montana-South Dakota state line to the junction of the Montana-South Dakota-Wyoming state lines, then west along the Montana Wyoming state line to the Powder River, then northeast along the Powder River to U. S. Highway 212 at Broadus, then southeast along U. S. Highway 212 to its intersection with the Hammond-Ridgeway Road near Hammond, then northeast along the Hammond-Ridgeway Road to its intersection with Route 323, then north along said road to its junction with the Tie Creek Road, the point of beginning.

southerly along said road to State Route 200, then westerly along said route to the Idaho State Line, then northerly along said state line to the Sanders Lincoln County Line, the point of beginning.

122 - Thompson River: That portion of Sanders County lying within the following described boundary: Beginning where the Thompson River County Road meets U. S. Highway 2, then southerly along said road to the Shroder Creek Road and U. S. Forest Service Trail 137, then easterly along said road and trail to Trail 132, then southeasterly to Trail 290, then along said trail to the Flathead Indian Reservation boundary, then southerly along said boundary to State Route 200, then westerly along said route to the Thompson River Bridge, then north easterly up the Thompson River to the West Fork of the Thompson River, then up the West Fork to Four Lakes Creek, then westerly up said creek to the North Fork of Four Lakes Creek, then northwesterly up the North Fork to Forest Road 7671 and Trail 437, then westerly up said trail to Trail 450, then northerly on said trail to Mt. Headley, then northerly along the divide between Graves Creek and West Fork of Fishtrap Creek to the Vermillion River Divide, then northerly along the Vermillion-Thompson River Divide to the Sanders-Lincoln County Line, then easterly along said county line to U. S. Highway 2, then easterly along said highway to the Thompson River County Road, the point of beginning.

140 - Lower South Fork: That portion of Flathead County lying within the following-described boundary: Beginning at Inspiration Point on the Swan Divide, then northerly along ridge to U. S. Forest Service Trail 218, then in an easterly direction down Gorge Creek to Trail 115, then northeast along said trail to Trail 226 (Picture Peak Trail), then up said trail to Trail 107 near Picture Peak, then northerly along said trail and ridge to the south side of Sarah Peak, then east down the main creek to the mouth of Mid Creek and Trail 103, then up said trail to Trail 89 on Silvertip Creek, then northerly on said trail to the Silvertip Cabin and Trail 83, then northwesterly along said trail to Trail 43, then northwesterly along said trail to Trail 237 near Gunsight Lake, then northwesterly along said trail to its junction with Miner Creek, Trail 81, then northwesterly to the divide between the South and Middle Forks of the Flathead River, through Horseshoe Peak, Twin Peak, Prospector Mountain, Mount Baptiste, Red Sky Mountain, Unawah Mountain, Felix Peak, Mount Cameahwait, Mount Adams, Mount Liebeg, Mount Grant, Great Northern Mountain, Nyack Mountain, Mount Penrose, Great Bear Mountain, to the Trail 388, then northerly to Ousel Peak and Ousel Creek Trail 331, then down said trail to U. S. Highway 2, then westerly along said Highway to Ousel Creek, then northerly down Ousel Creek to the Middle Fork of the Flathead River and Glacier National Park boundary, then westerly along said boundary to the North Fork of the Flathead River, then down the Flathead River to the South Fork of the Flathead River, then up the South Fork of the Flathead River to Frank Creek, then up Frank Creek to Forest Service Trail 51, then up said trail to Dons Mountain in the Swan Divide, then southerly along said divide to Inspiration Point, the point of beginning.

141 - Middle Fork: That portion of Flathead County lying within the following-described boundary: Beginning on the Continental Divide at the junction of Lodgepole Creek Trail 179, then northerly along said divide to the Glacier National Park boundary at Marias Pass, then westerly along said boundary to Ousel Creek, then southerly up said creek to U. S. Highway 2, then easterly along said highway to the Ousel Creek Trail 331, then up said trail past Ousel Peak and along Trail 388 to the divide between the South and Middle Forks of the Flathead River, then southeasterly along said divide through Great Bear Mountain, Penrose, Nyack

Mountain, Great Northern Mountain, Mount Grant, Mount Liebig, Mount Adams, Mount Carmahwait, Felix Peak, Unawah Mountain, Red Sky Mountain, Mount Baptiste, Prospector Mountain, Twin Peak, and Horseshoe Peak to Miner Creek trail 81 near Whitcomb Peak, then southerly along said trail to Trail 237 then southerly along said trail and Trail 43 past Gunsight Peak to the divide between Schafer Creek and Dean Creek, then easterly and southerly along said divide and Elk Ridge Trail 333 to Trail 359, then easterly along said trail to the junction of Trail 173, then in a southeasterly direction along the Middle Fork - South Fork Divide over Pentagon Mountain to Switchback Pass and Kevan Mountain, then northerly along the Continental Divide to Lodgepole Creek Trail 179, the point of beginning.

211- Upper Rock Creek: That portion of Granite County lying within the following-described boundary: Beginning at the point where State Route 38 crosses the Bitterroot River-Rock Creek Divide, then east along Route 38 to its junction with the East Fork of Rock Creek Road, then south and southeast along said road to its junction with the East Fork of Rock Creek Trail above the East Fork Reservoir, then southerly along said trail to its junction with the Page Creek Trail, then east and southeasterly up said trail to its junction with the Continental Divide near Mt. Tiny, then along said divide southwesterly to the Bitterroot River-Rock Creek Divide, then along said divide northerly to State Route 38, the point of beginning.

212- Flint Creek Range: Those portions of Deer Lodge, Granite and Powell Counties lying within the following-described boundary: Beginning at Anaconda, then west and north along U. S. Highway 12 to the Continental Divide at MacDonald Pass, then in a southwesterly direction along said divide to the Silver Bow County Line, then in a southeasterly direction along said county line to its junction with Interstate Highway 90, then north along said highway to Garrison, the point of beginning.

214- Mill Creek-Georgetown Lake: Those portions of Deer Lodge and Granite Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 10A and Route 274 (Mill Creek Road), then southwesterly along said route to the Continental Divide, then westerly along said divide to the Page Creek Trail, then northwesterly down said trail to its junction with the East Fork of Rock Creek Trail, then northerly along said trail to the road above East Fork Reservoir, then northwest and north along the East Fork Road to its junction with State Route 38, then northeast along said route to its junction with U. S. Highway 10A at Porter's Corner, then east along said highway to its junction with the State Route 274, the point of beginning.

215- East Deer Lodge: Those portions of Powell and Deer Lodge Counties lying within the following-described boundary: Beginning at Garrison, then in an easterly direction along U. S. Highway 12 to the Continental Divide at MacDonald Pass, then in a southwesterly direction along said divide to the Silver Bow County Line, then in a southeasterly direction along said county line to its junction with Interstate Highway 90, then north along said highway to Garrison, the point of beginning.

230- Lolo, Petty, Miller Creeks: Those portions of Mineral, Missoula, and Ravalli Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 93 and the Carlton Lake Road, then westerly along said road to Carlton Lake, then westerly to Lolo Peak, then southwesterly following the divide between the South Fork of Lolo Creek and the Bitterroot River to the Montana-Idaho border, then along said border westerly and northerly to the headwaters of Straight Creek above Straight Lake, then easterly along Straight Creek to the North Fork of Straight Creek, then easterly along said creek to the main Straight Creek Road, then north along said road to U. S. Highway 10, then east along said highway to its junction with County Route 46 near Turah, then southwest along said route to Crystal Creek, then south along Crystal Creek to its head at the Clark Fork-Bitterroot Divide, then southeast along said divide to the Eight Mile-Schwartz Creek Road, then westerly along said road to Route 203, then west along said route to U. S. Highway 93 at Florence, then north along said highway to the Carlton Lake Road, the point of beginning.

240- West Bitterroot: Those portions of Ravalli and Missoula Counties lying within the following-described boundary: Beginning at Florence, then south along U. S. Highway 93 to Tin Cup Creek, then west up said creek to the Montana-Idaho border, then north along said border to the Lolo Creek-Bitterroot River Divide, then northeast along said divide to Lolo Peak, then east to Carlton Lake, then east along the Carlton Lake Road to U. S. Highway 93, then south along Highway 93 to Florence, the point of beginning.

250- West Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at the junction of Tin Cup Creek and U. S. Highway 93, then southerly along U. S. Highway 93 to the Montana-Idaho border, then southwesterly and northerly along said border to Tin Cup Creek headwaters, then easterly down Tin Cup Creek to its junction with U. S. Highway 93, the point of beginning.

261- East Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at Hamilton, then north on Routes 269 and 203 to the Eight-mile Creek Road, then east along said road to the Rock Creek-Bitterroot Divide, then south along said divide to State Route 38, then west along said road to U. S. Highway 93, then north along Highway 93 to Hamilton, the point of beginning.

NOTE: Skalkaho Game Preserve shall be closed to all hunting beginning at Eagle Point, then south along the Bitterroot-Rock Creek Divide to Skalkaho Pass, then westerly along State Route 38 to U.S.F.S. Trail 108, then northerly along said trail to the Grid-Skalkaho Divide Road near Grid Point, then northerly along said road to Skalkaho Mountain, then northerly along the old trail to Foot Hen (Willow) Lake, then north down the old trail following a fork of Willow Creek to the Willow Creek-Burnt Fork Lake Trail (Forest Trail 300), then easterly along said trail to Burnt Fork Lake, then northerly along Trail 321 (Burnt Fork Creek Trail) to Trail 147, then easterly along Trail 147 to Eagle Point, the point of beginning, shall be closed to all hunting.

270- East Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at the junction of U. S. Highway 93 and the Skalkaho Road (Route 38), then easterly along said road to the Bitterroot-Rock Creek Divide, then southerly along said divide to its junction with the Continental Divide, then southwesterly along said divide to the Montana-Idaho State Line, then westerly along the state line to U. S. Highway 93, then northerly along said highway to its junction with Skalkaho Road (Route 38), the point of beginning.

292- West Gamet: Those portions of Missoula, Granite and Powell Counties lying within the following-described boundary: Beginning at Milltown, then east along State Route 200 to Ovando, then southeast along the county road to Helmtville, then southerly along Route 271 to Interstate Highway 90, then westerly along said highway to Milltown, the point of beginning.

300- Medicine Lodge - Lima Peaks: That portion of Beaverhead County lying within the following-described boundary: Beginning at the junction of U. S. Interstate 15 and State Route 324 at Clark Canyon Dam, then westerly and southerly along said route to the Montana-Idaho State Line (Bannack Pass), then easterly and southeasterly along said line to U. S. Interstate 15 at Monida Pass, then westerly and northerly along said Interstate to State Route 324 at Clark Canyon Dam, the point of beginning.

301- Horse Prairie: That portion of Beaverhead County lying within the following-described boundary: Beginning at the junction of U. S. Interstate Highway 15 (U. S. Highway 91) and State Route 278 south of Dillon, then southerly along said highway to Route 324, then westerly and southerly along said route to the Montana-Idaho State Line (Bannack Pass), then northwesterly along said state line to the Bloody Dick-Big Hole Divide, then northerly along said divide and the Big Hole-Selway Creek Divide to Bloody Dick Peak, then northerly from said peak along the Big Hole-Grasshopper Creek Divide (Big Hole Divide) to State Route 278, then easterly along said route to Interstate 15, the point of beginning.

302- East Big Hole: Those portions of Beaverhead, Deer Lodge and Silver Bow Counties lying within the following-described boundary: Beginning at Wisdom and State Route 43, then northeasterly along said route to the Bryant access road at Dickey Bridge, then westerly along said road to the divide between Teddy Creek and Bryant Creek, then southwesterly up said divide and the Foolhen Divide between Bryant and Alder Creeks to Foolhen Mountain, then southerly from said mountain along the Big Hole-Wisdom and Big Hole-Grasshopper Divides to State Route 278 (Big Hole Pass), then northwesterly along said route to State Route 43, at Wisdom, the point of beginning.

306- Porcupine-Buffalo Horn: That portion of Gallatin County lying within the following-described boundary: Beginning at the intersection of the Porcupine-Levinski Creek Divide and the Gallatin River, then easterly along said divide and the Porcupine-Porter Creek Divide to the Yellowstone-Gallatin Divide near Eaglehead Mountain, then southerly along said divide to the Yellowstone National Park Boundary, then westerly and southerly along said boundary to the West Gallatin River, then northerly down the West Gallatin River to the Porcupine-Levinski Creek Divide, the point of beginning.

NOTE: The Gallatin Closed Area shall be closed to moose hunting. Boundary description on page 8.

307- Sage Creek: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at Snowflake Springs and the toe of Snowflake Ridge, then up Snowflake Ridge in a southerly direction and along a posted boundary and the Sage Creek-Monument Creek divide and along the Sage Creek-Snowflake Creek divide and along the Sage Creek-Bacon Rind Creek divide to the Gallatin-Madison Rivers divide at Red-streak Peak, then in a northwesterly direction along the Gallatin-Madison divide to the Sage Creek-Wapiti Creek divide, then northeasterly along the Sage-Wapiti and Sage-Taylor divide to the Gallatin River, then southeasterly along said river to Snowflake Springs and the toe of Snowflake Ridge, the point of beginning.

308- West Fork-Porter Creeks: Those portions of Madison and Gallatin Counties lying within the following-described boundary: Beginning at the junction of Buck Creek and the West Gallatin River, then westerly and northerly up Buck Creek to the Madison-Gallatin Divide, then northerly along said divide to the Spanish-Hellroaring-West Fork Divide, then easterly along said divide and the Dudley Creek-West Fork Divide to the West Gallatin River, then northerly down the Gallatin River to Greek Creek, then easterly up Greek Creek to the Swan-Squaw Creek Divide, then easterly along said divide to Hyalite Peak, then southerly along the Yellowstone-West Gallatin River Divide to the Portal-Levinski-Porcupine Creeks Divide near Eaglehead Mountain, then westerly along the Porcupine-Porter Divide and the Porcupine-Levinski Creek Divide to the West Gallatin River, then southerly up the Gallatin River to Buck Creek, the point of beginning.

309- Cabin Creek: Those portions of Madison and Gallatin Counties lying within the following-described boundary: Beginning at the junctions of U. S. Highway 287 and U. S. Highway 191 at Duck Creek Y, then northerly along U. S. Highway 191 to the Yellowstone National Park boundary, then northerly along said boundary to the Gallatin-Madison Divide, then westerly along said divide to the Beaverhead-Gallatin National Forest Boundary, then southerly along said boundary to Rock Creek, then down U. S. Highway 191 to Highway 287, then easterly along said highway to its junction with U. S. Highway 191 at Duck Creek Wye, the point of beginning.

310- Taylor Fork: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the intersection of the Gallatin River and the Sage Creek-Taylor Fork Ridge (divide), then southwesterly along the Sage-Taylor divide and along the Wapiti Creek-Taylor Fork divide to the Gallatin River-Madison River divide, then westerly and northerly along said divide to Buck Creek, then southerly and easterly down Buck Creek to the Gallatin River, then up said river in a southerly direction to the intersection of the Gallatin River and the Sage-Taylor Fork Ridge, the point of beginning.

311- Hyalite-Squaw Creek: Those portions of Gallatin and Park Counties lying within the following-described boundary: Beginning at the intersection of Greek Creek and the Gallatin River, then up Greek Creek to the Swan-Squaw Creeks Divide, then easterly up said divide to Hyalite Peak and the Gallatin-Yellowstone Divide, then northerly along said divide to the Hyalite-Sourdough Creek Divide, then northerly along said divide to the Hodgman Canyon-Leverich Creeks Divide, then northwesterly along said divide to the Hyalite Road (So. 19th), then northerly along said road to U. S. Highway 191, then westerly along U. S. Highway 191 and Route 289 to Sheds Bridge on the West Gallatin River, then southerly up the Gallatin River to Greek Creek, the point of beginning.

312- Bridger: Those portions of Gallatin, Meagher and Park Counties lying within the following-described boundary: Beginning at the junction of Interstate 90 and 89 at Livingston, then northerly along said U. S. Highway 89 to Sixteenmile Creek, then westerly along said creek to the Missouri River then southerly up said river to the Jefferson River, then southwesterly up said river to Interstate 90, then easterly along said highway to the junction with U. S. Highway 89, at Livingston the point of beginning.

313- Spanish Peaks: Those portions of Madison, Gallatin, Jefferson and Broadwater Counties lying within the following-described boundary: Beginning at the intersection of the West Gallatin-Budley Creek Divide and the Gallatin River, then down the Gallatin River in a northerly direction to Sheds Bridge and Route 289, then easterly along U. S. Highway 191 to its intersection with U. S. Highway 10, near Bozeman, then westerly along U. S. Highway 10 State Highway 287 at Sappington Junction, then southerly along said highway to the Madison River near Ennis, then northerly along east shore of the Madison River and the east shore of Ennis Lake to Trail Creek, then up Trail Creek in a southeasterly direction to the Madison-Cherry Creek Divide near Red Knob Mountain, then southerly along said divide to the Gallatin-Madison divide, then southerly along said divide to the Spanish Creek-West Fork Gallatin-Hellroaring Creek Divide, then easterly along said divide to Wilson Peak, then easterly down the Dudley Creek-West Fork Gallatin Divide to the Gallatin River, the point of beginning.

314- Upper Yellowstone-West: Those portions of Gallatin and Park Counties lying within the following-described boundary: Beginning at confluence of Eight Mile Creek and the Yellowstone River, then westerly up said creek to the Gallatin-Yellowstone Divide, then southerly along said divide to the Yellowstone National Park Boundary, then easterly along said boundary to the Yellowstone River, then northerly down said river to the confluence with Eight Mile Creek, the point of beginning.

315- Bear Canyon-Trail Creek: Those portions of Gallatin and Park Counties lying within the following-described boundary: Beginning at the intersection of U. S. Highway 10 and 191 in Bozeman, then westerly along U. S. Highway 191 to the Hyalite Road (So. 19th), then southerly along said highway to the Hodgman Canyon-Leverich Creeks Divide, then southeasterly along said divide to the Sourdough-Hyalite Creeks Divide, then southeasterly along said divide to the Gallatin-Yellowstone Divide, then down the North Fork of Eight Mile Creek to Eight Mile Creek, then down said creek to the Yellowstone River, then down said river northerly to Interstate 90 at Livingston, then westerly along said highway to its intersection with U. S. Highway 191 in Bozeman, the point of beginning.

316- Hellroaring-Cottonwood: That portion of Park County lying within the following-described boundary: Beginning at the divide between Crevise and Cottonwood Creeks on the Yellowstone National Park Boundary, then northerly along said divide and the Crevise-Hellroaring Divide to Ash Mountain, then northerly and northeasterly along the Bear-Hellroaring and Mill-Hellroaring Creek Divide to Wallace and Crow Mountains, then southeasterly from Crow Mountain along the Hellroaring-Boulder River Divide to the Hellroaring-Buffalo Creeks Divide, then southerly along said divide over Iron Mountain and Niggerhead Butte to the Yellowstone National Park Boundary, then west along said boundary to the divide between Crevise and Cottonwood Creeks, the point of beginning.

317- Buffalo Fork: That portion of Park County lying within the following-described boundary: Beginning at the divide between Buffalo Fork and Hellroaring Creeks on the Yellowstone National Park Boundary, then northerly along said divide over Niggerhead Butte and Iron Mountain to the divide between Hellroaring and Buffalo Fork-Slough Creeks and the Boulder River, then southeasterly along said divide to the divide between Buffalo Forks and Slough Creeks, then southerly along said divide over Roundhead Butte and Lookout Mountain to the Yellowstone National Park Boundary, then west along said boundary to the divide between Buffalo Forks and Hellroaring Creeks, the point of beginning.

318- Slough Creek: Those portions of Sweet Grass and Park Counties lying within the following-described boundary: Beginning at the divide between Slough and Buffalo Fork Creeks on the Yellowstone National Park Boundary, then northerly along said divide over Lookout Mountain and Roundhead Butte to the divide between Buffalo Fork-Slough Creeks and the Boulder River, then northeasterly along said divide to the Custer-Gallatin National Forest Boundary near Pinnacle Mountain, then southeasterly along said forest boundary to the Yellowstone National Park Boundary near Wolverine Peak, then westerly along said park boundary to the divide between Slough and Buffalo Forks Creeks, the point of beginning.

319- Fleece-High Ryde: Those portions of Silver Bow and Deer Lodge Counties lying within the following-described boundary: Beginning at the junction of Interstate 90 and U. S. Highway 91 near Rocker, then southerly along U. S. Highway 91 to its junction with State Highway 43, then westerly along State Highway 43 to its junction with State Route 274, then northerly up said State Route 274 to U. S. Highway 10A, then easterly along said highway to Interstate 90, then easterly along Interstate 90 to U. S. Highway 91, the point of beginning.

321- Fishtrap: That portion of Deer Lodge County lying within the following-described boundary: Beginning at the intersection of State Highway 43 and the LaMarche Creek Road, then northwesterly up the LaMarche Creek Road to its junction with the west fork of Le-Marche Creek Trail 126, then westerly up Trail 126 to the Continental Divide at Cutaway Pass, then southerly along the Continental Divide to the Mudd Creek-Pintlar Creek Divide near East Pintlar Peak, then southeasterly along said divide to the forest boundary, then southerly along the forest boundary to its intersection with the Pintlar Lake Road, then southeasterly along said road to its intersection with the North Fork Road, then northeasterly along said road to State Highway 43, then northeasterly along said highway to its intersection with the LaMarche Creek Road, the point of beginning.

322- Upper Stillwater: That portion of Park County lying within the following-described boundary: Beginning at Slough Creek-Stillwater River Divide near Wolverine Peak, then northerly along said divide to the Park County Line near Timberline Mountain, then east and south along said line to the Montana-Wyoming State Line, then west along said line to the Yellowstone National Park Boundary, then northerly along said boundary to the Slough Creek-Stillwater River Divide at Wolverine Peak, the point of beginning.

NOTE: The Cooke City Moose Closure shall be closed to the hunting of moose. Beginning at the point where U. S. Highway No. 212 crosses the Montana-Yellowstone Park boundary, then north along this boundary to a point one-half mile north of U. S. Highway No. 212, then east along a line one-half mile north of U. S. Highway No. 212 and parallel to U. S. Highway No. 212 to the Montana-Wyoming boundary, then west along this line to the Montana-Yellowstone Park boundary, then north to the point of beginning.

323- South Big Hole: That portion of Beaverhead County lying within the following-described boundary: Beginning at the junction of the Twin Lakes Road and Route 278 (in sec. 21), then westerly along said road to its junction with the divide between the Dry Creek and Big Lake Creek drainages, then westerly along said divide to the Montana-Idaho State Line, then southerly along said state line to the Bloody Dick-Big Hole Divide, then easterly along said divide and the Big Hole-Horse Prairie Divide to the Big Hole-Grasshopper Divide, then northerly along said divide to Route 278 at Big Hole Pass (Carroll Hill), then westerly and northerly along said route to its junction with the Twin Lakes Road, the point of beginning.

324- Wise River-Grasshopper-Pioneer: Those portions of Beaverhead, Silver Bow and Madison Counties lying within the following-described boundary: Beginning at the junction of U. S. Highway 91 (Interstate 15) and State Route 278 south of Dillon, then westerly along said route to Carroll Hill on the Big Hole-Grasshopper Divide, then northerly along said divide to the Big Hole-Big Hole Divide to Foolhen Mountain and the Bryant Creek-Alder Creek Divide, then northeasterly down said divide (Foolhen Ridge) and the Bryant Creek-Teddy Creek Divide to the Bryant Creek access road, then easterly along said road to State Route 43, then easterly along said route to U. S. Highway 91 (U. S. Interstate Highway 15) at Divide, then southerly along said highway to its junction with State Route 278, the point of beginning.

325- Seymour-Deap Creek: Those portions of Deer Lodge County lying within the following-described boundary: Beginning at the junction of State Highway 43 and State Route 274 then westerly along State Highway 43 to the LaMarche Creek Road, then northerly along the LaMarche Creek Road to the LaMarche Creek Trail No. 126, then northwesterly along Trail No. 126, to the Continental Divide at Cutaway Pass, then northerly and easterly along the Continental Divide to State Route 274, then southerly along State Route 274 to State Highway 43, the point of beginning.

326- North Fork Big Hole River: That portion of Deer Lodge County lying within the following-described boundary: Beginning at the intersection of the North Fork Road and State Highway 43 near Mudd Creek, then southwesterly along the North Fork Road to its intersection with the Pintlar Lake Road, then northwesterly along the Pintlar Lake Road to the USFS boundary, then northerly and easterly along said boundary to the Mudd Creek-Pintlar Creek divide, then northwesterly along said divide to the Continental Divide near East Pintlar Peak, then southwesterly along the Continental Divide to its intersection with State Highway 43 at Chief Joseph Pass, then easterly and northerly along said highway to the point of beginning.

327- Ruby Creek-Yank Swamp: That portion of Beaverhead County lying within the following-described boundary: Beginning at the junction of the Twin Lakes Road and Route 278 (in sec. 21), then westerly along the Twin Lakes Road to its junction with the divide between the Dry Creek and Big Lake Creek drainages, then westerly along said divide to the Montana-Idaho State Line, then northerly along said line to its junction with Highway 43 at Lost Trail Pass, then easterly down said highway to the town of Wisdom, then southerly down Route 278 to the junction of the Twin Lakes Road, the point of beginning.

328- Eagle Creek-Bear Creek: Those portions of Park County lying within the following-described boundary: Beginning on the Yellowstone River at the Yellowstone National Park boundary, then easterly along said boundary to the divide between Crevise and Cottonwood Creeks, then northerly along said divide to the divide between Ash Mountain and northerly and northeasterly along the Bear-Hellroaring and Bear-Milli Creeks divides to Monitor Peak, then westerly along the divide to Sliding Mountain, Red Mountain and then Dome Mountain, then southeasterly down the east face of Dome Mountain to the U. S. Forest Service Campground in Yankee Jim Canyon, then east from said campground to the Yellowstone River, then southerly up said river to the Yellowstone National Park boundary, the point of beginning.

329- Upper Yellowstone East: Those portions of Park County lying within the following-described boundary: Beginning at Livingston at the intersection of U. S. Highway 10 and the Yellowstone River, then easterly along said highway to the Park-Sweet Grass County line, then south along said line to the Yellowstone River - West Boulder River Divide, then southerly along said divide to Mt. Cowan, then southeasterly along the Mill Creek Divide to the Pyramid and Crow Mountains, then southeasterly along said divide to Mount Wallace and Monitor Peak, then northwesterly and westerly along the divide to Sliding Mountain, Red Mountain and then Dome Mountain, then southeasterly down the east face of Dome Mountain, then southeasterly down the east face of Dome Mountain, then southeasterly down the east face of Dome Mountain, the point of beginning.

tain to the U. S. Forest Service campground in Yankee Jim Canyon, then east from said campground to the Yellowstone River, then northerly down said river to its intersection with U. S. Highway 10 at Livingston, the point of beginning.

330- Gravely: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at U. S. Highway 287 and Talc-Jonny Ridge Road (near Indian Creek), then southerly along said route and Highway 87 to the Montana-Idaho State Line, then southerly along said state line to the Red Rock Pass, then westerly along the Centennial Valley Road to the east end of the Red Rock Refuge, then northerly and westerly along the north Centennial Road to the junction of the Metzel Creek Road (near the Staudenmeier Ranch), then northerly on said road to the Gravelly Range Road (near Eureka Basin), then northerly along said road to the junction of the Johnny Gulch (McAfee Bridge) Road, then easterly down U. S. Highway 287, the point of beginning.

331- Ruby: Those portions of Madison and Beaverhead Counties lying within the following-described boundary: Beginning at Twin Bridges and State Route 287, then easterly along said route to Ennis, then southerly along said route to the junction of the Johnny Gulch (McAfee Bridge) Road, then westerly up said road to the Gravelly Range Road, then southerly along said road to the junction of the Ruby River Road, and then southerly along said road to the Ruby-Centennial Creek divide, then westerly along said divide to the Centennial-Blacktail divide and the Ruby-Blacktail divide and the Sweetwater-Beaverhead divide to the Sweetwater Road, then westerly along said road to Dillon and State Route 41, then northeasterly along said route to State Route 287 at Twin Bridges, the point of beginning.

333- Centennial: Those portions of Beaverhead and Madison Counties lying within the following-described boundary: Beginning at Lima, then easterly along the north side Centennial-Lima Road to the Clover Creek Road, then northerly along said road to Centennial-Blacktail Divide, then easterly along said divide and the Ruby-Centennial Divide to the Ruby-Long Creek Road, then northerly along said road to the junction of the Eureka Basin Road, then easterly up said road to the Metzel Creek Road (near Eureka Basin), then southerly down said road to its junction with the North Centennial Road, then westerly along said road to its junction with the south Centennial County Road, then westerly along said road to its junction with the Montana-Idaho state line, then westerly along said state line to U. S. Highway 91 (U. S. Interstate Highway 15), then westerly along said highway to Lima, the point of beginning.

334- Red Rock-Odel: Those portions of Beaverhead County lying within the following-described boundary: Beginning at Red Rock Pass on the Montana-Idaho State Line, then westerly along the Centennial Valley Road to the East end of the Red Rock Refuge, then northerly and westerly along the north Centennial Road to the junction of the Brundage Lane Road, then southerly along said road to its junction with the south Centennial County Road, then westerly along said road to its junction with the divide between Jones and Winslow Creeks, then southerly up said divide to the Montana-Idaho state line, then westerly along said state line to U. S. Highway 91 (U. S. Interstate Highway 15), then westerly along said highway to Lima, the point of beginning.

340- Highlands: Those portions of Beaverhead, Madison, Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Dillon, then northerly along U. S. Highway 10A to State Route 287 at Twin Bridges, then northerly along said route to U. S. Highway 10, then northwesterly along said highway to U. S. Highway 91, then southerly along said highway to Dillon, the point of beginning.

350- Whitehall: Those portions of Silver Bow and Jefferson Counties lying within the following-described boundary: Beginning at Butte, then southerly along U. S. Highway 10 to Whitehall, then northerly along the Whitehall-Boulder Road to U. S. Highway 91 at Boulder, then southwesterly along said highway to Butte, the point of beginning.

360- East Madison: That portion of Madison County lying within the following-described boundary: Beginning at the bridge on the Madison River and U. S. Highway 287 at Ennis, then southerly and easterly along said highway to Rock Creek in the vicinity of Ouske Lake, then up Rock Creek in a northwesterly direction to the Beaverhead-Gallatin National Forest Boundary, then north along said boundary and the Madison-Gallatin Divide and the Madison-Cherry Creek Divide to the head of Trail Creek near Red Knob Mountain, then in a northwesterly direction down Trail Creek to the Madison River, then southerly up the east shore of the Madison River and the east shore of Ouske Lake to the bridge on the Madison River and U. S. Highway 287 at Ennis, the point of beginning.

361- East Hebgren: That portion of Gallatin County lying within the following-described boundary: Beginning where the western boundary of the Yellowstone National Park intersects the Montana-Idaho State Line, then northerly along the Yellowstone National Park Boundary to its intersection with U. S. Highway 191, then southerly along said highway to its junction with U. S. Highway 287 at the Duck Creek Y, then westerly to the intersection of U. S. Highway 287 and Hebgren Lake Dam, then across said dam to the western shore of Hebgren Lake, then along the west shore of Hebgren Lake to the South Fork of the Madison River, then southerly up the South Fork of the Madison River to Reas Pass and the Montana-Idaho State Line, then easterly along the state line to its intersection with the Yellowstone Park Boundary, the point of beginning.

362- West Hebgren: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at Reas Pass on the Montana-Idaho State Line, then northerly down the South Fork of the Madison River to Hebgren Lake, then easterly along the west shore of Hebgren Lake to the Hebgren Lake Dam, then across the dam to U. S. Highway 287, then westerly along said highway to Rock Creek, then southerly down Rock Creek to Ouske Lake, then westerly along the north shore of Ouske Lake and the Madison River to State Route 87, then southerly along said highway to the Montana-Idaho State Line, then southeasterly along said state line to Reas Pass, the point of beginning.

380- Radersburg: Those portions of Jefferson, Broadwater and Lewis & Clark Counties lying within the following-described boundary: Beginning at Boulder, then southerly along the Glacier Park Boundary to the Blackfoot Indian Reservation Boundary, then southeasterly along said reservation boundary to North Fork of Birch Creek Trail 121, then westerly along said route to Banger Pass, then northwesterly along the Continental Divide to Summit, the point of beginning.

NOTE: The Jefferson River Closed Area shall remain closed to the hunting of moose. Boundary description on page 8.

415- Summit-North Fork Birch Creek: Those portions of Pondera and Glacier Counties lying within the following-described boundary: Beginning at Summit, then northeast along the Glacier Park Boundary to the Blackfoot Indian Reservation Boundary, then southeasterly along said reservation boundary to North Fork of Birch Creek Trail 121, then westerly along said route to Banger Pass, then northwesterly along the Continental Divide to Summit, the point of beginning.

435- Helena-South: Those portions of Lewis and Clark and Jefferson Counties lying within the following-described boundary: Beginning at the intersection of U. S. Highway 12 and U. S. Highway 15 east of Helena, then south along U. S. Interstate Highway 15 to the Pricky Park Creek-Boulder River Divide, then westerly along said divide and the Tennille Creek-Boulder River Divide to the Continental Divide, then northerly along the Continental Divide to U. S. Highway 12, then east along said highway through Helena to the junction of U. S. Highway 12 and U. S. Interstate Highway 15, the point of beginning.

512- Stillwater: Those portions of Sweet Grass and Stillwater Counties lying within the following-described boundary: Beginning at the junction of the Rosebud River and the Stillwater River, then southwesterly up the Rosebud River to the intersection of the East and West Rosebud Rivers, then southwesterly up the West Rosebud River to Fishtail, then southerly along the Dean-Fishtail road to the intersection of the Benbow Mine Road at Dean, then southerly and southerly along said road to the Fishtail Creek-Stillwater River Divide, then southwesterly along said divide to the West Rosebud-Stillwater Rivers Divide, then southerly along said divide to the Park-Stillwater County line, then westerly along said line to the Stillwater River-Slough Creek Divide, then northerly along said divide to the Stillwater-Boulder Rivers Divide, then northeasterly along said divide to the Spring-Bridger Creeks Divide, then northeasterly along said divide to Spring Creek, then southeasterly down Spring Creek to the Stillwater River, then easterly down the Stillwater River to the mouth of the Rosebud River, the point of beginning.

513- Fishtail-Fiddler Creek: Those portions of Carbon and Stillwater Counties lying within the following-described boundary: Beginning at the intersection of the East and West Rosebud Rivers, then southwesterly up the divide between said rivers to the Park-Stillwater County Line near Granite Peak, then westerly along said line to the Stillwater-West Rosebud Rivers Divide, then northeasterly along said divide to the Stillwater River-Fishtail Creek Divide, then northerly along said divide to the Benbow Mine Road, then northerly and easterly along said road to Dean, then northeasterly along the Dean-Fishtail Road to the West Rosebud River at Fishtail, then northeasterly along said river to its intersection with the East Rosebud River, the point of beginning.

514- Rock Creek: Those portions of Carbon and Stillwater Counties lying within the following-described boundary: Beginning at Red Lodge, then east along Highway 308 to the Rock Creek-Clarks Fork River Divide, then southwest along said divide to the Montana-Wyoming state line, then west along the state line to the Custer-Gallatin National Forest boundary, then north and westerly along said boundary to the Park-Carbon County line, then north along said county line to the East and West Rosebud Rivers Divide, then northeasterly along said divide to the Roscoe-West Rosebud Road, then easterly along said road to Roscoe, then southeasterly along Route 78 from Roscoe to Red Lodge, the point of beginning.

515- Clarks Fork: That portion of Carbon County lying within the following-described boundary: Beginning at the point where the Montana-Wyoming state line intercepts the Carbon-Park County line, then north along said county line to the Custer-Gallatin National Forest Boundary, then east and south along said Forest Boundary to the Montana-Wyoming state line, then west along the state line to the Carbon-Park County line, the point of beginning.

516- Boulder: Those portions of Park and Sweet Grass Counties lying within the following-described boundary: Beginning at Big Timber then east along U. S. Interstate 90 to the Bridger Creek Road, then south along said road to the Bridger-Spring Creek Divide, then west along said divide to the Boulder-Stillwater River Divide, then southwest along said divide to Colburne Pass, then southeast from Colburne Pass and north to Mount Wallace and Monitor Peak, then northeast along the Boulder-Hellroaring/Mill Creek Divide to Mt. Cowan, then northeast along the west Boulder-Yellowstone River Divide to the Park-Sweet Grass county line, then north along said line to U. S. Interstate 90, then east along U. S. Interstate 90 to Big Timber, the point of beginning.

BIG HORN SHEEP

100 - Kootenai Falls: That portion of Lincoln County lying within the following-described boundary: Beginning where the Kootenai River meets the Idaho State Line, then northerly along said state line to the Canadian border, then easterly along said border to the west shore of Lake Kootenai (Kootenai River), then southerly along said shore to Libby Dam, and the west shore of the Kootenai River, then southerly and westerly along that shore of the Kootenai River to the Idaho State Line, the point of beginning.

121 - North Clark Fork: That portion of Sanders, Lincoln and Flathead Counties lying within the following-described boundary: Beginning where U.S. Highway 2 joins the Thompson River County Road, then southerly along said road to the Schroder Creek Road and U.S. Forest Service Trail 137, then along said road and trail to Trail 132, then southeasterly along said trail to Trail 290, then along said trail to the Flathead Indian Reservation Boundary, then southerly along said boundary to the McLaughlin Creek Forest Road No. 5581, then southwesterly along said road to State Route 200, then westerly along said road to the Vermilion River Road No. 154, then easterly along said road up the Vermilion River and Willow Creek to the East Fisher-Vermilion Divide, then northerly and westerly along said road to the Silver Butte Road No. 54, then northeasterly along said road to U.S. Highway 2, then easterly along said highway to the Thompson River County Road, the point of beginning.

122 - Clark Fork Cut-Off: That portion of Sanders County lying within the following-described boundary: Beginning at the Flathead Indian Reservation boundary on State Route 200 west of Perma, then southerly along said boundary to the Sanders County line, then westerly along said county line to the Clark Fork-Ninemile Divide, then westerly along said divide to U.S. Forest Service Trail 242, then northerly along said trail to State Route 135 then westerly along said road to U.S. Forest Service Trail 205, then along said trail in a northerly direction to U.S. Forest Service Trail 404, then westerly along said trail to the Miller Creek Loop Road, then west on said road to Compsett Peak, then westerly along U.S. Forest Service Trail 404 to the Mineral-Sanders County line, then westerly along said county line to Greenwood Hill, then northerly along the divide to Penrose Peak, Cherry Peak and Eddy Mountain, then northwesterly down ridge to the Clark Fork River and the mouth of Thompson River, then north up the Thompson River to the bridge on State Route 200, then easterly along said road to the Flathead Indian Reservation boundary, the point of beginning.

123 - Cabinet Mountains: That portion of Lincoln and Sanders Counties lying within the following-described boundary: Beginning where U.S. Highway 2 meets the Idaho State Line, then southeasterly along said highway to Libby, then southerly along Highway 2 to the Silver Butte Road 54, then southwesterly along said road to the East Fisher Creek Road 154, then easterly and southerly along said road over the East Fisher-Vermilion River divide and down Willow Creek and the Vermilion River westerly along said road to State Route 200, then westerly along said road to the Idaho State Line, then north along said state line to U.S. Highway 2, the point of beginning.

203 - Greve Creek Range: Those portions of Missoula and Mineral Counties lying within the following-described boundary: Beginning at Lolo, then westerly along U.S. Highway 12 to Forest Road 343 (Fish Creek Road), then north along said road to Interstate Highway 90, then east along said highway to the second Interstate 90 bridge east of Alberton, then easterly up the Clark Fork River to the Harper's Bridge and County Route 30 (Big Flat Road), then southerly along said road to its junction with U.S. Highway 93, then south on said highway to Lolo, the point of beginning.

210 - John Long Range: Those portions of Missoula and Granite Counties lying within the following-described boundary: Beginning at Interstate Highway 90 east of the confluence of Rock Creek and the Clark Fork River, then easterly along said highway to the confluence of Tyler Creek and the Clark Fork River, then southwesterly along Tyler Creek to its confluence with Potato Gulch, then southerly up Potato Gulch to Forest Service Trail No. 21, then southerly along said trail to the Siderock Upper Willow Creek Road, then southerly along said road to the Chico Gulch Trail No. 206, then westerly along said trail to the Ranch Creek Trail No. 65, then northerly along said trail to the Ranch Creek Road, then northwesterly along said road to Rock Creek, then northerly along Rock Creek to Interstate Highway 90, the point of beginning.

213 - South Flint Range: Those portions of Granite, Powell and Deer Lodge Counties lying within the following-described boundary: Beginning at Anaconda, then westerly along U.S. Highway 10A to the Red Lion Road, then northerly along the Red Lion Road to Racetrack Lake, then easterly down Racetrack Creek to U.S. Highway 10, then south along Highway 10 to Highway 10A, then west along Highway 10A to Anaconda, the point of beginning.

216 - West Rock Creek-Olugh Peak: Those portions of Granite and Missoula Counties lying within the following-described boundary: Beginning at Skalkaho Pass, then northerly along the Bitterroot-Rock Creek Divide to the Rock Creek Burnt Fork Trail No. 215, then easterly along said trail to the Rock Creek Road, then northerly along said road to the Ranch Creek Road, then southerly along Ranch Creek Trail No. 65 to the Chico Gulch Trail No. 206, then easterly along said trail to Sandstone Ridge, then northerly along said ridge to its junction with the Slide Rock Upper Willow Creek Road, then southeasterly along said road to its junction with the Rock Creek-Phillipsburg Road, then easterly along said highway to the range boundary between Range 15 West and Range 14 West, then southerly along said range section line to Antelope Creek, then westerly along said creek to Rock Creek, then southerly along said creek to State Route 38, then westerly along said road to Skalkaho Pass, the point of beginning.

250 - West Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at the junction of Tin Cup Creek and U.S. Highway 93, then southerly along U.S. Highway 93 to the Montana-Idaho Border, then southwesterly and northerly along said border to Tin Cup Creek Headwaters, then easterly down Tin Cup Creek to its junction with U.S. Highway 93, the point of beginning.

270 - East Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at Darby, then north along U.S. Highway 93 to its junction with County Road 87, then north along said road to its junction with State Route 501, then north along said road to its junction with the Skalkaho Road (State Highway 38), then in an easterly direction along the Skalkaho Road to the Bitterroot-Rock Creek Divide, then in a southerly direction along the Bitterroot-Rock Creek Divide to the Continental Divide, then in a southeasterly direction along the Continental Divide to the Montana-Idaho State Line, then westerly along the state line to U.S. Highway 93, then north along said highway to Darby, the point of beginning.

300 - Gallatin-Yellowstone: Those portions of Gallatin and Park Counties lying within the following-described boundary: Beginning at the intersection of U.S. Highway 191 and State Route 269 west of Bozeman, then easterly along U.S. Highway 191 to Bozeman and its intersection of Interstate 90, then easterly along Interstate 90 to Livingston and the intersection of U.S. Highway 89, then in a southerly direction along U.S. Highway 89 to its intersection with the Yellowstone Park boundary near Gardiner, then westerly along said boundary to its intersection with U.S. Highway 191, then northerly along said highway to its intersection with State Route 289, the point of beginning.

NOTE: Gallatin Closed Area: Closed to hunting of bighorn sheep. See description page 8, under Areas Closed or Limited to Hunting Methods for Big Game.

100 - Cabinet Mountains: That portion of Lincoln and Sanders Counties lying within the following-described boundary: Beginning where State Route 56 (Bull River Road) meets U.S. Highway 2, then southerly along said highway to Libby, then southerly along U.S. Highway 2 to the Silver Butte Road 54, then southwesterly along said road to the East Fisher Creek Road 154, then easterly and southerly along said road over the East Fisher-Vermilion River divide and down Willow Creek and the Vermilion River westerly along said road to State Route 200, then westerly along said highway to the junction of State Route 56 (Bull River Road), then northerly along said highway to U.S. Highway 2, the point of beginning.

101 - West Cabinet Mountains: That portion of Lincoln and Sanders Counties lying within the following-described boundary: Beginning on State Route 200 at the Idaho state line, then easterly along said road to State Route 56 (Bull River Road), then north along said state route to U.S. Highway 2, then westerly along said highway to the Idaho state line, then south along said state line to State Route 200, the point of beginning.

131 - Mission Mountains: Those portions of Lake and Missoula Counties lying within the following-described boundary: Beginning where State Route 83 crosses the Swan-Clearwater Divide (Lolo National Forest Boundary), then along said divide in a southeasterly direction to the Flathead Indian Reservation Boundary, then northerly along said boundary to Trail 17, then easterly along said trail to its junction with the Woodward Creek Road, then north east along said road to State Route 83, then southerly along said road to the Swan-Clearwater Divide, the point of beginning.

132 - Swan-Salmon: Those portions of Flathead, Lake, Missoula and Powell Counties lying within the following-described boundary: Beginning where State Route 83 at the junction of Goat Creek Road, then easterly and northerly along said road to the Nape Creek Road, then easterly along said road to Trail 31, then easterly along said trail to Trail 218, then easterly along said trail toward Inspiration Point and down Gorge Creek to Trail 115, then easterly and northerly along said trail to Bunker Creek, then easterly down said creek to the South Fork of the Flathead River, then southerly up said river to Big Salmon River, then southerly up said river to Trail 80, then northerly along said trail to Trail 110, then westerly and southerly along said trail to Trail 212, then southeasterly along said trail to the Pandant Creek trail, then southerly along said trail over the main Swan Range divide to upper Holland Lake and Holland Lake Trail 35, then westerly along said trail to the Owl Creek Loop Road, then northerly and westerly along said road and the Holland Lake Road to State Route 83, then northerly along said road to Goat Creek Road, the point of beginning.

133 - Swan-Clearwater: Those portions of Missoula and Powell Counties lying within the following-described boundary: Beginning on State Route 83 at the Holland Lake Trail 35, then easterly along said road and the Owl Creek Loop Road to the Upper Holland Lake Trail 35, then easterly along said trail to Upper Holland Lake and the Pandant Creek Trail, then northerly and easterly on said trail to Shaw Creek Trail 212, then northerly on said trail to the Big Salmon Trail 110, then northerly and easterly along said trail to the South Fork Trail 80, then southerly on said trail to Big Salmon Creek, then down Big Salmon Creek to the South Fork of the Flathead River, then in a southerly direction along the South Fork to Youngs Creek, then southerly and westerly along said creek to Haun Creek Trail 125, then southerly on said trail to Haun Pass at the Lolo National Forest Boundary, then westerly along said boundary to the Swan Divide at Wolverine Peak, then westerly along the Flathead-Lolo National Forest Boundary to State Route 83 at the Swan-Clearwater Divide, then northerly on said road to the Holland Lake Road, the point of beginning.

301 - Spanish Peaks: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the intersection of U.S. Highway 191 and State Route 269 west of Bozeman, then southerly along U.S. Highway 191 to its intersection with Taylor's Fork, then westerly up Taylor's Fork to Cache Creek, then northwesterly up Cache Creek to the Gallatin-Madison River's Divide and the head of Indian Creek, then westerly down Indian Creek to U.S. Highway 287, south of Cameron, then northerly along said highway to its intersection with State Route 289 at Norris, then easterly along State Route 289 to its intersection with U.S. Highway 191, the point of beginning.

302 - Hilgards: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the junction of Taylor's Fork and U.S. Highway 191, then southerly along U.S. Highway 191 to its intersection with the Yellowstone Park boundary, then easterly and southerly along said boundary to the Montana-Idaho State Line, then northwesterly along the eastern border of the Sun River Game Preserve to the Quartz Hill Road, then southerly along Highway 287, then northerly along said road to its junction with Indian Creek, south of Cameron, then easterly up Indian Creek to the Madison-Gallatin River Divide, then easterly to Cache Creek of Taylor's Fork, then southeasterly down said creek to Taylor's Fork, then easterly down Taylor's Fork to U.S. Highway 191, the point of beginning.

NOTE: Gallatin Closed Area: Closed to hunting bighorn sheep. See description page 8, under Areas Closed or Limited to Hunting Methods for Big Game.

303 - South Absaroka: That portion of Park County lying within the following-described boundary: Beginning at the point where U.S. Highway 89 leaves Yellowstone National Park at Gardiner, then northerly along U.S. Highway 89 to Cedar Creek, then easterly along Cedar Creek to the divide between Cedar Creek and the North Fork of Bear Creek, then northerly and easterly along this divide to Monitor Peak, then easterly and northerly along the Mill Creek-Bear and Hellroaring Creeks divide to Mount Wallace, then easterly and northerly along the Mill Creek-Hellroaring Creek divide to Crow Mountain, then southeasterly along the Hellroaring Creek-Bridge Creek divide to the saddle between Crow Mountain and Bridge Mountain, then southerly from this saddle down the West Fork of Hellroaring Creek to Hellroaring Creek, then southerly down Hellroaring Creek to the Yellowstone National Park boundary, then westerly along said boundary to U.S. Highway 89 at Gardiner, the point of beginning.

340 - Highlands: Those portions of Beaverhead, Madison, Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Dillon, then northerly along State Road 41 to Route 287 at Twin Bridges, then northerly along said highway to U.S. Highway 10, then northwesterly along said highway to U.S. Highway 91, then southerly along said highway to State Route 43, then westerly along said road to the Quartz Hill Road, then southeasterly along said road to Vipond Park and the Canyon Creek-Triple Divide Road, then southerly and easterly along said road to U.S. Highway 91 at Melrose, then southerly along said highway to Dillon, the point of beginning.

421 - Deep Creek: Those portions of Teton County lying within the following-described boundary: Beginning at Choteau, then southward along U.S. Highway 287 to its intersection with Deep Creek, then up said creek to the confluence of its north and south forks, then up the South Fork of Deep Creek to the intersection of U.S. Forest Service Trails Numbers 128 and 223 at the mouth of Erosion Creek, then westerly and northerly along U.S. Forest Service Trail Number 128 to the confluence of Miners Creek and Biggs Creek, then westerly and southerly down Biggs Creek to the North Fork of the Sun River, then up the North Fork of the Sun River along the eastern border of the Sun River Game Preserve to Sun River Pass, then east and north along the Continental Divide to Teton Pass, then down the West Fork of the Teton River to the Teton Canyon Road, then eastward along said road to U.S. Highway 89, then south along said highway to Choteau, the point of beginning.

422 - Castle Reef: Those portions of Teton County lying within the following-described boundary: Beginning at the intersection of Deep Creek and U.S. Highway 287, then up said creek to the confluence of its north and south forks, then up the South Fork of Deep Creek to the intersection of U.S. Forest Service Trail Numbers 128 and 223 at the mouth of Erosion Creek, then south along U.S. Forest Service Trail Number 223 to the Sun Canyon Road, then south along said road to the Sun River, then easterly down said river to its intersection with U.S. Highway 287, then north along said highway to Deep Creek, the point of beginning.

423 - Gibson Lake North: Those portions of Teton County lying within the following-described boundary: Beginning at the intersection of the Sun River and the Sun Canyon Road, then north along said road to U.S. Forest Service Trail Number 223, then north along said trail to its intersection with U.S. Forest Service Trail Number 128 at the mouth of Erosion Creek, then westerly and northerly along said trail to the confluence of Miners Creek and Biggs Creek, then west and south down Biggs Creek to the North Fork of the Sun River, then down the North Fork of the Sun River, along the eastern boundary of the Sun River Game Preserve to the confluence of the North and South Forks of the Sun River, then east along the north shore of Gibson Lake to Gibson Dam, then down the Sun River to its intersection with the Sun Canyon Road, the point of beginning.

QUIET ZONE: Those portions of Teton County lying within the following-described boundary: Beginning at the main trail up the North Fork of the Sun River (U.S. Forest Service Trail No. 201) as it crosses Reclamation Flats, then northerly along said trail to Arsenic Creek, then northerly as posted to Sheep Reef, then northerly along the summit of Sheep Reef to Circle Creek and the Circle Creek Trail (U.S. Forest Service Trail No. 231) within the boundary of the Bob Marshall Wilderness, then northwesterly along said trail to Cabin Creek, then down Cabin Creek to the North Fork of the Sun River, then southerly down the east bank of the North Fork of the Sun River (the eastern boundary of the Sun River Game Preserve) to its confluence with the South Fork of the Sun River, then easterly along the north bank of Gibson Lake to the main trail up the North Fork of the Sun River crossing Reclamation Flats, the point of beginning.

424 - Ford Creek: That portion of Lewis and Clark County lying within the following-described boundary: Beginning at the intersection of the Sun River and U.S. Highway 287, then southward to Augusta, then up Elk Creek to the Lewis and Clark National Forest Boundary, then south along said forest boundary to Steamboat Mountain, then westward along the Elk Creek-Dearbon River-Straight Creek Divide to Scapegoat Mountain, then northwesterly along the Continental Divide to the Sun River Game Preserve, then down the South Fork of the Sun River along the east boundary of the Sun River Game Preserve to the North Fork of the Sun River, then easterly along the south bank of Gibson Lake to Gibson Dam, then east along the Sun River to U.S. Highway 287, the point of beginning.

441 - North Fork Birch Creek-Teton: Those portions of Pondera and Teton Counties lying within the following-described boundary: Beginning at Swift Reservoir Dam on Birch Creek, then westerly along the North Fork of Birch Creek Trail 121 to Badger Pass, then southerly along the Continental Divide to Teton Pass, then southerly and easterly along the Teton Trail 114 to the Teton River Road at the West Fork of the Teton River, then southeasterly along said road to the junction in T25N, R7W, S29 (13 miles west of junction of said road with U.S. Highway 89 on northside of Teton River), then 3 1/4 miles north and west to the junction in T25N, R8W, S14, then 3 miles north and west to junction in T25N, R8W, S9, then north and east to the junction 1 1/2 miles northeast of the Ostle Ranch buildings in T26N, R8W, S23, then

134 - Swan-Bunker: That portion of Lake County lying within the following-described boundary: Beginning at the Flathead-Lake County line on State Route 83, then easterly and southerly along said county line to Trail 72 on the Swan Range crest, then easterly down said trail to the South Fork of the Flathead River, then down said creek to Hungry Horse Reservoir and the mouth of Bunker Creek, then westerly up said creek to Gorge Creek Trail 115, then southerly and westerly along said trail to the junction of the Trickle-Cannon Trail, then westerly and northerly along Gorge Creek and Trail 218 toward Inspiration Point and Inspiration Pass to the junction of Trail 31, then westerly along said trail to the Napa Road, then westerly along said road to the Goat Creek Road, then southerly and westerly along said road to State Route 83, then northerly along said road to the Lake-Flathead County Line, the point of beginning.

140 - Greel Northern: That portion of Flathead County lying within the following-described boundary: Beginning at the mouth of the South Fork of the Flathead River, then southeasterly up the South Fork, through Hungry Horse Reservoir, to Logan Creek, then easterly up Logan Creek to Trail 62, then northerly along said trail to the Middle Fork of the Flathead River, then easterly down said creek and Elk Creek to the Middle Fork of the Flathead River, then southerly up said reservoir and river to Mid Creek, then southerly up said creek to Trail 103, then easterly up the Mid Creek Trail 103 to its junction with the Silverpit Trail 89, then northerly on the Silverpit Trail to the Silverpit Cabin and Trail 83, then northwesterly along Trail 83 to Trail 43, then northwesterly along Trail 43 to Gunsight Pass and Twin Creek Trail 237, then northwesterly along Trail 237 to its junction with Miner Creek Trail 81, then northerly along said trail to Trail 155 and Morrison Creek Trail 154, then easterly along said trail 154 to its junction with the Lodgepole Creek Trail 179, then easterly and northerly along said trail to the Continental Divide, then northerly along said divide to the Glacier National Park boundary at Maries Pass, the point of beginning.

141 - Lower Middle Fork: That portion of Flathead County lying within the following-described boundary: Beginning on the Glacier National Park boundary at Maries Pass, then southwesterly along said boundary to the Middle Fork of the Flathead River, then southerly along said river to Elk Creek, then westerly up said creek and Dirtyface Creek to Trail 62, then westerly along said trail over the Middle Fork divide to Logan Creek, then down said creek to Hungry Horse Reservoir and the South Fork of the Flathead River, then southerly up said reservoir and river to Mid Creek, then southerly up said creek to Trail 103, then easterly up the Mid Creek Trail 103 to its junction with the Silverpit Trail 89, then northerly on the Silverpit Trail to the Silverpit Cabin and Trail 83, then northwesterly along Trail 83 to Trail 43, then northwesterly along Trail 43 to Gunsight Pass and Twin Creek Trail 237, then northwesterly along Trail 237 to its junction with Miner Creek Trail 81, then northerly along said trail to Trail 155 and Morrison Creek Trail 154, then easterly along said trail 154 to its junction with the Lodgepole Creek Trail 179, then easterly and northerly along said trail to the Continental Divide, the point of beginning.

142 - Upper Middle Fork: That portion of Flathead County lying within the following-described boundary: Beginning at the junction of Lodgepole Creek Trail 179 and the Continental Divide, then southerly along the Continental Divide to Kevan Mountain and Switchback Pass, then northwesterly along the divide between the Middle and South Forks of the Flathead River over Pentagon Mountain to Trail 173 at the Bob Marshall Wilderness Boundary, then southwesterly along the U.S. Forest Service Trail toward Pot Mountain to the junction of the Elk Ridge Trail 333, then northwesterly along said trail to the divide between Schaffer Creek, Argosy Creek, and Dean Creek, then southwesterly along the divide between Dean Creek and Schaffer Creek to Trail 43 at the junction of Trail 87, then northwesterly along said trail to Trail 237 near Gunsight Lake, then northwesterly along said trail to its junction with Miner Creek Trail 81, then northerly along said trail to Trail 155 and Morrison Creek Trail 154, then easterly along said trail 154 to its junction with the Lodgepole Creek Trail 179, then easterly and northerly along said trail to the Continental Divide, the point of beginning.

150 - Continental Divide: Those portions of Flathead and Powell Counties lying within the following-described boundary: Beginning on the Continental Divide at Switchback Pass, then southerly along the Continental Divide to Trail 138 at White River Pass, then westerly on said trail to its junction with Trail 112, then westerly along said trail staying on the south side of White River to Trail 263, then northerly along said trail to White River, then down the White River to the South Fork of the Flathead River, then northerly along said river to Mid Creek and Trail 103, then up said trail to Trail 89 on Silverpit Creek, then northerly on said trail to Silverpit Cabin and Trail 83, then northwesterly along Trail 83 to Trail 43, then northwesterly along said trail to the junction of Dean Creek Trail 87, then northwesterly from said trail junction along

north 1 1/2 miles to the junction in T26N, R8W, S14, then 1 1/2 miles northwest to Blackleaf Canyon - south fork of Dupuyer Creek Road junction in T26N, R8W, S9, then northwest to the South Fork of Dupuyer Creek in T27N, R9W, S36, then northwesterly along said creek to bridge on the county road (on southside of Dupuyer Creek at confluence of Scoffin and Dupuyer Creeks) in T28N, R9W, S32, then 2 1/2 miles down north along section line between Sections 33, 32, 28, 29, 20 and 21, T28N, R9W, to Swift Reservoir Road (1/4 mile southeast of Scoffin Butte Road junction), then westerly on Swift Reservoir Road to Swift Reservoir Dam, the point of beginning.

455 - Beartooth Wildlife Management Area-Gates of the Mountains Wilderness Area: Those portions of Cascade and Lewis and Clark Counties lying within the following-described boundary: Beginning at the mouth of Beaver Creek, then northeasterly up said creek to the Marten-Hump Cabin Road, then along said road to the Beartooth Game Range boundary fence, then north and west along said boundary fence to Holter Lake, then southerly up Holter Lake and the Missouri River to the mouth of Beaver Creek, the point of beginning.

NOTE: Gates of the Mountains Game Preserve closed to hunting. Boundary description on page 8.

500 - Stillwater: Those portions of Carbon, Stillwater, Sweet Grass and Park Counties lying within the following-described boundary: Beginning at the intersection of the Yellowstone Park Boundary and Hellroaring Creek, then northerly up said creek to the West Fork of Hellroaring Creek, then northeasterly up said creek to the Hellroaring-Bridge Creek Divide near Bridge Mountain, then northeasterly down Bridge Creek to the Main Boulder River, then northerly down said river to its intersection with U.S. Highway 10 (U.S. Interstate 90) at Big Timber, then easterly along said highway to Reedpoint, then southerly along the Reedpoint-Absarokee Road to Absarokee, then south on Highway 78 to the Absarokee-Nye Road south of Absarokee, then southerly along said road to where it crosses the Stillwater River, then south along the Stillwater River to the mouth of Horseshoe Creek, then westerly up said creek to the Stillwater-Slough Creek Divide at the head of Wounded Man Creek, then westerly down Wounded Man Creek to Slough Creek, then southerly down Slough Creek to the Yellowstone Park boundary, then west along said boundary to the intersection of said boundary and Hellroaring Creek, the point of beginning.

CLOSED AREA WITHIN BIGHORN SHEEP HUNTING DISTRICT 500: Boundary description on page 8.

501 - West Rosebud: Those portions of Park and Stillwater Counties lying within the following-described boundary: Beginning at Roscoe, then northwesterly on the Roscoe-Dean Road to its junction with West Rosebud Creek, then southerly up West Rosebud Creek to Grasshopper Glacier and Iceberg Peak, then southeasterly down the Broadwater River to its junction with the West Fork of the Clarks Fork River and the Kersey Lake trail, then westerly along said trail to its junction with the Beartooth Highway, then westerly along said highway to the Yellowstone Park boundary, then north and west along said boundary to Slough Creek, then north up Slough Creek to the mouth of Wounded Man Creek, then easterly up said creek to the Wounded Man Creek-Stillwater Divide at the head of Horseshoe Creek, then easterly down Horseshoe Creek to the Stillwater River, then northerly down the Stillwater River to where it crosses the Absarokee-Nye Road, then along said road to Absarokee, then southerly on Route 78 to Roscoe, the point of beginning.

502 - Hellroaring: Those portions of Carbon, Park and Stillwater Counties lying within the following-described boundary: Beginning at Belfry, then southerly along Route 72 to the Wyoming state line, then westerly along said line to the Yellowstone Park boundary and its junction with the Beartooth Highway, then easterly along said highway to its junction with the Kersey Lake trail, then easterly along said trail to its junction with the West Fork of the Clarks Fork River and the Broadwater River, then northerly up the Broadwater River to Iceberg Peak and Grasshopper Glacier, then northeasterly down West Rosebud Creek to its junction with the Roscoe-Dean Road, then easterly along said road to Roscoe, then southeast along Route 78 to Red Lodge, then easterly along Route 308 to Belfry, the point of beginning.

620 - Little Rockies: That portion of Phillips County lying within the following-described boundary: Beginning at the junction of Highway 191 and State Highway 376 known as the DY Junction, then northeasterly along Highway 191 to the Fort Belknap Indian Reservation boundary west of Second Butte, then westerly along said boundary to State Highway 376, then southerly along Highway 376 to its junction with Highway 191, the point of beginning.

760 - Blue Mountains: Those portions of Custer and Prairie Counties lying within the following-described boundary: Beginning at the junction of U.S. Highway 12 and U.S. Interstate Highway 94 at Miles City, then northeast along U.S. Interstate 94 to the Powder River, then south up the Powder River to the Mizpah Road then westerly along the Mizpah Road to U.S. Highway 12, then west along U.S. Highway 12 to U.S. Interstate 94, the point of beginning.

the divide between Schaffer and Dean Creeks to the Elk Ridge Trail 333 at the divide between Schaffer Creek, Argosy Creek, and Dean Creek, then southeasterly along said trail to the Fish Creek Road, then southerly along said trail to the Nape Creek Road, then easterly along said trail to Trail 173, then southeasterly from said trail junction along the divide between the Middle and South Forks of the Flathead River over Pentagon Mountain to Switchback Pass on the Continental Divide, the point of beginning.

151 - Danaher: Those portions of Lewis and Clark and Powell Counties lying within the following-described boundary: Beginning on the Continental Divide at White River Pass and trail 138, then westerly on said trail to its junction with Trail 112, then westerly along said trail staying on the south side of the White River to Trail 263, then northerly on said trail to the White River, then down the White River to the South Fork of the Flathead River, then southerly along said river to Youngs Creek, then southeasterly up said creek to Haun Creek Trail 125, then southerly along said trail to Haun Creek Pass and the Lolo National Forest Boundary, then easterly along said boundary to the Continental Divide at Triple Divide, then northerly along the Continental Divide to White River Pass, the point of beginning.

213 - Lost Creek: Those portions of Granite, Powell and Deer Lodge Counties lying within the following-described boundary: Beginning at the junction of the Red Lion Road and U.S. Highway 10A at Georgetown Lake, then in a northeasterly direction along Race Track Creek to the bridge on Interstate Highway 90, then along U.S. Highway 10A in a southerly direction to its junction with U.S. Highway 10A, then along U.S. Highway 10A in a westerly direction to its junction with the Red Lion Road, the point of beginning.

220 - South Superior: Those portions of Missoula and Mineral Counties lying within the following-described boundary: Beginning at Superior, then southeast on Interstate 90 to the Fish Creek Road, then south up the Fish Creek Road to the South Fork of Fish Creek, then up the South Fork Fish Creek Road to the Lolo Creek Fish Creek Divide, then south on Forest Roads 343 and 343A to U.S. Highway 12, then west along Highway 12 to the Montana-Idaho divide, then northwesterly along said divide to Lookout Pass, then east on U.S. Interstate Highway 90 to Superior, the point of beginning.

Mountain Goat (continued)

222 - East Pintler: Those portions of Granite, and Deer Lodge Counties lying within the following-described boundary: Beginning at Anaconda, then southeast on U.S. Highway 10A to Route 274 (Mill Creek Road), then southwest along Route 274 to State Route 43, then west along State Route 43 to Seymour Creek, then north along Seymour Creek to the Lower Seymour Lake Campground, then northerly to the Sullivan-Seymour Creek divide, then northwest along said divide to Mount Howe, then northwest from Mount Howe to the head of Twin Lakes Creek at the northwest corner of Section 33, T4N, R13W, then north along Twin Lakes Creek to Highway 10A, then east along said highway to Anaconda, the point of beginning.

223 - West Pintler: Those portions of Granite, Deer Lodge and Beaverhead Counties lying within the following-described boundary: Beginning at the mouth of LaMarche Creek and State Route 43, then southwest along State Route 43 to the Continental Divide, then northeast along said divide to the Rock Creek-Bitterroot Divide, then northerly along said divide to State Route 38, then east along said route to the East Fork of Rock Creek, then south along said creek to the Continental Divide at Gutaway Pass, then southeasterly along the West Fork of LaMarche Creek to the mouth of LaMarche Creek, the point of beginning.

240 - West Bitterroot: Those portions of Ravalli and Missoula Counties lying within the following-described boundary: Beginning at Lolo, then south on U.S. Highway 93 to Clark Creek, then west up said creek to the Montana-Idaho Border, then north along said border to the Dick Creek Road, then north along said road to the Lewis and Clark Highway (U.S. Highway 12), then east along said highway to Lolo, the point of beginning.

250 - West Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at the junction of Tin Cup Creek and U.S. Highway 93, then southerly along U.S. Highway 93 to the Montana-Idaho Border, then southeasterly and northerly along said border to Tin Cup Creek Headwaters, then easterly down Tin Cup Creek to its junction with U.S. Highway 93, the point of beginning.

261 - Sapphire Range: Those portions of Ravalli and Granite Counties lying within the following-described boundary: Beginning at Skalkaho Pass then west on State Route 38 to U.S. Highway 93, then north along said highway to Hamilton, then north on Route 269 to the Eightmile Creek Road, then east along said road to the Rock Creek-Bitterroot Divide, then south along said divide to Cleveland Mountain, then east down the Welcome Creek Trail 225 to the Rock Creek Road, then south up said road to State Route 38, then west along said trail to Skalkaho Pass, the point of beginning.

Note: Skalkaho Game Preserve shall be closed to all hunting.

270 - East Fork Bitterroot: That portion of Ravalli County lying within the following-described boundary: Beginning at the junction of U.S. Highway 93 and the Skalkaho Road (Route 38), then easterly along said road to the Bitterroot-Rock Creek Divide, then southerly along said divide to its junction with the Continental Divide, then southeasterly along said divide to the Montana-Idaho State Line, then westerly along the state line to U.S. Highway 93, then northerly along said highway to its junction with the Skalkaho Road (Route 38), the point of beginning.

280 - North Blackfoot: Those portions of Lewis and Clark and Powell Counties lying within the following-described boundary: Beginning at Rogers Pass, then west along State Route 200 to its junction with the Landers Fork Road, then north along said road to its junction with Copper Creek Road 330, then northwest along said road to its junction with the Indian Meadows Road, then north along said road to its junction with U.S.F.S. Trail 481, then northwest along said trail to its junction with U.S.F.S. Trail 327, then west along said trail to its junction with U.S.F.S. Trail 317, then northwest along said trail to the Dry Fork Flathead Divide, then northeast along said divide to Triple Divide and the Continental Divide, then southeast along the Continental Divide to Rogers Pass, the point of beginning.

312 - Pioneer: Those portions of Beaverhead, Deer Lodge, Silver Bow and Madison Counties lying within the following-described boundary: Beginning at Wisdom, then southerly and easterly along Route 278 to U.S. Highway 91, then northerly along said highway to State Route 43, then westerly and southerly along said route to Wisdom, the point of beginning.

320 - Tobacco Root Mountains: Those portions of Madison, Gallatin, Jefferson and Silver Bow Counties lying within the following-described boundary: Beginning at Ennis, then westerly and northerly along State Route 287 to U.S. Highway 10, then easterly along said highway to U.S. Highway 287, then southerly along said highway to Ennis, the point of beginning.

321 - Medicine Lodge-Big Sheep: That portion of Beaverhead County lying within the following-described boundary: Beginning at Bannack Pass on Route 324 and the Montana-Idaho State Line, then northerly and easterly along said route to Interstate Highway 15 (U.S. Highway 91), then southerly along said route to Monida Pass on the Montana-Idaho State Line, then southerly, easterly and northerly along said state line to Bannack Pass, the point of beginning.

322 - South Big Hole: That portion of Beaverhead County lying within the following-described boundary: Beginning at Wisdom, then southerly along Route 278 to the Bannack-Grant County Road, then southerly along said road to State Route 324, then westerly and southerly along said route to the Montana-Idaho State Line at Bannack Pass, then westerly and northerly along said line to State Route 43 at Lost Trail Pass, then easterly along said route to Wisdom and Route 278, the point of beginning.

323 - South Absaroka: That portion of Park County lying within the following-described boundary: Beginning on the Yellowstone River where it leaves Yellowstone National Park at Gardiner, then northerly down said river to the mouth of Mill Creek, then southeasterly up Mill Creek to the East Fork of Mill Creek, then easterly up the East Fork of Mill Creek to the East

Fork of Mill Creek - Fourmile Creek divide at Silver Pass, then from said Pass easterly down Fourmile Creek to the Boulder River, then southerly up the Boulder River to Bridge Creek, then southwesterly up Bridge Creek to the Bridge Creek - West Fork of Hellroaring Creek divide between Crow Mountain and Bridge Mountain, then southerly from said divide down the West Fork of Hellroaring Creek to Hellroaring Creek, then southerly down Hellroaring Creek to the Yellowstone National Park boundary, then westerly along said boundary to the Yellowstone River at Gardiner, the point of beginning.

324 - Spanish Peaks: Those portions of Madison and Gallatin Counties lying within the following-described boundary: Beginning at the mouth of Jack Creek, then easterly up said creek to the Madison-Gallatin Rivers Divide and the Middle Fork of the West Fork of the Gallatin River, then easterly down said Middle and West Forks to the Gallatin River, then northerly down said river to Route 289, then westerly along said route to the Madison River, then southerly up said river to Jack Creek, the point of beginning.

325 - Jack Creek-Indian Creek: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the mouth of Jack Creek on the Madison River, then easterly up Jack Creek to the Madison-Gallatin Rivers divide and the Middle Fork of the West Fork of the Gallatin River, then easterly down said Middle and West Forks to U.S. Highway 191, then southerly along said highway to the mouth of Buck Creek, then westerly up Buck Creek to the Gallatin-Madison Rivers divide and then southerly along said divide to Shedhorn Ridge (mountain), then down the toe of Shedhorn Ridge in a northwesterly direction to Indian Creek, then westerly down Indian Creek to the point where Indian Creek flows into the Madison River, then northerly down the Madison River to the mouth of Jack Creek, the point of beginning.

326 - Indian Creek-Wolf Creek: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the mouth of Indian Creek on the Madison River, then easterly up Indian Creek to the toe of Shedhorn Ridge (mountain), then up to Shedhorn Ridge in a southeasterly direction to the Madison-Gallatin divide, then northerly along said divide to the head of Buck Creek, then easterly down Buck Creek to U.S. Highway 191, then southerly along said highway to the mouth of Sage Creek, then southerly up Sage Creek to the confluence of Big Sage and Little Sage Creeks, then southerly along the divide between Big and Little Sage Creeks to Sage Mountain, then westerly along the Madison-Gallatin divide (through Sentinel Peak) and southerly to Expedition Pass and the head of Wolf Creek, then westerly down Wolf Creek to the Madison River, then northerly down the Madison River to the mouth of Indian Creek, the point of beginning.

327 - Wolf Creek-Papoose Creek: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the mouth of Wolf Creek on the Madison River, then easterly up Wolf Creek to Expedition Pass and the Madison-Gallatin divide, then easterly along said divide and through Sentinel Peak to the head of Beaver Creek of the Madison, then southerly down Beaver Creek to the confluence of Beaver Creek and the West Fork of Beaver Creek, then southwesterly up the West Fork of Beaver Creek to the head of Papoose Creek, then westerly down Papoose Creek to the Madison River, then northerly down the Madison River to the mouth of Wolf Creek, the point of beginning.

328 - Papoose Creek-Rock Creek: Those portions of Gallatin and Madison Counties lying within the following-described boundary: Beginning at the mouth of Papoose Creek on the Madison River, then easterly up Papoose Creek to the head of the West Fork of Beaver Creek, then southerly down the West Fork of Beaver Creek to the head of Beaver Creek, then southerly down Beaver Creek to the Madison River, then westerly and northerly along the Madison River to the mouth of Papoose Creek, the point of beginning.
